THE STANDING RULES

[All paragraph references are to the ***2012 Book of Discipline of The United Methodist Church*** except as otherwise noted, and these numbers are printed in **bold**.]

INTRODUCTION

The Alabama-West Florida Conference of The United Methodist Church shall be organized and structured according to the mandates of the latest edition of *The Book of Discipline*, and shall act in all respects in harmony with the policy of The United Methodist Church. In keeping with those standards, this conference commits itself to the elimination of discrimination on the basis of race and gender (see **¶ 604.1**). The following Standing Rules are adopted by the Alabama-West Florida Conference for its own governance and to fit its specific setting for mission and ministry. The Alabama-West Florida Conference shall follow *Roberts Rules of Order* except where superseded by explicit rules in *The Book of Discipline* or in these Standing Rules.

1. These Standing Rules shall be implemented, applied or amended as follows:

A. These rules shall be effective at the end of the annual conference at which they are passed. All rules remain in effect until they are rescinded or amended by a two-thirds vote of those present and voting on the next day after the proposed amendment has been presented in writing.

B. Any proposed changes in the Standing Rules should be received in writing by the chairperson of the Committee on Standing Rules no later than February 1.

C. Any of these rules, except Standing Rule (SR) 1D, may be suspended by a two-thirds vote of those present and voting at annual conference.

D. A change in the number of districts may not be made later than the first business session of the annual conference.

OFFICERS OF THE ANNUAL CONFERENCE

2. The conference secretary and the *Journal* editor (nominated by the Conference Committee on Nominations, see SR 5B) and the treasurer/statistician and the conference registrar (nominated by the

Council on Finance and Administration) shall be elected at the first session of the annual conference following the general conference, with tenure of office to begin on December 1, following their election, and to serve for the succeeding quadrennium.
(¶ 603.7 and ¶619)

COMMITTEES RELATING TO THE ANNUAL CONFERENCE

3. There shall be a Committee on Standing Rules, composed of the conference secretary, the director of Connectional Ministries (see SR 5A), the conference treasurer, the Journal editor and five at-large members including the chairperson. This committee shall be nominated by the Committee on Nominations (see SR 5B), shall include both lay and clergy, and shall be elected by the annual conference. Additional nominations may be made from the floor.

4. There shall be a Committee on Resolutions and Petitions, composed of four clergy and four lay persons, nominated by the Committee on Nominations, which shall consider all petitions addressed to the general, jurisdictional, and annual conferences. After consideration, the committee shall submit the petitions, with its written recommendation and the rationale for each recommendation, to the annual conference for action. Resolutions shall be submitted to the committee by February 15, except in cases where it can be demonstrated by the author of a late petition that the situation which gave rise to making the petition was not apparent until after the deadline for petitions. The committee shall provide copies of all resolutions submitted by February 15 to all voting members present at the conference session. The maker of the late resolution shall supply these copies of his/her resolution if submitted after February 15. No resolution will be received on the last day of the session.

5. A. The leadership, missional and administrative structures of the Alabama-West Florida Conference shall come together at a "common table" or organization known as the "Connecting Our Resources and Empowerment" Team or CORE Team. The means of electing and appointing representatives connected to the CORE Team, which includes boards, committees, councils, commissions and divisions of the Leadership Team, the Mission Team, and the Administrative

Team, are spelled out in these Standing Rules (also see SR 24 and following).

B. There shall be a Committee on Nominations, composed of: the resident bishop, who shall be the chairperson; the conference lay leader; the conference secretary, who shall be the secretary of this committee; the director of connectional ministries; the conference treasurer; the conference presidents of United Methodist Men (UMM) and of United Methodist Women (UMW); a United Methodist youth; the eight district lay leaders; the eight district superintendents; the Conference Resource Center program staff; and three at-large members chosen by the bishop with attention given to the need for inclusive representation. This committee shall nominate persons quadrennially to the CORE Team, conference boards, commissions, committees, councils, etc., as listed in these Standing Rules and as needed by other conference institutions (per the bishop's discretion). Nominations shall be consistent with the most recent *Book of Discipline*, with attention given to inclusiveness, diversity and expertise. The committee shall submit its nominations as early as possible in the annual conference session. Additional nominations may be made from the floor.

6. There shall be a Committee on Courtesies and Introductions, composed of three lay and two clergy members, which shall be responsible for presentation of visitors to the conference, and for a report in the closing session expressing appreciation to persons and groups who have rendered special services in the program.

7. There shall be a Committee on the *Journal*, appointed quadrennially by the bishop, composed of two members, who shall examine the minutes of daily sessions for accuracy and report the findings to the conference.

8. The Council on Finance and Administration (CFA) shall handle expenses of the conference session. There shall be a Conference Administration Fund, the amount to be fixed annually by the Council on Finance and Administration, with assessments for the fund to be allocated annually to individual pastoral charges on the apportioned formula basis. When the Annual Conference makes available lodging

for the annual conference session, CFA will establish reasonable fees. When the Annual Conference makes available meals for the annual conference session, CFA will establish reasonable fees. Conference meals for which there is no charge, shall be funded by the Annual Conference Administration Fund. Instructions shall be provided in advance by the conference registrar. The following persons are eligible for this:

13. Election of General and Jurisdictional delegations:

A. Delegates to the general and jurisdictional conferences shall be elected according to stipulations in **¶ 502.4** and **¶ 515** respectively of the *Book of Discipline*. In compliance with the *2012 Book of Discipline* **¶ 35**, all eligible clergy shall be listed on the ballot for General and Jurisdictional Elections. They shall serve in all sessions

of these conferences held during the quadrennium. In addition to those delegates funded by the general and jurisdictional conferences, the Alabama-West Florida Conference shall pay the expenses of only one more alternate delegate, lay and clergy, to the general and jurisdictional conferences at the rate paid to the delegates.

B. In the election of delegates, the presiding bishop shall appoint four teams of tellers (two clergy teams and two lay teams), each team consisting of one representative from each district, one of whom shall serve as head teller.

14. Annual Conference lay members:

(For churches with more than one clergyperson under appointment, see ¶ **32** of the *Book of Discipline.*)

B. In compliance with the disciplinary requirement (¶ **32**) to keep lay representation in the annual conference session equal to that of clergy, the conference secretary shall ascertain whether the upcoming session will be in balance with respect to lay and clergy membership as of January 1 each year. If additional lay members are needed, the conference secretary shall add them using the following guidelines:

(1) The first eight shall be the district presidents of United Methodist Women. In the event that fewer than eight are needed, the secretary shall make the determination on the basis of the last reported church membership totals of the districts, moving from the largest downward in scale.

(2) The second eight shall be the district presidents of the United Methodist Men. In the event that fewer than eight are needed, the secretary shall make the determination on the basis of the last reported church membership totals of the districts, moving from the largest downward in scale.

In the event that fewer than sixteen are needed, the secretary shall make the determination on the basis of the last reported church membership totals of the districts, moving from the largest downward in scale.

(4) Next the secretary shall name full-time lay workers on the professional staff of the Conference Resource Center.

(5) Next the secretary shall name the lay members of the Conference Board of Ordained Ministry.

(8) Next the secretary shall name lay members of the Council on Finance and Administration.

(9) The remainder shall be at-large members divided among the eight districts and selected by each district. In the event that there is a remainder of less than eight, the secretary shall make the determination on the basis of the last reported church membership totals of the districts, moving from the largest downward in scale.

(10) If a person is selected by the above process who is already a member of annual conference as the delegate from his/her church/charge, he or she may serve in the new capacity and thus empower the church's alternate delegate to attend as the voting representative of the charge. The district superintendent and district lay leader of each district may assist in this process in conjunction with their district's orientation session in preparation for the annual conference.

15. The *Conference Journal* and *Brochure of Reports*:

STATISTICIAN'S REPORT
Mr. Frank Dunnewind thanked the members of the Fiscal office staff for their hard work and dedication including Heidi Mitchell, Controller, BeLinda Carnegie, Benefits Coordinator, Sharon Beasley, Accounts Clerk and Terri Pickering, Administrative Assistant.

Mr. Dunnewind presented the following statistics:

We began the year with **professing membership** of 141,989. We received 2,415 professing members, a decline of 2% over 2013.

We **removed by charge conference action** 2,766 members. That is 29% fewer members removed in 2014 than in 2013.

There was 9% decrease in reported **member deaths**: 1,747 deaths in 2013 versus 1,588 in 2014. This statistic is somewhat interesting in that one year there is a decrease, the next year an increase which we might expect to see, given the aging population in the United Methodist Church.

We ended 2014 with **professing membership** of 139,918 a 1% decrease over 2013. There was a net loss of 2,071 members in 2014 about half as many in 2014 than in 2013. This statistic would indicate that churches are seriously conducting membership audits and 'right sizing' their membership rolls.

The reported **Average Attendance** at weekly worship services decreased slightly from 65,110 on 2013 to 63,781 in 2013; a decrease of 2%.

Fewer members left for **non-United Methodist churches** than joined from non-United Methodist churches.

Another interesting statistic was that the reported **Hispanic/Latino population** increased by 7%.

For the first time in three years, **baptisms** decreased. There were 2,013 baptisms in 2013 versus 1,912 in 2014.

You may remember that I mentioned that we learned that one of the measures of vital churches is number of **small groups** centered on Christian formation. There was a 1% decrease in weekly attendance in Sunday church school. However, the total of other categories of Christian formation groups showed a 2% increase.

The number of persons served in **community ministries** for daycare and/or education decreased by less than 1% from just over 26,800 in 2013 to more than 26,646 in 2014. However, the number of persons served by community ministries for outreach, justice and mercy increased by 5% from just over 461,000 in 2013 to more than 485,000 in 2014.

Again, this year, **Vacation Bible School** attendance increased by 1%.

The market value of **church property** was up by about 2% and debt was down by 9%.

Building **improvement** and major equipment purchases increased by about 3%.

Turning to **benevolence giving** in 2013 churches reported giving $1,603,996 to United Methodist causes which was not given through the conference office, decreased to $1,385,314 in 2014 a 13% decrease. Giving to non-United Methodist causes showed an increase of $589,695.00 or 8%.

I want to express my appreciation to the pastors who made an effort to submit timely and accurate reports and to the Administrative Professionals in the districts for their hard work in following up on delinquent reports and for their attention to detail in validating the reports.

The report was received.

BALLOTING FOR GENERAL AND JURISDICTIONAL CONFERENCE
Results for Clergy Ballot #10 were reported. Rev. Dr. Cory Smith and Rev. Tonya Elmore were elected as delegates to Jurisdictional Conference. Rev. Rob West, Clanton UMC, offered prayer before the vote.

Giving increased by more than 16%, the largest increase since 2005. Almost 64% of the churches paid 100% in 2014.

The **2016 budget** is found on page 160 in the 2015 Brochure of Reports and in Report 7 of the Council on Finance and Administration Report in this Conference Journal. The budget for 2016 represents a reduction of $43,485 or .04%.

The District Superintendent Compensation, Report 10, is found on page 164. Following the established formula of the average salary of the top 25 of local church senior pastors, the salary recommendation for 2016 is $114,979 an increase of 2%.

DISTRICT REPORTS

BAYPINES

This has been a good year in the Baypines District as we have continued to grow in fruitful ministries throughout the District. Each of our five clusters continues to be in prayer and support of one another and seek ways to meet the needs of their particular geographical area in the District.

We are excited to report that for the second year in a row we have shown a 7% increase in our Missional giving. We are seeing an increased awareness, understanding, and support of our Connection.

Our Servant Ministries, under the leadership of Peggy Duck, continues to be active and growing in our District. Many of our Lay Servants provide leadership in the local church, teach various classes, lead various kinds of ministries, and some answer the call to serve as pastor of a local church. We are thankful for all our Lay Servants and the work they do in serving God in the Baypines District.

United Methodist Men and Women continue to be active and vital to our District. So many of our men and women are involved in local, District, and Conference projects. We are thankful for all of these women and men and the great work they do.

Our District continues to be involved in Habitat for Humanity. We have had Habitat builds in the Brewton, Baldwin County, and Covington County. The Methodists of the Baypines District provide leadership, labor, and financial support for all our Habitat builds. We are thankful for the opportunity to help provide a home for those in need.

As of writing this, our District has almost reached our goal or raising $100,000 for our "No Malaria" campaign. By Annual Conference we will reach our goal 100%!

Our District continues to support and partner with Blue Lake. We helped with funds and labor to put a new roof over the kitchen. We have also helped with funds and labor for their project of replacing single beds in 29 rooms with queen size beds. Again, as of this writing this, we are only four beds away from our goal.

A new pilot project has started in the Brewton area under the leadership of Dr. Ed Glaize. Ed has put together an ecumenical group, representing seven churches, and led them through a study of "Circles of Transformation." This ministry helps persons brake the cycle of poverty. They recruit persons in the community to help those who are willing to help themselves. This ministry is showing great potential and we are encouraging other transforming groups to be established in our District.

We continue to be very involved with Disaster Training. Pat Shubert has done a wonderful job providing training and certification for many in our District. We

have many trained and certified Disaster Response personnel ready to respond to disasters when needed.

Churches in our District continue to support the Upper Room Prayer line ministry. We not only provide funds but we man the phones as well.

We have formed a Covenant Group in our District that meets monthly for prayer, support and accountability. This has been a great experience for those of us in the group and we are encouraging others throughout the District of establish and participate in a covenant group as well.

We continue to be thankful for the capable leadership and guidance of our District Superintendent, Rev. Dr. Cory Smith, and we look forward to continuing to work with him, seeking God's guidance and direction, as we discern God's will for the ministry and mission of the Baypines District.

Timothy R. Trent, Chairperson
District Leadership Team (term ended 7/1/2015)

DOTHAN

The Dothan District is very thankful for what the Lord has done in our district in the last year. We experienced God's grace and love in many ways in 2014. One major event was the passing of the torch from District Superintendent Rev. Dan Morris to Rev. Sara Shaver. Under their direction the Dothan District was able to achieve many great things.

The Dothan District Celebration Sunday was held on Sunday, January 26, 2014 at St. Luke United Methodist Church in Enterprise. This day was used to celebrate God's work in our district. The churches in the district were asked to submit two photos of "Wow" moments in their church in 2013. Also as part of the celebration two workshops were presented. "The Wesleyan Way" was presented for the clergy and the laity workshop was "The 5 Practices of A Fruitful Congregation". In an effort to keep the youth involved, worship and other fun activities were provided at Enterprise First United Methodist Church.

On the evening of February18, the District Lay Leader, Dan Deloney, conducted a training of the Church Lay Leaders. This event was designed to remind the Church Lay Leaders of their important role in their local churches. Bro. Dan reminded those in attendance that according to Isaiah 43:1-2 we are chosen by God by Name to serve him. Covenant UMC graciously hosted this event.

We held 2 District Gatherings during 2014 which were well attended by our district pastors and laity. Our District Gatherings are primarily to build relationships throughout the district and can be informational, spiritual, training or entertaining. The first gathering was held April 28, 2014 at Grace Park UMC, Ashford, AL. We had a meal followed by an entertaining music program provided by Harvest

Blend, a group of 5 men from Harvest UMC singing southern gospel songs. 2014 Annual Conference information was communicated and the brochure of reports was distributed to all delegates to annual conference. The second district gathering was held on September 29, 2014 at Covenant UMC, Dothan, AL. A meal was served followed by a program given by Charles Maynard, a UM minister, storyteller and an author. Charles entertained us with fun stories to inspire and bless us as he reminded us that Jesus is the master Storyteller.

2014 was a busy and productive year for missions with Dothan District United Methodist Women. They exceeded their goal of Pledge to Missions by over $3500.00!! The small group of women are dedicated to the women, children and youth in need and many agencies throughout the conference as well as around the world benefitted from it. They hosted a Mission Study in May and November that was well attended by all the units.

Spiritual Day in April was a loving memorial to those UMW ladies that passed away in 2013 with a little history of their service to church and UMW. In September new officers were elected at the Annual Day and honored the 5 Star Units as well as the Mission Today Units. They are looking towards 2015 with anticipation for the new mission studies and more opportunities to help those in need.

United Methodist Men: During 2014, a total of 12 churches were represented in the Dothan District. Activities of the UMM charter groups are varied and include Prayer Ministry, Bible Study, Lectionary Study, support of EMS Ministry, support of Boy Scouts, Blue Lake Methodist Camp improvement projects, local church Youth Program support, church Trustee project support, community outreach, support of the Upper Room Living Prayer Center, and fellowship within UMM. A Pastor Appreciation Banquet recognizing the current and retired clergy of the district was hosted by Ozark First United Methodist Church on February 3rd, and catered by the church's United Methodist Men. Programs on UMM were presented to four men's groups in the district and the District President represented the UMM on the District Core Team. Representatives from many district churches were present at the Annual Men's Advance held at Blue Lake in April. At that meeting, Frank Moore, Dothan District President, was installed as the President of AWF Conference UMM.

MARIANNA/PANAMA CITY (MPC)

The Marianna/Panama City is a healthy and hard-working district dedicated to serving the United Methodist Church, the Alabama-West Florida Conference and

most especially our Lord Jesus Christ. We are dedicated to the mission of "Making Disciples for Jesus Christ for the transformation of the World". It is our desire to see our district grow in every way.

Happenings this year:
•We bid farewell to Rev. Gary Daniel who had served as our District Superintendent for four years. Gary accepted an appointment to the Brantley UMC in July. Gary and his wife Pam will be greatly missed. He was followed by Rev. Dr. Larry Bryars (Vicki) who was serving as the Lead Pastor at Shalimar UMC.

•The MPC District has been very active in their participation in the "Imagine No Malaria" campaign. The district goal was $100,000 dollars, which will save 10,000 lives. We have presently reached over 95% of our goal and expect to have reached 100% by the time you receive this report at Annual Conference.

•District Day was held on Sunday January 11, 2015 at Forest Park UMC. The gathering was held to elect new district officers and to fellowship with district churches. Five classes were offered for those in attendance. Dr. Bryars met with the SPR members, District Lay Leader Juddy Stephens met with the Lay Leaders from local churches, Pat Luna led a class in Spiritual Formation, Rev. Dr. Geoffrey Lentz taught a class on the Gospel of Mark, and Rev. Sean Peters offered ideas on creative worship.

•The District Day continued into the evening with a Youth Rally held at the Fusion Campus of Lynn Haven UMC. Over 250 youth and youth leaders gathered to praise God and fellowship together. The event was filled with exciting music and preaching. Several in attendance made a profession of faith and many others committed to a deeper walk with Christ. The youth leadership team in the district is planning to conduct training sessions for all youth leaders and to share resources so that each youth program in the district can be strengthened.

•The Lay Servant Ministry of our district is exceptionally strong led by district director Mary Whitehead. This team served the district by filling the pulpits of four churches for several months until a pastor could be assigned. The ministry continues to grow as new persons hear the call of God to attend classes and seek to become certified in this ministry.

•We are proud of our district seminary students who are preparing for ministry in the conference and around the world. This district continues to be a place where people are responding to the call of God to serve. Our District Committee on Ministry wants to stay busy with meeting and guiding those who are answering the call to ministry.

•The Disaster Relief Team feels it is important to stay prepared in the panhandle area for possible storm destruction. This year the major damage has come only from heavy rain. We are grateful that many will come to the aid of our area when it is needed.

•The MPC District United Methodist Women continue to be a bright light in the conference. They are always active. Leadership Training was held in January. In February they went to Enterprise for Tapestry. In March they had their annual Moss Hill Day Apart. In May a mission study was led by Rev. Dr. Geoffrey Lentz in Port St. Joe. The group stands out for raising generous funds for mission efforts throughout the year.

•The United Methodist in the Panama City area has a visible presence in ministering to the many homeless that gather in the warmer climate. Several of our district churches and groups have taken turns feeding the homeless with a hearty breakfast every Saturday morning at First UMC of Panama City. We are continuing to encourage other groups to join in this effort to reach this group for Christ.

MOBILE

We give thanks for the graciousness of God and the fruitfulness of his ministry among us. We are humbled, grateful, and filled with joy for the privilege of joining in his work. As long as there are lost and hurting people around us we can never grow weary of doing good, but we are grateful for this opportunity to reflect on God's faithfulness to us. By his grace, this past year has seen tremendous growth in mission and ministry, made possible by the bold obedience of our churches and agencies as they tirelessly serve to advance the cause of Christ throughout the Mobile District of the United Methodist Church.

We celebrate the ministries of our local agencies—the United Methodist Inner City Mission / McKemie Place; the Dumas Wesley Community Center / Sybil H. Smith Family Village; the Babies First Program of the United Methodist Children's Home; and the Metro Jail Ministry. Likewise, we celebrate the growth of our Hispanic ministries, the amazing work of "Raise the Roof," and the ever-inspiring faithfulness of our United Methodist Women's groups. We stand in awe of the work of God done through these organizations and the incredible perseverance of those who lead them. With declining resources and increasing demand for services, they have continued to expand opportunities for others, changing lives, and helping to transform communities in the name of Jesus Christ.

Along with these, we celebrate the work of our University of South Alabama Wesley Foundation. This ministry continues to grow in every way and we are grateful for the leadership there, as well as for the support of the Conference, the Baypines and Mobile Districts, and countless churches and individuals. A highlight of the district's year is the annual USA Wesley Foundation Clergy Cookoff. Congratulations to the winners—Forest Hill UMC!

The Open Doors Resale Store continues to provide critical support for our agencies, the Wesley Foundation, and other district initiatives such as West Wilmer UMC

and Hispanic ministries. The Store is the result of visionary leadership, an army of hard-working volunteers, an endless stream of donations, and faithful shoppers. In the short time since its opening, Open Doors has contributed over $85,000 to local ministries, with plans to do much more!

The North Mobile Planning Council continues to set the pace for our district in so many ways. Among their many activities, they honor their pastors each year at a gracious banquet, worship together at a monthly "Singspiration," contribute greatly to help the people of their communities, and raise an incredible amount of support for The United Methodist Children's Home—over $16,000 this year! Clearly, the work of God is thriving through their faithfulness to God's call!

In 2014, we celebrated the work of our previous General Board of Global Ministries "Young Adult Missionaries" as they finished their terms of service. We are grateful that all three have remained in Mobile! We also welcomed our new GBGM "Global Mission Fellows," part of the first class of a newly revamped program. One of the changes made by the denomination is to have the Fellows live in Christian community together. This has been made possible by the graciousness of Crawford UMC, along with support from a number of other congregations, and a large grant from Lisa and Mac Tichneor of the QuadW Foundation. Our missionaries are giving leadership to a number of efforts across the district, helping us to expand and deepen our impact across the district and beyond.

Our Circles of Transformation program is moving forward in partnership with the Baypines District and with the help of our GBGM Mission Fellows. We have held many planning and community information meetings, and are on schedule for a full launch in the coming months. This program represents a new approach designed to break the cycle of poverty by recognizing persons/families in poverty as the "Circle Leaders" and surrounding them with supportive volunteers from our churches as they work towards reaching their goals. This approach has had amazing success across the country and we are grateful to launch the effort as the "Bay Area Circles of Transformation" with gratitude for the critical help of the Conference.

Looking beyond our district and Conference, the Mobile District is pleased (but not satisfied) with our progress in the Imagine No Malaria Campaign. To date we are at 90% of our goal ($90,000) and hope to reach 100% in the coming weeks. We are excited to be a part of this global effort to eradicate the scourge of malaria, saving millions of lives and opening new doors for the sharing of the Gospel. Our district's partnership in the Red Bird Conference of western Kentucky is another expression of our commitment to connectional ministry. We are excited to have Faith Ministries Outreach, New Springs UMC, and Annville UMC as our partners there. We look forward to expressing this partnership in both Kentucky and in the Mobile District, serving God alongside one another in both places.

The QuadW Missional Internship received 16 interns for work in the Mobile District in the summer of 2014. These interns came from around the country and included interns from African countries as well. Beginning in Mobile seven years

ago, the program has grown nationally. In the past two years, the program added sites in Montgomery, Pine Bluff (Arkansas), and Kansas City. Through partnerships with United Methodists around the country and through the support of a large "Young Clergy Initiative" grant, the program has added an additional four sites in 2015: Portland, OR; Little Rock, AR; Reading, PA; and Columbus, OH. Plans are being made for year-long mission experiences for young people as well as for international sites. We remain deeply grateful to the QuadW Foundation of Dallas Texas for their tremendous investment in this program, including the salary of the internship's director, stipends, and program expenses.

There is far too little space here to give adequate recognition of God's work through the pastors and laity of our district. We rejoice, though, in another year where God has been worshipped in spirit and in truth in each of our fifty-five churches, where new opportunities for worship have been added to reach new people for Christ, where the lost have been saved and baptized into the life of the church and where our children have been confirmed in the faith; where global mission trips have been taken by churches large and small, where ESL and literacy classes have been offered locally to improve the lives of others, where the hungry have been fed, the cold clothed, and the needs of our neighbors met to the best of our abilities; and where apportionments have been sacrificially paid to further the work of God throughout the Conference and throughout the world. Through the risk-taking obedience of United Methodists across the district, we continue to see his Kingdom expanded. We are reminded every day that God is faithful, and, that with him, nothing is impossible. So, we press on, prayerfully and in his sustaining strength, to live into the vision God has for us, to play our role in his amazing story, and to bring glory to his holy name.

Respectfully submitted,
Don Woolley, District Missioner
Doug Pennington, Superintendent

MONTGOMERY-OPELIKA

The Montgomery-Opelika District experienced a good year of growth in grace and ministry in the 2014-2015 Conference year. Some of the highlights are:

•We welcomed 1,032 new members into the churches of our District. Of these, 402 were received as new or restored members by profession of faith.

•We welcomed nine preachers into new appointments within our District. Each of them has done good work in their churches and contributed to the overall ministry of the District.

•Nine persons from the District entered candidacy for licensed or ordained ministry.

•Three persons were commissioned and three were ordained for vocational ministry.

•We created one new full-time appointment as the Campground and Rutledge churches joined to form a charge.

•We contributed $1,967,250 to Conference and District missional giving, which was an increase from 2013. Sixty-one of our eighty-four churches paid 100% of their missional giving apportionment.

•As of the date of this report, our churches have saved 17,510 lives through Imagine No Malaria, which is 97.3% of our goal of saving 18,000 lives. We are committed to saving at least 18,000 lives by the time Annual Conference meets.

•The Auburn, Troy, and Tuskegee University Wesley Foundations engaged over 400 students in regular worship, discipleship, local ministry, and missions.

•Alabama Rural Ministries grew in its ministries of home repair, child development, community development, and reconciliation in Macon and Sumter Counties.

•A District Leadership Incubator of lay and clergy was begun with nine persons committing to a year of living in covenant while seeking to discern the Lord's preferred future for our District.

•The District Core Team offered classes on *MissionInsite*, local missions, Wesleyan covenant groups, spiritual direction, and lay leadership at its Leadership Academy. Youth and youth leaders from the District also met for fellowship, worship and learning. Approximately 200 persons attended. Meanwhile, a number of churches benefitted from *The Wesleyan Way* and *Five Practices of Fruitful Congregations*, which were taught at last year's Leadership Academy.

These highlights emerged from the life and support of all the churches in our District. Space does not allow us to share the full extent of the good Christ is doing every day in and through the great people of the Montgomery/Opelika District. We give thanks for what has and will be done among us!

MONTGOMERY-PRATTVILLE

In the Montgomery-Prattville District, we celebrate a productive year where much progress was made in living out our mission of "Making Disciples of Jesus Christ for the Transformation of the World." The District CORE Team, then led by District Superintendent Dr. Philip McVay and now District Superintendent Rev. John Brooks, and Lay Leader David Bowen, submit the following as highlights of our District's ministry:

•We continue to support the work of River City Church in their fourth year as a restart. Rev. Tony McCullough and the congregation at River City continue to breathe new life into the downtown area of Montgomery. We continue also to support The Source – A New Community of Faith led by Reverends Elvyn and Bessie Hamilton. The Hamilton's are doing great work in establishing a new African-American congregation in our District.

•Our CORE Team held meetings on January 16, 2014 at Dalraida UMC in Montgomery, on April 3, 2014 at Perry Hill UMC in Montgomery, and on September 25, 2014 at Whitfield Memorial UMC in Montgomery. Our District Conference was held on November 23, 2014 at Trinity UMC in Prattville. The CORE Team appreciates the hospitality shown by all of our host churches.

•The District held a joint Annual Conference Orientation Session on May 18, 2014 with the Montgomery-Opelika District at Saint James UMC in Montgomery. We had an excellent turnout from both districts for this event. Our District continued to support the Children's Home by hosting our annual banquet in conjunction with the Montgomery-Opelika District on October 16, 2014 at Dalraida UMC. Both Saint •James and Dalraida did a wonderful job of hosting these events. We appreciate Dr. Robbins Sims, District Superintendent, and George Mingledorff, Lay Leader, of the Montgomery-Opelika District for their willingness to hold joint district events when possible.

•The District held our Local Church Academy in January 2014 and January 2015 at First UMC in Montgomery. We are grateful for Dr. Lawson Bryan and his staff for coordinating these events.

•Our District continued its strong involvement in Lay Servant Ministries this past year. The District held lay servant training on August 1-2, 2014 at Dalraida UMC. Over 50 participants from all districts in the conference took part in the training. The Basic Course was taught by Pat Caylor. Dr. Robbins Sims taught the new Polity course. Rev. Jackie Slaughter taught the Storytelling course and Dr. Chris Perry taught the Preaching course. We appreciate these fine presenters and special thanks to Jason Gregg and Rev. David McVay from Dalraida UMC for hosting this event.

•During 2014, the District had 46 local and certified lay speakers. Lay speakers filled the pulpits of 39 churches a total of 97 times. Lay servants also served throughout the year in nursing homes, schools, prison ministry and in many other ways. We especially appreciate the work of Helen Edwards from our District who serves as the Conference Director of Lay Servant Ministries and the Southeastern Jurisdiction.

•Our District continued the strong work of its United Methodist Women under the leadership of its president, Cathy Givan. We also saw a concentrated effort for a rejuvenation of United Methodist Men in our District under our new president, Michael Harris.

•In June 2014, we said goodbye to Dr. Philip McVay, who had faithfully served as our District Superintendent since July 1, 2009. On June 8, 2014, we honored Philip and Karen McVay with a reception at First UMC in Montgomery. This was a special time where members of our District could say could say good bye to the McVay's and express our love and appreciation for them. At this same event, we were delighted to welcome our new District Superintendent, Rev. John Brooks, and his wife Reda. We had a special time where the mantle was passed from Philip to John. We are excited about John's appointment to our District and we look forward to a fruitful ministry under his leadership. We are grateful for the District's Committee on District Superintendency and First UMC for hosting this special day.

•Our District again along with the Montgomery-Opelika District held a joint orientation and nomination session on February 8, 2015 at Aldersgate UMC as our districts separately endorsed members from our district for election to General Conference. We are delighted to endorse Susan Hunt from First UMC, Montgomery and Matt Langford from First UMC, Greenville from our District. Susan serves as the Conference Director of Mission and Advocacy and Matt serves as the Youth Director at Greenville. We appreciate Aldersgate hosting this event.

•Sixty-four percent of our District churches paid 100% of their apportionments last year. We continue to work with churches to bring that number up to 100% in the future.

•We had great participation in the Imagine No Malaria campaign. While not all of our churches and pastors participated, we are delighted to report that our District met 100% of its goal for funds raised for this important campaign.

We give thanks for the continued work of our District's Administrative Assistant, Ashley Epler, and for Tori Johnston, who served as our Communications Director. We share both of these ladies with the Montgomery-Opelika District. We are thankful for their hard work and dedication in moving our District forward.

John Brooks and David Bowen are co-writing this district summary. We continue to model this essential element of laity and clergy working in tandem together. David: I want to personally thank John for his wonderful leadership this past year. There are great things ahead for our District! John: I am grateful to Ashley and David for their support and direction. Thanks to our clergy and laity for their commitment to the connection; you are the reason we are effective district leaders. Thank you for the service you give to the United Methodist Church.

We look forward to the new conference year with new leadership developing and emerging both with our laity and our clergy.

Respectfully submitted,
Rev. John Brooks, District Superintendent

PENSACOLA

This has been a fruitful year for the Pensacola District, despite natural disasters which affected several of our 50 congregations. Here are some of the events which took place in 2014:

•In January, we hosted the Southeastern Jurisdiction College of Bishops, the SEJ Committee on Episcopacy, and the SEJ Association of Annual Conference Lay Leaders in Pensacola. It was a tremendous honor to have these leaders with us. District clergy and churches worked together to offer "radical" hospitality to our guests, providing opportunities for them to enjoy the area during their time with us.

•Meltdown, the annual youth retreat in Panama City Beach, was attended by 1153 youth and adults in late January. It was a great time of faith, fun and fellowship. We are grateful to the dedicated team of youth directors and Wesley Foundation students who put this event on each year.

•The District's "Imagine No Malaria" campaign kicked off on Ash Wednesday and is continuing in our local churches. We are also developing a partnership with some of the churches in the Red Bird Missionary Conference. More locally, we are responding to aftermath of the devastating floods in Gulf Breeze and Pensacola in April 2014 and to the fire at Mt. Carmel UMC in May 2014.

•Our Lay Servant Ministry, United Methodist Women, and United Methodist Men continue to be strong witnesses in our district. We appreciate all the ways they and other laity serve God's kingdom.

•On July 22nd, the District held a welcoming event to kickoff the new conference year at Gonzalez UMC. Clergy, their families, SPR chairpersons and their spouses, local church lay leaders and their spouses, and members of our Pensacola District CORE Team were in attendance for a time to gather together for food and fellowship and to set the trajectory for the year in ministry together.

•Dr. Jim White served as the interim director of Pensacola United Methodist Community Ministries for most of this year. Rev. Robin Noble took over the helm of PUMCM on October 1st. We are thankful for their work and for the work of many churches and individuals who volunteer there.

•Our District Conference was held November 2nd at Navarre UMC. After the worship and business meeting, we had eight breakout sessions on topics such as "Using Social Media in Your Church" and "Becoming a Missional Church." Concurrent with the District Conference was FUSED, an event for over 400 youth at the Soundside Campus of Gulf Breeze UMC. This was also the site of our Clergy Christmas Party in December.

We are blessed to have Dr. Jeremy Pridgeon serving as our District Superintendent and are thankful for Mrs. Mary Hernandez, the Pensacola District Administrative

Assistant! We look forward to continued opportunities to worship, study, and serve together as we seek to bear witness to the love of Christ here on the Gulf Coast.

Pensacola District CORE Team

INTERIM REPORT
TASK FORCE ON THE WORK OF THE DISTRICTS
June 2015

During the 2014 Annual Conference session, members approved a motion *authorizing the bishop to form a Task Force at his discretion to further discern the restructuring of the district superintendent's role and the number of districts and superintendents required*. In response to this motion, Bishop Leeland appointed a task force of nine members: Rev. Jim Carpenter, Rev. Ed Glaize, Rev. David Hendrix, Mr. Frank Jenkins, Rev. Darren McClellan, Rev. Matt Mobley, Rev. Carolyn Nelson, Rev. Amy Persons-Parkes, and Dr. Shirley Woodie, Facilitator.

The task force was convened in an organizational meeting on February 12, 2015. Since that time, members have engaged in a discovery process, collecting and processing information needed to make informed recommendations to the annual conference. More specifically, the task force has reviewed the following:

- The responsibilities of district superintendents as specified in the 2012 *Book of Discipline*.
- A typical annual cycle of activities in which district superintendents in the AWFC participate.
- Training currently provided for district superintendents in the AWFC.
- Demographic information on the eight districts in the AWFC (examples: number of charges, number of churches, total membership, number of churches with average worship attendance of 50 or fewer, and number of appointed pastors).
- Demographic information from other conferences in the Southeastern Jurisdiction.
- Annual budgets and accounting procedures of seven of the eight districts in the AWFC.
- Estimated costs associated with establishing an additional district in the AWFC.
- Salaries of district superintendents in other conferences in the Southeastern Jurisdiction.
- The 2010 study published by the General Board of Higher Education and Ministry, entitled *The District Superintendent in the United Methodist Church*.

- Members' reflections on what constitutes fruitful leadership by district superintendents.
- Information from informal discussions regarding the role of the district superintendent and the district office with current and former district superintendents, district administrative assistants, laity, conference staff, and clergy in the AWFC.
- Information from informal discussions with district superintendents and conference staff in other conferences to assess the effects of changing the number of districts in those conferences.
- The proceedings of the 2004 called Annual Conference, which led to a reduction in districts in the AWFC from nine to eight.
- The findings of the 1998-1999 study on the role of the district superintendents in the AWFC.

The next goal of the task force is to obtain systematic and broad-based input from clergy and laity in the AWFC regarding the role of the district superintendents. To this end, the task force has developed an easy-to-complete online survey that will be sent by email within the next two weeks to clergy under appointment to a local church, lay leaders, PPRC/SPRC chairs, and chairs of Administrative Boards/Church Councils. The survey software program will tabulate responses in the aggregate; individual responses will be anonymous. Any member of annual conference who does not receive a survey and has a perspective he/she wishes to share should contact any member of the task force.

The Task Force on the Work of the Districts will complete its research and analysis over the next few months and present its findings and recommendations to the 2016 Annual Conference session.

CONFERENCE CORE TEAM/ CONNECTIONAL MINISTRIES

It is certainly a privilege to serve as the Director of Connectional Ministries for our Alabama-West Florida Conference. In partnership with the Bishop, Cabinet, and conference leadership, I serve as the steward of the vision of the annual conference and serve to lead the process of transformation. I also serve in aligning the resources of the annual conference with its vision and seek to ensure connections among the local, district, annual conference and general church ministries. I am most grateful for the honor of working with our very able and dedicated connectional ministries staff. They include Traci Herndon, Brittney Herndon, Dan Pezet, Susan Hunt, Martha Rovira, Sandy Gutting, Amelia Fletcher, and Fred and Laurel Blackwell. As Director of Connectional Ministries, I also serve as co-chair, along with Dr. Steve Furr, of the Conference Leadership Team, the CORE Team. The CORE Team, consisting of conference ministry leaders, at-large members, and representatives of the cabinet and conference staff, is seeking to nurture

disciples who make disciples by serving as a catalyst regarding movement toward generating healthy and fruitful ministries related to the annual conference. We are team oriented and process driven using the SEND model, our conference ministry model, for the fulfillment of our mission of making disciples of Jesus Christ for the transformation of the world.

In connectional ministries we serve as the centering point for all the ministries of the conference. We focus our efforts on seeking, engaging, nurturing, and deploying fruitful leaders and congregations who make disciples of Jesus Christ for the transformation of the world. We live out this mission around four (4) priorities: developing lay and clergy transformational leaders, creating new places for new people, cultivating the most vital, fruitful congregations, and embracing ministry with the poor.

The leader development priority is focused in the Academy for Congregational Excellence (ACE). Through its various ministries, ACE is seeking to develop effective leaders to help ensure fruitful churches, that lead to a transformed world.

Creating new places for new people is the second priority. Through this new church development emphasis we are seeking to extend our United Methodist gospel witness in places within our annual conference to reach out to the many unchurched people. We are seeking church planter leaders and partners, who focus on reaching new people for Christ. Our new church development emphasis includes a goal of planting a church with African American leadership for each church we plant with Anglo leadership (see Comprehensive Plan of Inclusiveness www.awfumc.org). This emphasis also includes continuing to plant new communities of faith in the growing Hispanic/Latino community.

The third priority of cultivating the most vital, fruitful congregations centers in the Antioch Project, a local church project to help churches engage a new life cycle of growth and outreach (http://www.awfumc.org/antiochproject). Nurturing disciples who make disciples is at the heart of the work of each local church. We believe that every church, regardless of its size, can be both invitational and missional. By representing radical hospitality and re-connecting with their communities (their mission field), local churches, as missionaries in their own zip codes, can move toward fulfilling their disciple making mission.

Embracing ministry with the poor is our fourth priority. Circles of Transformation is the center of our efforts to change the lives of individuals and families, ultimately breaking the cycle of poverty and transforming all involved in the Circles of Transformation process. We currently have six Circles of Transformation sites across our conference.

There are many other ministries in which we are engaged as an annual conference. Thanks so much to all the ministry leaders who work diligently and faithfully on behalf of Christ and the church. Through these various ministries, we are continuing to foster our partnership with the Red Bird Missionary Conference

and work in disaster recovery related to the April 2014 floods along the Florida/ Alabama coast.

Also, we have joined the efforts of our United Methodist Church across the world to eliminate deaths from malaria. Through the Imagine No Malaria Campaign, we have saved 77,000 lives (as of the printing of this brochure) with a goal of saving 100,000. Our hope is that by the conclusion of annual conference this year we will be able to announce the meeting of our goal.

Again, my deep gratitude to our connectional ministries staff, and all who lead our conference boards, agencies, and ministries, as together we seek to faithfully serve Christ and his church.

Jesus gave us a vision for His church which is found in the sixteenth chapter of Matthew's Gospel. In speaking with His disciples, Jesus said to Peter (verse 18, The Message), "You are Peter, a rock. This is the rock on which I will put together my church, a church so expansive with energy that not even the gates of Hell will be able to keep it out." This is the church, I believe, we are called to be in this our day and our time. One that is a living organism, a dynamic outreach movement, focused on going where people are, building the body of Christ, starting new faith communities, crossing those diverse, cultural and ethnic barriers, remembering that we are "sent" people who are commissioned to "go" and make disciples. What a great opportunity we have to be the church Jesus envisioned, one so expansive with the authentic, life-giving, grace-filled, love-centered spirit of God, that nothing, not even the gates of Hell can keep it out.

ACADEMY FOR CONGREGATIONAL EXCELLENCE (ACE)

The Academy for Congregational Excellence (ACE) is a ministry arm of the Alabama West Florida Conference that has as its vision: *Effective Leaders, Fruitful Congregations, and a Transformed World*. ACE, as it is known, is affecting the level of leadership across the Conference in many ways by providing environments and opportunities where spiritual leaders can be Discovered, Developed, and Deployed.

This year, we aligned our Becoming a More Effective Leader Course offerings with the Conference year rather than the calendar year. We believe that this will help prevent interruptions in participation due to moves at Annual Conference, and provide the months of June and July for transitions. Thirty-nine persons registered for the Course this year, which meets one Thursday per month from 10-2, with

lunch provided. The cost is only $150 per person for the 10 month Course. We are grateful to Frazer Memorial UMC for providing the space and preparing the meals for each meeting.

Outstanding leadership is provided on a huge variety of topics that were chosen from a survey taken from pastors across the Conference. The leader of each session donates his/her time, and provides priceless insight on each topic. The teachers provide or offer books, handouts, etc. to allow the learning to continue. Discussion around the tables creates community, and participants learn from each other as well. This year, we had pastors bring staff persons with them, some laity, so that they could learn together and take their learning back to the local churches as a team. We hope this practice will become more the norm than the exception.

The Academy for Ministry with Children is also under the ACE umbrella. This is a wonderful ministry that spreads over a 2 year period, and trains people to be more effective leaders in developing ministries with children. Pam Barnhart is the coordinator for this valuable ministry, and info can be found on our new website at www.awface.org. This site is designed to be for leaders, clergy and laity, in terms of links, articles, gift inventories, etc. Please use it, and offer us suggestions about possible links and subjects. Make this YOUR Website.

We will begin a fresh launch of the Body & Soul ministries across the conference in the fall of 2015. This offering will be built around physical, spiritual, and emotional health of the participants. They will have the benefit of a personal coach/trainer as well as a counselor to lead them through the quarterly sessions. Several districts will host this ministry opportunity that is designed to make the ministry of ACE more "portable".

In addition, ACE partners with the Missional ministries of the church, such as Catapult, in providing inspiration and information in terms of becoming a more "externally-focused church." We realize that we have been called as leaders, to "go" and make disciples. Therefore, there is a need to become more intentional and efficient at reaching those who have not yet been reached for Christ. This can be through events, need-meeting ministries, and relational evangelism which are all means of engaging those around us.

ACE wants to serve the Alabama-West Florida Conference by helping develop spiritual leaders in our strategically located local churches all across the Conference. We would like to hear from you concerning needs you have. Rev. Ron Ball, Director of ACE, is available to come to your church or district to provide consultation or speak to your congregations. Other resources will be made available as we move forward. Currently, we are considering preaching classes, special events, how to put together a ministry system for your local church, and connections for leader training for local church team members.

Also, we would appreciate your support through prayer, participation in our offerings, and through giving your time, gifts, and resources. Together, we can and will make a difference.

Respectfully submitted,
Rev. Ron Ball, Director
Academy for Congregational Excellence

DISASTER RESPONSE and RECOVERY MINISTRY

The direction of the Response and Recovery Ministry for 2014/15 has been three fold: preparedness; response within our Conference to the tornado and flood events and response to our sister conferences in Mississippi and North Alabama; recovery in the Panhandle from severe flooding in April.

The Districts have worked toward preparedness with trainings and by attending regional workshops provided by UMCOR and the Southeastern Jurisdiction of UMVIM. The Alabama-West Florida Conference maintains state level contacts through the Alabama and Florida State VOADs (Volunteer Organizations Active in Disaster) as well as national conversation with NVOAD. Currently, the Alabama West Florida Conference Disaster Recovery Ministry remains in recovery in three districts: Baypines, Pensacola, and Marianna/Panama City.

Report of Recovery Efforts for Panhandle Flooding
Response: After 21 inches of rainfall in a 24-hour period, local churches began the assessment and aid for neighbors and local communities. The open doors of our churches provided meals, information, and headquarters for agencies, volunteers, and community organizations. In the Baypines District, Marlow Church served as the hub of response and in the Pensacola District Gulf Breeze UMC served as a location for multi-level service projects. 2000 UMCOR cleaning buckets were delivered to the impacted areas along the Panhandle. Thousands of volunteers helped families salvage and muck out homes. Strong Conference, District, and local leadership made response to an unexpected disaster a coordinated effort. UMCOR provided expertise and funding early in the response and has maintained a strong connection to our recovery efforts.

Recovery: Three UMCOR recovery grants have made the long term work in Alabama and West Florida possible and is much appreciated. An initial emergency grant was used for relief supplies. Long term grants (18 months) in Baldwin County and for three Florida counties have supplied a staff and construction funds. A full time staff of six: coordinator, construction manager, volunteer manager, and three case workers serve the Florida recovery. A part time staff of coordinator and a volunteer/resources manager worked in Alabama until March 1, 2015.

The recovery team presented our model of recovery operations to the Southeastern Jurisdiction Disaster Academy held in Biloxi, Mississippi in February.

A full report of the recovery efforts will be posted on the Conference website.

Goals for 2015
The continuation of training and preparedness is central to our future responses. New leadership and participation in the districts will require team-building and refreshing of plans and strategies. Updating of the conference plan is necessary at this point and will be a primary project this year as the landscape of response and recovery both locally and nationally is ever-changing.

Preparedness and Response to the many natural disasters that occur within our conference and region is an opportunity to serve and love our neighbor. Many thanks go to the hundreds of hours offered as volunteers share the love of Christ and to the Conference leadership who support the goals of this important ministry.

THE ARK

The Ark has continued our transformation in 2014, and we are eagerly awaiting all the great things God has in store for us in 2015! Executive Director Misty Hicks did a wonderful job of leading the team at The Ark. We had a great year full of changes—not only to our facilities, but also to programming!

Through the partnership with countless people in our community and beyond, we were able to make huge strides in the crucial renovations to our property. Many groups from all over the US have donated materials, and several groups travelled to help with the labor.

In April, Woodlawn UMC sponsored a month-long renovation of the property called Life-Server. Over 300 volunteers worked on projects to improve each of our facilities. Because of their generosity and skilled labor, we were able to complete over $100,000 worth of work at practically no cost to us! The external improvements attracted the community and led to additional volunteer opportunities.

Our transitional living program continues to grow and improve. On average, we have 18 residents working toward reaching their educational, vocational, and personal goals. We have great successes this year including employment opportunities, special skills training, and even a marriage! Our residents are working hard to improve their situation through God's help and the generosity of our community.

We housed approximately 60 international students that participated the Summer Work Travel Program in 2014. Emily Austin has come from University of Florida to complete an internship at The Ark, and she is helping make preparations for students to return this spring. These students are particularly vulnerable to sex and labor trafficking, so our facilities provide a safe and affordable environment. We are in the middle of a fundraising campaign to renovate our dorms with upgraded bunks and storage. Once these renovations are complete, we will be able to house approximately 200 students across the spring and summer seasons.

In November, we competed renovations on our coffee shop. The Pour is a craft coffee shop, which offers a wide variety of handcrafted drinks and treats. The Pour has already been a great way for us to reach the community, and is poised to raise a lot of awareness in 2015. We have opportunities to facilitate fundraisers, host events, and advocate for change. People are excited about the new work we are doing, and we have already begun receiving support from the neighborhood.

In January 2015, Katie Winton assumed the position of Executive Director, and Evelyn Willis became Director of Transitional Housing. We are excited about the changes for the coming year, and anticipate the great things God has in store for this ministry.

WESLEY HEIRS

Wesley Heirs is composed of Retired Pastors and Spouses of the annual conference. It is open to all pastors and spouses and is an opportunity for all to have fellowship, fun and inspiration.

Wesley Heirs meets at Blue Lake twice each year, namely, the second Tuesday and Wednesday of the months of March and October. We also have a luncheon meeting on the Monday of Annual Conference following the morning session. We publish two editions of the newsletter each year available by email and for those who do

not use email by regular mail. We urge everyone to keep in touch with one another and offer prayers of concern and fellowship with one another.

At each of our two meetings at Blue Lake, we have a Memorial Service to honor and remember pastors and spouses who have died since our last meeting. We light a candle as we remember each person and have a message of encouragement brought by one of our conference pastors. This year we were blessed by the Rev. Rural Ausley at the Fall meeting and Dr. Lawson Bryan at the Spring meeting. We enjoy a Communion service led by one of our group early each Wednesday morning. We enjoy free time, table games, special programs and good food and refreshments.

Our special project is to help financially with the Sunshine Camp and the Discovery Camp, both of which meet at Blue Lake. The reports from these outreach projects always warms our hearts.

We have a special place for each retiree and spouse and give you a warm welcome to join in this fellowship. If you have experienced the death of your mate, you will be welcomed in this caring fellowship.

LEADERSHIP TEAM REPORTS

Board of Higher Education and Campus Ministry (BHECM)

In many places throughout the United States campus ministry is suffering. Economic pressures and changing priorities have caused many Annual Conferences to close Wesley Foundations, scale back ministry, and shrink away from the vital mission field of the colleges and universities in our country. I'm proud to say that the Alabama-West Florida Conference is not following this national trend, and instead is moving forward with a high level of commitment to advance the cause of Christ in our seven Wesley Foundations and two United Methodist Related Colleges. We recall that the Methodist movement began on a college campus as John and Charles Wesley gathered the Holy Club at Oxford, and believe that the future of Methodism, in many ways, will be ensured by our efforts to reach people for Christ on our college campuses today.

Pending the final approval of the Local Board of the University of West Florida Wesley Foundation and Pensacola State College, our UWF/PSC unit will be full-time beginning July 1st 2015. For decades we've maintained a part-time Wesley Foundation Director ministering to UWF and PSC, and through the years this Wesley Foundation has grown to be one of our strongest units. The BHECM budgeted additional funds in 2015 to support this new full-time endeavor. With the support of the UWF/PSC Board, the Pensacola and Marianna/Panama City

Districts, and the support of the churches and people in and around Pensacola, this move to full-time will be successful.

The Tuskegee Wesley Foundation is undergoing transition. We learned in February of 2015 that Rev. Sheila Bates would be appointed to serve in the Campus Ministry division of the General Board of Higher Education and Ministry. We are grateful for the tremendous work that Rev. Bates has done in her time at Tuskegee, helping it grow to be one of our largest, most active Wesley Foundations. It is no surprise that she was tapped to help resource Wesley Foundations around our connection in her new post. The BHECM is supporting the Tuskegee Wesley Foundation Board in its efforts to identify a new director.

The BHECM is also excited about the ministry of Rev. Woods Lisenby who was appointed to serve as Huntingdon College's chaplain last year. Rev. Lisenby has energized the campus ministries of Huntingdon and made key changes to the campus ministry program that have been very fruitful. His enthusiasm for Christ and President Cam West's steady leadership continues to position Huntingdon as a true College of our Church.

Ministry in our other Wesley Foundations and at Birmingham-Southern College is outstanding. Please take time to read the detailed reports of each Wesley Foundation and both colleges within our report. Highlights include: Auburn Wesley Foundation's great success in reaching students and their work in the Auburn Wesley Parrish, ASU Wesley Foundation's outstanding campus outreach, the dynamic growing ministry at the University of West Alabama, the growth and energy of our Troy University Wesley Foundation, and the impact of the University of South Alabama Wesley Foundation is having on campus and in the greater Mobile Bay area.

The BHECM is grateful for the policies of the Conference which: provide for the direct bill for Wesley Foundations with an appointed clergy person, and include prior claim amounts to support the salaries of our Wesley Foundation directors.

This stalwart support for Campus Ministry has helped make the Alabama-West Florida Conference one of the leading Conferences in the world when it comes to Higher Education and Campus Ministry.

Respectfully Submitted,

Rev. Dr. Rob Couch, Chair
Board of Higher Education and Campus Ministry

General Board of Higher Education and Ministry (GBHEM)

Greetings from the General Board of Higher Education and Ministry! In 2014 and 2015, GBHEM staff has been busy with a number of initiatives assigned to the Board by the 2012 General Conference, including the **Young Clergy Initiative** and

the **Central Conference Theological Education Fund**. Here are some of the ways GBHEM has been working to resource our church:

•GBHEM continues to train Group Candidacy Mentors, and Conference Board of Ordained Ministry (BOM) members, BOM staff, District Committee on Ministry members, and District Superintendents on ministry legislation and best practices for navigating the ordination process with new candidates.

•Work continues on the **Young Clergy Initiative (YCI)**. Forty-six YCI grants were awarded during the second round of applications in August 2014, bringing the total amount awarded to $5.5 million. The grants support programs geared toward increasing the number of young clergy in the UMC and supporting young clergy already serving the denomination.

•The **Commission on Central Conference Theological Education** continues to distribute the $5 million fund for theological education in Africa, Europe, and the Philippines. So far, the commission has awarded 130 grants to fund training for local pastors, faculty development, provision of e-readers, curriculum development, and libraries at theological schools across 22 countries.

•**Africa University** continues to graduate scholars who are changing the face of Africa. The $50 million Endowment Campaign, a fundraising plan to ensure Africa University's financial independence, is well underway. Contribute online to Africa University at the new giving website, support-africauniversity.org.

•More than 680 college students, campus ministers, and chaplains attended **Imagine What's NEXT** last fall, an event which focused on helping students plan how they can be active in God's dreams for their communities and the world.

•For the 2014-2015 academic year, GBHEM's Office of **Loans and Scholarships** awarded 2,293 recipients a total of over $5 million. Explore all scholarship opportunities within the UMC using the scholarship portal at scholarship.umc.org.

•Registration is open now for **Exploration 2015**, a three-day event where young adults ages 18-26 ages come to hear, discern, and respond to God's call to ordained ministry in The United Methodist Church. This year's event will be held in Orlando, FL, November 6–8. Read more or register at gbhem.org/exploration and follow @explorecalling on Twitter for updates.

•Technology enables us to make our training resources more readily available to the church. The **UMC Cyber Campus** provides free video training sessions and lectures, as well as an online listing of continuing education courses, at umccybercampus.com.

•GBHEM and Discipleship Ministries continue to expand the **E-Reader Project**, a simple, sustainable, and cost-effective way for theology schools in remote areas of Africa and Asia to access current textbooks. Through financial support from annual

conferences, local churches, universities, and individual donors like you, we're making theological education available to more people in more places than even before. Learn more or donate at umcereader.org.

Birmingham-Southern College

As annual conference opens, General Charles Krulak will say goodbye to Birmingham-Southern College as he retires after four brilliant years as president.

"Speaking on behalf of the entire college community, we are deeply and eternally grateful for General Krulak's transformational leadership. After four years of service as president, the General will certainly 'graduate with the highest honors.' His positive and lasting impact on this College is profound; his contributions here will be remembered, respected and honored. General Krulak has brought enormous energy to the Hilltop and inspired us all with his commitment to the students and the institution's mission. He has made a permanent mark here at Birmingham-Southern." ~Bruce Rogers, BSC Board Chair

Since Krulak took the helm at BSC in 2011, the college has:
•Grown its endowment, reduced its debt, and operated under balanced budgets for three years running
•Refocused on its historical strength of experiential education, launching the rise3 initiative, which gives every student opportunities for collaborative research, internships, and service-learning
•Reinforced ties with the Methodist church
•Completed its 10 year reaccreditation review and embarked on a strategic planning process
•Received more than $40 million in gifts and pledges
•Been annually honored as one of 40 schools included in the 2013 edition of 40 Colleges that Change Lives and kept the student at the center of the institution

Krulak has also been honored for his service to the local community, including receiving the inaugural Vulcan Newcomer Award. He and his wife, Zandi, will remain active in the Birmingham community after his retirement. Krulak will also continue to support the college.

The college has announced the **Campaign for Excellence** which offers BSC alumni, students, parents, faculty, staff, and other supporters the opportunity to salute Krulak, who announced late in 2014 that he will step down as president of the college June 1, 2015. The campaign has set a goal of raising $9.85 million that will fund scholarships, support programs and faculty, and go toward other college initiatives.

The College continues to honor the tradition of academics and faith informing each other. In Religious Life small groups, worship, student engagement with the UMC, speakers and loafing programs, and service to the community. The familiar and beloved quote - - *The place God calls you to is the place where your deep gladness*

and the world's deep hunger meet." Frederick Buechner, Wishful Thinking: A Theological ABC - - is often shared across the campus. It reflects the many ways academics, service, and spiritual growth intersect for students, faculty, and staff.

As a Hess Fellow at the General Board of Church and Society, Lindsay Sheets ('15) joined her faith and call to medicine by working with the department of Women's and Children's Advocacy and Organizing "to contribute to the ongoing initiative of HIV/AIDS." Her work is reflected in *Season for Change* a four-week downloadable Advent study on HIV/AIDS that was used across the church, and is available at www.umc-gbcs.org.

Maggie Ward ('16) coordinated BSC's Veto the 'Squito campaign to support North Alabama Conference's " *Imagine No Malaria*" project. The BSC team of UMC scholarship recipients showed two films – *A Killer in the Dark and Mary and Martha* - with discussion, personalized donor cards to honor and memorialize family, friends or classmates, sold tee shirts and engaged UMC youth groups at basketball games in education about malaria. The campaign "purchased" 522 nets.

Students continue to serve the community in great number and with great appreciation for our neighbors. Volunteers are often found at McCoy Adult Day Care, Urban Kids, and West End Community Garden. Volunteers and interns serve at East Lake UMC's P.E.E.R. program, Family Promise, First Light Women's Shelter, and tutoring programs in various places of the city. Canterbury's Stop Hunger Now meal packing event and Glen Addie's Community Table were special places to connect to the church and community, and serve Christ in the world.

Depending on the weather, students serve hot coffee or cold water every Thursday morning at Church of the Reconciler. Depending on the season, students can be found composting, turning soil or harvesting at West End Community Garden.

Alternative Spring Break took students and staff to New Orleans to continue the efforts there to rebuild homes and communities. Chaplain Jack Hinnen and Bunting Center's Emily Thornton met with the group for weeks exploring 'volun-tourism' and concepts of selfless service, packing their own tools and joining in the build.

Dr. Larry Brasher, emeritus professor of Religion, serves the conference by teaching in local churches, advising and inspiring students, promoting United Methodist graduate programs and seminaries, and nurturing the discernment process for ministry students. Dr. Brasher, retired after 15 years, continues to teach one class each semester and encourage students to connect faith and environmental studies. He delivered the address at Baccalaureate in May.

The wisdom, laughter, and expectation of Bishop Robert C. Morgan continues to be felt on campus, and as you look across the conference floor at the faces of young clergy you will see so many he nurtured in theology, church history, New Testament, and vocational discernment.

We encourage you to visit www.bsc.edu for more student stories, academic accolades, community programs and projects, and information about your college. To ask a question or recommend a student, see Rev. Jack Hinnen, Chaplain, Laura Sisson, Director of Church Relations, or any Blue Team member!

Huntingdon College

Huntingdon College opened academic year 2014-2015 celebrating its designation by The Chronicle of Higher Education as one of the "20 Fastest Growing Private Four-Year Colleges in the Nation" since 2002, and, specifically, the "Fastest Growing Private Four-Year College in the Deep South!" The College's enrollment grew from a 595 students in Fall, 2002, to 1160 students in Fall, 2014, an increase of 95 per cent in 12 years!!

To mark this milestone, Huntingdon will formally dedicate its 10 acre Cloverdale Campus -- immediately adjacent to the main campus -- on November 9, 2015. Formerly the site of the old Cloverdale Junior High School and purchased in the early 2000's with gifts from Trustees and other friends of the College, the Cloverdale Campus features new and renovated facilities housing Charles Lee Field, W. James Samford, Jr. Stadium, the Dr. Laurie Jean Weil Center for Teacher Education and Human Performance, the Will and Kelly Wilson Community and Athletic Center, the Leo J. Drum, Jr. Theater, the Huntingdon Intercollegiate Wrestling Center, the Samaritan Counseling Center, the Alabama Independent School Association, and Pro-Impact Physical Therapy and Sports Performance. Over the last year, the College has also initiated major renovations to Jackson Home -- which houses the College's Religion Department and the Phyllis Gunter Snyder Center for Campus Ministries -- and Sybil Smith Hall. The renovations to Sybil Smith Hall, home of the College's Music Department and Band and Choral programs, are being funded primarily by the Sybil Smith Trust of Mobile in memory of longtime United Methodist philanthropist Sybil Smith Lebherz, and by other friends of the arts in the Montgomery area.

The College's Religion Department, with seven faculty committed to the Church's ministry of teaching and spiritual formation, is celebrating the upcoming matriculation of six members of the Huntingdon Class of 2015 into theological studies at Asbury Theological Seminary, Candler School of Theology at Emory University, and The Divinity School of Duke University. Five of these six students received full tuition merit scholarships. Five are committed to parish ministry, and one is exploring a vocation in law and social justice within the context of the Church's ministry.

As President of the College and an elder of the Church, I consider the identification, recruitment and nurture of outstanding young men and women into the Church's

ministry to be among my highest vocational priorities. Each academic year, I sponsor an "Asbury Luncheon," a "Candler Luncheon," and a "Duke Luncheon" in my office. At each of these luncheons, a school representative sits with me and with faculty and students to talk about call to ministry and about the opportunities for vocational preparation at his/her school respectively. Over the years, I have seen many students move from an interest in ministry to a serious commitment to explore ministry through visits to the various theological schools and ongoing conversation with their faculty and with Huntingdon's Religion faculty around issues of ministerial call. Nothing we do at Huntingdon is more important! I am grateful to Chaplain Woods Lisenby for joining this effort in his first year of service as Chaplain of the College, particularly through his leadership of on-site visits to each of these schools during fall semester.

For many years, United Methodist laypeople throughout Alabama and Northwest Florida have talked about the importance of Huntingdon's ministry in "the old days" through the annual summer Senior High Assembly held on the Huntingdon campus. Many clergy and lay leaders were shaped spiritually for lives of service in the United Methodist Church through their participation in the mid-20th Century in this program. Now, with coordinated sponsorship through the Chaplain's Office, the Religion Department, the Office of College and Alumni Relations, and the President's Office, a senior high assembly for the 21st Century will be offered June 11-12, 2015, as the Huntingdon Leadership Academy! Pastors and youth pastors in the Alabama - West Florida and North Alabama Conferences are invited to participate in the identification and building of future church leaders by sponsoring up to four rising high school juniors and seniors to participate in the Academy. The nominal cost of $50 per participant covers meals, overnight lodging on campus, class sessions and recreational activities.

Who should attend the Huntingdon Leadership Academy? Students who have the gifts and graces for ministry of any sort -- whether as deacons or elders, missionaries, music ministers, children's or youth pastors, worship leaders, or lay leaders -- will all find an atmosphere of hospitality to advance their discernment of God's call for who they should be and what they should do with their lives. Huntingdon Religion faculty, Huntingdon College Chaplain Woods Lisenby, and United Methodist pastors will serve as the Academy's faculty. Topics for presentation and discussion will include: "Priesthood and Prophets," "The Ones We Follow," "All Are Called," "Serve for a Living," "Christian Leaders in a Secular Age," "The Communion of Saints," "Gospels in the 21st Century," and "Belief in Action." The Academy's worship team will be led by Chaplain Lisenby. For more information about the Huntingdon Leadership Academy, contact Chaplain Woods Lisenby at 334/833-4474 or woods.lisenby@hawks.huntingdon.edu, and visit the Academy's website at www.huntingdon.edu/huntingdon-leadership-academy.

As I complete my 38th year of ordained ministry under episcopal appointment, and 12 years of appointment as President of Huntingdon College, I continue to thank God for calling me into the Church's leadership and more specifically now into the

ministry of Christian higher education. The mission of a United Methodist college is most properly directed toward the fulfillment of one of the denomination's four areas of focus, namely, "Developing Principled Christian Leaders." At Huntingdon, we remain committed to offering the half-tuition Cross and Flame Grant to all United Methodist students, renewable through graduation, as a partner with local congregations in this ministry focus. All apportionment offerings received by Huntingdon from the Alabama - West Florida and North Alabama Conferences are used to help fund this scholarship program.

As we affirm in our denominational focus statement on leadership development, so we embrace as the heart of the mission of Huntingdon College: "The church needs leaders rooted in Christ, who have a vision for changing the world. Today's young people have fearless hearts, vibrant ideas and a passion for ministry. Their talents should be nurtured to shape the church's path into the future. The church must recruit young people -- including women and people of color the world over -- for ministry, equip them to be effective leaders and be open to where they want to lead us. We also must strengthen lay members, who are ministering at every level of the church." Amen and Amen!

WESLEY FOUNDATIONS

The Wesley Foundation at Alabama State University

Campus ministry is my true passion. As a campus minister I am able to give voice to the social challenges that often go unaddressed in many religious communities. During my time as Campus Minister of the Wesley Foundation at Alabama State University, I have had the opportunity to provide theological and spiritual guidance to students who otherwise might not engage in a religious institutional setting.

This past year marked several milestones within our society that were significant to the Civil Rights Movement in our country such as the 50th Anniversary of the March on Selma (Bloody Sunday), 50th Anniversary of the Birmingham Church Bombing and the 50th Anniversary of the Freedom Summer Events in Mississippi. This year we will celebrate one of the most monumental accomplishments in American history, the 50th Anniversary of the Voting Rights Act. In order to truly embrace our past, we must solicit the involvement of our young adults, who at the prime of their lives would have been the same age as many of the diverse activist who willingly gave up their lives and sacrificed their youth for the sake of others. The Wesley Foundation at ASU had an opportunity in the past year to commemorate several milestones in our history through discipleship and service. In September, a group of students participated in our Freedom Ride to Mississippi Service Retreat where we were hosted by Lynch Street CME, which orchestrated several events and activities for us to attend. During this time, our students were able to attend a Civil Rights leadership panel discussion on race and religion,

help to refurbish a newly renovated youth community center and fellowshipped with the students of the Jacksonville State University's Wesley Foundation. This was truly a wonderful opportunity to connect our students with their past while pursuing a brighter future, given the present political upheaval located in many communities in our nation. Another significant milestone in last year's past events was our student's involvement with St. Paul UMC. Over the past three years, our students have participated in several services with this ministry assisting in worship and engaging in fellowship. It was an honor to worship in a space that provided spiritual refuge for the Alabama State University family for over 100 years. Our students were delighted to share in a part of history that is so significant to the ASU and Montgomery legacy.

It is truly a blessing to see the partnerships that come out of living the "Dream" this year in Montgomery, Alabama. As a result, several of our students participated in internships in local churches within our conference that exposed them to cultures and worship traditions other than their own. This was truly a wonderful way to link our students with the world around them so that they are able to see God's activity in the world as we continue to evolve and transform our society.

In closing, as our organization continues to provide innovative activities and programs in addition to weekly bible study and worship services, it is our desire to keep ministry meaningful and relevant in the lives of our young adults through worship, discipleship, service and fellowship. We thank you for your continued support and look forward to serving and worshiping with you in the near future.

Progressive Love,
Min. Charity C. Starr, Director

Troy University Wesley Foundation

The vision of the Troy University Wesley Foundation is to fully experience God's love and to reflect God's love to all creation.

The mission of the Troy University Wesley Foundation is to fully express God's love by providing a safe community for all students. The mission assists to introduce or maintain Christianity as a priority for undergraduate and graduate students.

Program Ministry

The Troy Wesley Foundation helps students to experience God's love in community with each other throughout the week. For the last decade, Thursday night dinner has been a signature weekly event at the Troy Wesley. Through this fellowship dinner, we share the love of Christ with students and staff. Local churches or other groups make meals for students to enjoy. This dinner is offered to all students and staff on campus free of charge and is often the way new students become active at the Troy Wesley. We believe that in this space students, some of whom are not Christians, are able to see the living Christ. One way they experience this is through student led devotion and prayer time each week. As they become more active in the Wesley, they are able to experience the love of Christ through Bible studies, worship services, and more. They are able to live out Christ's mission to their local community through local and international missions. In the often lonely years of college, students are able to be part of an amazing community that is centered in love and mission of Jesus Christ.

We have also started a Bible Study& Worship on Wednesday nights where we serve the sacrament of Holy Communion. In the fall we go through a book of the Bible in a verse by verse study. In the spring our conversations are more topical. This semester we will be talking about Jesus vs Religion, The UM understanding of the Holy Spirit, How to pray when we doubt that God will answer, and Being a Christian while living with depression and anxiety to name a few. We also have local people scheduled to come in and share their testimonies. We are blessed to have a student led worship band that leads us in worship every week. We have grown numerically but more importantly, our students are growing spiritually. They are asking hard questions and studying to find those answers.

Our student leaders facilitate small groups and prayer groups. We have 5 of those groups currently running.

Missions

The Troy Wesley students are very involved in serving others through **mission work** on campus and far from home. We keep our eyes opened for ways to serve our local area.

Stewardship

Students continually found ways in the last year to work together to best utilize

their God-given gifts. Students planned fellowship and outreach events, completed service projects, cooked meals, provided worship music, led small groups, made relationships, and fundraised to support the Troy Wesley. We parked cars at football games. Our ninth annual golf tournament took place in the spring at the Troy Country Club. Our board of directors got really involved in fundraising in the last year as well. They are now excited to be holding their "Taste of Heaven" fundraiser each fall. "Taste of Heaven" brings in the best cooks from the neighboring churches as they compete for the best recipe. This is not only a fundraiser but a way that local churches have been able to fellowship together and rally around the Wesley. As they give, people are asked to pray for the Wesley Foundation that we are continuing to make disciples of Jesus Christ for the transformation of the World.

What our students are saying

"The Wesley is a family of non-judgment that wants the same thing for me that I want for them – to help grow their relationship with the Lord."

"The Wesley has offered me a time to have my questions answered or simply hear from other people about Christ. I feel as if I'm getting to a stage in my life where I want to learn more than just the simple bible stories and the Wesley is offering me that opportunity."

"The Wesley has strengthened my faith mostly by holding me accountable. In college it is very easy to be led astray by involvement in different organizations and with different people. The Wesley has provided me with a place to go to regroup myself and remember the ultimate goal of why I'm in school."

"The Wesley means so much to me. It has provided me with a place I really like coming to and where I feel at home and where I get a chance to serve."

"The Wesley has strengthened my faith by giving me a place where I can not only attend and be poured into by others but I can also contribute and pour into others. The Wesley provides me with an opportunity to help and lead."

Thank you for the opportunity to serve the students and staff of Troy University. Our presence on campus positively impacts the lives of many young people as we strive to reflect God's love to all creation. Please keep us in your prayers as we continue our ministry at Troy University.

To me the Wesley Foundation means we continue John Wesley's ministry through discipleship and being on fire for God. Wesley encourages, educates, and empowers students to serve on our campuses and within the community at-large. It is a

sacred place where we are fed and fueled for the rest of the week. It is a wonderful place for spiritual growth, development, and inspiration. I believe the Wesley gives us a great opportunity to stay connected to a body of believers and make friendships that will last a lifetime.

University of South Alabama Wesley Foundation

The University of South Alabama Wesley Foundation offers refuge to college students, but we also equip those students to go out and serve. We are helping to shape the next leaders of our church. The South Wesley exists to connect college students to the abundant life found in Jesus Christ. We do this by helping students GROW their faith in Christ, CONNECT with other students in Christian fellowship, and SERVE their neighbors in response to the love of Christ.

Grow

Wesley helps students grow their faith through Bible studies, worship services and small groups. Our weekly flagship event is our Tuesday Night Bible Study. At this event we connect with God through a variety of things like scripture, prayer, discussion, sermons, conversations and reflective exercises. We spent the entire previous semester discussing The Beatitudes. We also offer students accountability and encouragement groups. These are groups that get together regularly to keep each each other accountable to growing in their faith and serving Christ. On Thursdays, Wesley also has a time of Worship and Prayer. This is a time (in addition to Sunday mornings) where students can worship God together. This is a still new thing for us, so we are excited to see what God continues to do through it.

Connect

If students are to remain or become Christians in college, then fellowship is vital! Some of the fellowship events we do are: tailgating, game nights, weekly dinners, etc. Intramural teams (The Wesley Whistle Pigs) are also a lot of fun and a chance for our students to be Christlike examples on campus. We also actively engage other students on campus through outreach. Our normal outreach involves setting up every month or so on campus for Wesley students to do things like pass out free drinks, pencils, and cookies, etc. These are the kinds of things that brighten the day of other students and sometimes start meaningful conversations about life and faith. We have a great asset for outreach and ministry in our building (for which we are very thankful). While fully utilizing it, we work hard on ways to do genuine and creative ministry outside of our building as well.

Serve
We believe in loving our neighbors. We strive for students to be in mission wherever they are. We want mission to be who we are, not just something we do every now and then. We offer opportunities for students to get out of their normal comfort zones and experience God in different contexts. We do this through opportunities on the local, regional and international levels. Throughout year we will be working at UM (and other) agencies to love out neighbors here in Mobile. This Summer we will be assisting United Methodist Missionaries with their work in Costa Rica.

Collegiate Internship in Theology and Youth Ministry (C.I.T.Y.)
Finally, I should mention our C.I.T.Y. Program (Collegiate Internship in Theology and Youth Ministry). This is where we identify, equip, mentor, and place students who want to explore a potential call to ministry by serving in local churches as youth minister. This is the first year of the program and we currently have 4 students serving in 4 churches. I meet with this group for an hour twice a week to discuss practical advice and encourage them to grow spiritually through the process. It is proving to be an incredible experience! Churches are happy to have a competent youth leader (that they most likely would not have otherwise) and students are doing ministry and having their lives changes by the experience). It is such a blessing to all who are involved!

Board of Directors
USA Wesley has a healthy board that meets every other month. Along with normal board responsibilities, our board organizes two big fundraisers a year. One fundraiser is to help us with programming, the other with the mortgage on our building. We are very thankful to both, the Mobile and Baypines District Superintendents for their help with these fundraisers. We are incredibly blessed to have some great leadership on our board. I have board members checking in with the me and the ministry every week. My board is very helpful whenever needs arise. This board has worked very hard to reduce the amount of debt we have on our building, and to keep our finances in a healthy place. I am thankful to the board for their commitment to keeping this Wesley foundation financially healthy.

Finally, I want to mention that there is a new endowment set up through the UM Foundation that awards a Wesley leader a scholarship each year. This amazing opportunity was set up through our current board president, Jody Dunn and his family. This is very exciting for Wesley and we look forward to awarding a scholarship this summer. USA Wesley is thankful to the Conference and the Board of Higher Education and Campus Ministry for its continued support and investment in the church's future!

Peace,

University of West Alabama Wesley Foundation (UWA)

The University of West Alabama Wesley Foundation is the United Methodist College Campus Ministry located just off the UWA Campus in Livingston, Alabama.

Our 2014-15 theme verse continues to come from 1 Thessalonians 5:11, "Therefore, encourage one another and build each other up just as you are doing." This ministry is definitely encouraging as we live together, pray together, and share God's Word with each other daily. We are a 10-room residence facility along with the many activities offered to all students on the UWA Campus.

The UWA Wesley Foundation is an active, ongoing fellowship for all and all feel welcome at the Wesley 7 days a week.

Our signature event is "Mondays At the Wesley," that provides dinner and student-led Bible study and fellowship each and every Monday night during the school year at the Wesley Foundation. Approximately 30-35 students come each week for this main event. A local church or group from the Demopolis UMC District or Livingston Community has provided our meals each week, therefore, this event touches the lives of our students as well as helping the surrounding area see and feel all that God is doing at the Wesley. We have participated in one Campus Activity each month along with one Local Mission monthly. Our local missions have been Food Drives for the Sumter County DHR, "Coloring With Kids" in local schools, participating in the Sumter County Relay for Life and winning "Best Campus Team" award! We also collect pop tabs for the Ronald McDonald House and pennies for the Boys and Girls Club.

On Campus, we once again participated in the Homecoming Parade and received 2nd place Float Award, hosted a Campus Scavenger Hunt, hosted tables at the "Get On Board Day" and "Fall Preview Day," and attended one campus activity together each month. We also helped freshmen move into their dorms on "Move-In Day."

The Wesley began a new Student Food Pantry in August, 2014 in hopes to help those students going through difficult financial times. This food pantry has provided over 50 meals thus far and I believe will increase in awareness in 2015. Many lives are impacted through the ministries of the UWA Wesley Foundation … through giving the "gift of time" in our "Coloring With Kids" local mission, to every hand that receives a flyer and invitation to join us at our weekly "Mondays At the Wesley," to anyone who encouraged our participation in the Homecoming Parade, to the many volunteers who bring dinner each week to the Monday night students and Wesley residents, to the hungry souls fed through the Food Drives, and prayerfully, all students who come to experience the presence of God in and through the Wesley.

We thank the Alabama-West Florida Conference and churches within for your continued support of God's mission and ministry at the UWA Wesley Foundation.

Rev. Teresa Seevers, Director
UWA Wesley Foundation

University of West Florida and Pensacola State College

Highlights of this year:
1. There is a sense of excitement and joy as we make disciples and share in the love of Christ.
2. We hired Britany Toner as our Assistant Director.
3. We are now sending college students out in twos to serve in local churches as youth workers. We call them Wesley Mentors.
4. There is much discussion of bringing the Wesley Director position to full time.
5. We are partnering with the District Board of Missions as we discern the possibility of building a Wesley facility at UWF.

Basic structure: We meet every Monday night at 5:30 for a Bible based discussion. Thursday nights we meet at 9:00 for a more topical discussion. Each night our band plays and we worship, fellowship, and study what God is doing in our world. We do several mission projects such as Habitat for Humanity, and SIFAT. We participate in Connect which is our big campus ministry gathering for our conference. Our Wesley provides most of the leadership for the district youth events Fused and Meltdown.

What you can do to help:
1. Please pray for our students, the two colleges they attend and for the leadership of Wesley.
2. If you know of students that will be attending UWF or PSC please let them know about us and let us know about them.
3. As we move this Wesley Foundation towards a full time director position please consider making us a part of your financial giving.
4. Invite us to come speak or play music at your church.

UWF/PSC Wesley Foundation

Conference Lay Leader

All of the Southeastern Conference Lay Leaders agreed that we would embrace the idea of collaboratively putting our energy toward a common theme in the Southeastern Jurisdiction to rally behind and work as a jurisdiction on. Leading into the 2016 Jurisdictional Conference that focus will be on children in poverty. The steering committee came up with the following plan that we would like to implement in each of our conferences. We would like to gather stories from the existing work of our churches and conferences where we are providing ministry for children who are in difficult situations. These stories will be gathered, ordered

and then published in as many places as possible. We believe that the SEJ website and each of the conference websites will be a great starting place for these stories. If you have a story you would like to share about how your church or you made a difference in the life of a child in poverty please let me know as we share this throughout our jurisdiction.

Visit http://www.awfumc.org/boardoflaity (the board of laity page on the conference website) where you will find several resources useful to you. A document that discusses the role of the lay member to annual conference is available as a resource. On that same page you can find links to contact your conference lay leader and the district lay leaders as well as the leadership of Lay Servant Ministries, United Methodist Women and United Methodist Men as well as the conference scouting coordinator. We have also included resources to be used to on Laity Sunday which is the third Sunday in October.

Another invaluable website is the General Board of Discipleship laity webpages (www.gbod.org/laity) where you will find numerous training resources for both lay servant ministers, conference lay leaders and the church lay leaders as well as Laity Sunday materials.

Over the next year there will be a great deal of focus over the upcoming 2016 General Conference as well as the 2016 Jurisdictional Conferences where bishops are elected. United Methodist News Service is the best resource to stay up-to-date on news throughout our church connection. Visit https://umns.umc.org to sign up for daily emails which will keep you up-to-date on the latest information about our great church.

If our church is to survive and thrive it will be due to the work and service of our lay members empowered by the inspiration of the Holy Spirit. Equip yourself wisely to be used as a powerful instrument of our Lord.

Conference Lay Leader

Lay Servant Ministries

Each of us is gifted by the Holy Spirit to be a servant in God's kingdom. Lay Servant Ministries helps us discover our gifts through educational opportunities, that will enhance us to build our skills, and enable us to be effective leaders in our church. Through Lay Servant Ministries, we can become better disciples of Jesus Christ for the transformation of the world. Lay Servant Ministries provides training for laity to equip them to be leaders in mission and ministry in the local church and beyond.

A Lay Servant is …

- An active, supportive (professing) member of a United Methodist church;
- Eager to serve the church, community, and the world;
- We are well-informed on Scripture and on the doctrine, heritage, organization, and life of The United Methodist Church;
- We are committed to witnessing through church and community leadership, care-giving ministries, and spoken communication; and
- We are willing to improve our skills by training for service.

We are still undergoing a change in our structure, mainly our name and requirements. The General Conference of 2012 voted to change the name of Lay Speaking Ministries to Lay Servant Ministries. We were able to retain an office of Lay Speaking within our structure. Therefore we will be making some changes to our name.

God calls every one of us to proclaim the presence and power of God through all that we say and do. How is God calling you to serve? With so many ways of training, Lay Speaking Ministries, offers you a valuable education in multiple ministry areas.
Lay Servant Ministry is more than just speaking!

Our ministry goes beyond filling in for the pastor or speaking in public. Lay Servant Ministries offer many options for serving in roles other than the traditional pulpit supply. We are trained to teach, serve, lead, and participate, in many caring, and loving ministries.

Communication is an integral parts of Lay Servant Ministries . With so many avenues of training, our Lay Servant Ministries offers valuable education opportunity for equipping United Methodists for all facets of lay ministry.
During the last year our District Directors of Lay Servants Ministries were busy and successful, training new and experienced lay servants , working with our clergy and leaders of our Conference.

We have a total of 673 Certified and Local Church Lay Servants in our Conference. In 2014 we had the privilege of filling in 835 times for our clergy.

Our Lay Servants spoke in 106 different churches in our Conference and we also provided lay servants for nursing homes, and prison ministries.

We held nine Lay Servant Training classes, including the Lay Servant Academy at Blue Lake in March of 2014 in seven of the eight districts in our Conference. 36 different courses were offered including basic and advance courses in Spanish.

The Conference Committee of Lay Servants would like to thank Bishop Paul Leeland, our District Superintendents and all our Clergy, we are grateful for all the

support we receive from you, thank you for believing in us and we appreciate the opportunity to serve with you in the ministry of God through Lay Servants.

United Methodist Men (UMM)

The United Methodist Men of the Alabama-West Florida Conference have worked diligently in 2014 to implement our mission of supporting spiritual growth among men, and helping men to mature as disciples as they encourage spiritual formation in others.

At our yearly Advance in April of 2014, our theme was "Wesley's Three Graces." We heard three speakers: Walt Merrell, district attorney of Covington County who charged us to be the men that God challenges us to be through His prevenient grace; Greg Litton, a former major league baseball player who told us of justifying grace in his life; and our Bishop, Paul Leeland, who directed us upon a journey of sanctifying grace. Additionally, recognitions and awards were presented to Chuck Christian, Bishop Paul Leeland, and John Croft for their service in promoting men's ministry throughout the AWF Conference.

Our support of Blue Lake Assembly, our conference campground, continued as we completed the replacement of the aging bunk beds in two of the three campgrounds. A special thank you is extended to Harold Burnham and to all the men who assisted in the construction of the bunk beds and to the churches and organizations who

contributed to the project. The Blue Lake Methodist Camp continues to be one of the well-supported projects of UMM.

Our Upper Room Living Prayer ministry continues to be a central piece in our spiritual development and mission work. In previous years, we have been the top conference in giving to the Upper Room Prayer Center. This year, Dennis Brisolara accepted the position of Conference Prayer Advocate and we have provided $3,215 to the Upper Room Prayer Center. In addition to supporting this vital ministry with our gifts, we have tried to establish new prayer groups to answer the prayer line. Chuck Christian accepted a new leadership position in the UMM Cabinet as EMS

Advocate with the responsibility of encouraging support and contributions to the UMM Evangelism, Mission, and Spiritual Life program.

Activities of the UMM charter groups are varied and include Prayer Ministry, Bible Study, Lectionary Study, support of EMS Ministry, support of Boy Scouts, Blue Lake Methodist Camp improvement projects, local church Youth Program support, church Trustee project support, community outreach, district Pastor Appreciation Banquets, support of the Upper Room Living Prayer Center, and fellowship outings and dinners with UMM.

We rejoice in the work of our local units and their pastors to strengthen and renew the men's ministries programs in the local church. Through their efforts, activities in local churches have grown, new men have been invited to share in discipleship, and new charter units have been added to the conference.

Our goal is to empower the ministry of Jesus Christ through men within the congregations of the United Methodist Church. We can accomplish our goal if we accept the power of our Lord to transform and grow as spiritual leaders; envelop and make evident growth in our relationship with the Lord and each other.

Frank Moore, President
Alabama-West Florida Conference UMM

United Methodist Women (UMW)

The Alabama-West Florida conference of United Methodist Women is a community of women whose PURPOSE is to know God and experience freedom as whole persons through Jesus Christ; to develop a creative supportive fellowship, and to expand concepts of mission through participation in the global ministries of the church.

Our year began in January with the newly elected officers traveling to Lake Junaluska for Leadership Development Training.

In February we kicked off our first event: Tapestry Retreat. This year the Demopolis District hosted the annual event. Approximately 200 people gathered

at Demopolis First United Methodist Church for a time of worship and friendship renewals. The theme for this retreat was Tapestry: Weaving Life's Thread's Through Unity. The keynote speaker was The Rev. Connie Shelton, Director of Communications and Connections for the Mississippi Annual Conference. This retreat continues to be our best-attended event.

On March 21-23, Bishop Violet Fischer led the Spiritual Enrichment Retreat, which was held at Blue Lake Methodist Assembly Grounds. In 2000 Bishop Fischer was elected to the Episcopacy by delegates of the Northeastern Jurisdiction. Her appointment was in the New York West area where she served from 2000-2008. As she led this retreat, much information was offered for reflection.

On April 24th approximately 80 women from this conference traveled to Louisville, Kentucky to participate in our Assembly Gathering. This event is held every 4 years and is a time of celebration for United Methodist Women. The theme in 2014 was "Make It Happen" and our attendance to the event surely helped to "MAKE IT HAPPEN!"

On July 11 and 12 our Mission u Event was held at First United Methodist in Dothan, Alabama. Approximately 190 people attended this event. The Rev. Wesley Wachob led the Spiritual Growth Study "How is it With Your Soul?" Ruth Ann Powers led the Geographic study: "The Roma of Europe" and Debbie Bracewell led the Social Action Issue study "The Church and People with Disabilities. Also offered was a "Hands On" class to learn how to put words into action relating to the Disabilities Study and was led by Harry Hodges. This event will again be hosted by Dothan First United Methodist Church on July 31- August 1, 2015.

On October 24th we met at Blue Lake for Leadership Training as well as a workshop kicking off our Legacy Celebration. United Methodist Women will be celebrating their 150th anniversary in 2019. Margie Miller, Conference Education & Interpretation Coordinator and Yvette Richards, National President of United Methodist Women led a workshop detailing the Legacy Campaign. Immediately following this workshop newly elected district officers were in Leadership Development Training with their respective conference officers. On Saturday the Alabama-West Florida Conference of United Methodist Women planted a Legacy Tree on the grounds of Blue Lake as a tribute to the Legacy Campaign. On Saturday morning our Annual Day Celebration was kicked off with the Parade of Banners, led by Conference President, Betty Helms and Rev. Jeremy Pridgeon, Pensacola District Superintendent (filling in for Bishop Leeland), district superintendents, spouses and district UMW presidents. Our keynote speaker was Yvette Richards, National President of United Methodist Women. Yvette encouraged us to be women of faith, hope and love in action as we continue our ministry to women, children and youth. Yvette installed the 2015-2016 newly elected conference officers: Lynn Hamric, president; Charlotte Hobson, secretary; Laurel Akin, Communications Coordinator; Shirley Hodges, Education and Interpretation Coordinator; Zan Jones, Social Action Coordinator and Betty Helms, Nominations Committee Class of 2015-2016. The Nell Chance Special Mission

Recognition Award was given to Mary Presley, from the Mobile District. Mary was honored for her many years of her untiring and loyal service to United Methodist Women.

The Special Mission Recognition Award which is given each year to the district with the most attendance to their district events was won by Marianna/Panama City District. The Many Colors – One Spirit Banner which is awarded each year to the district with the best attendance to conference events was a tie win by Dothan and Pensacola Districts.

The United Methodist Women of the Alabama-West Florida Conference continue to legacy of being generous givers to our ministry. In 2014 our total mission giving was $225,760. This was given in support of National and International Mission Programs, UMCOR, Call to Prayer and Self-Denial just to name a few. As United Methodist Women, we continue our journey with excitement and commitment as we live out our PURPOSE. Remember! DON"T LOOK BACK - WE ARE NOT GOING THAT WAY!

Betty Helms, 2011-2014 President
Conference United Methodist Women (UMW)

ADMINISTRATIVE TEAM REPORTS

CONFERENCE BOARD OF PENSION and HEALTH BENEFITS

The Board of Pension and Health Benefits offers quality health-care, disability, pension, retirement, financial planning, long-term care and death benefit coverage to the clergy and churches of the Alabama-West Florida Conference.

With the continued uncertainty in the health-care environment the Board continues to give careful attention to our resources as we look toward the future. Our greatest resource is confidence in God's abundance and goodness.

Your Board of Pension and Health Benefits shall be prudent in long-term planning, and we shall be optimistic in our management of the Board's important benefits programs. We are committed to the goal of sustainable churches, a sustainable Alabama-West Florida Annual Conference, and a sustainable United Methodist Church.

Report 1 – Health Insurance

The Board works hard to provide excellent health care coverage to our clergy and lay participants through a partially self-funded insurance plan, administered by Blue Cross – Blue Shield of Alabama. Montgomery lay member Mike Horsley serves as chairperson of the Insurance Sub-Committee of the Board. The cost of this health insurance plan is covered by participant premium equivalents, church direct billing, and apportionments. While contributions to the Clergy Retired Benefit Stabilization Fund are presently suspended, it remains a part of our funding plan to guarantee the financial strength of our Health Insurance Plan and to help offset the unfunded liability for retiree benefits. The Board's health insurance reserve investment fund's market value as of December 31, 2014 was $6.12 million. The Board also maintains an Operating Reserve Fund at the United Methodist Foundation with a balance of $500,000.

In order for the plan to remain viable and available to all, participation by eligible clergy must be mandatory. The only exemption being when the clergyperson can provide satisfactory evidence that he/she is covered by a spouse's group plan or that he/she is covered by a military or government retirement health plan. Clergy who are 65 years of age or older, not in retirement status and serving a 75% or full time appointment will remain on the active insurance plan with premium equivalents being direct billed to the church. No premium reduction is applied. Spouses of clergy not in retirement status and serving a 75% or full time appointment will remain on the active plan.

The Board of Pension and Health Benefits seeks to increase the insurance reserves each year in its efforts both to maintain fiscal strength and stability in our insurance program and to offset the unfunded liability associated with providing post-

retirement medical benefits to current and future retirees. The board established a target of $5,356,432 for 2015 and will recalculate the target annually. The Conference unfunded liability for retiree health benefits was estimated in 2013 to be approximately $26,000,000. The 2013 study results are included in Report 2.

The Group Health Benefits Plan is not a form of entitlement. The Conference Board of Pension and Health Benefits reserve the right to amend the active and retired plan of benefits and the eligibility needed to qualify. With the approval of the Annual Conference the Conference Board of Pension and Health Benefits may eliminate either or both of these plans.

The Consolidated Omnibus Budget Reconciliation Act (COBRA) health benefit provisions amend the Employee Retirement Income Security Act, the Internal Revenue Code and the Public Health Service Act to require group health plans to provide a temporary continuation of group health coverage that otherwise might be terminated. The law generally applies to all group health plans maintained by private-sector employers with 20 or more employees, or by state or local governments. The law does not apply to plans sponsored by the Federal Government or by churches and certain church-related organizations.

With the advent of the Affordable Care Act and the health insurance policies available under this act, participants leaving the conference health insurance plan have multiple options for continuing their health insurance coverage, often at lower cost. While providing COBRA coverage was optional in the past, Board of Pension and Health Benefits believes that it is no longer necessary and not in keeping with our commitment to faithful stewardship of Annual Conference funds.

Conference health care coverage is available for lay employees of local churches, and the Conference Board of Pension and Health Benefits encourages every church with lay employees to consider adding this important benefit. For information on premiums and enrollment requirements, please contact the Conference Fiscal Office.

Report 2 – Report of Actuarial Valuation of Post-retirement Medical Benefits of Employees and Retirees

In response to the direction of the 2000 General Conference, every two years the Alabama-West Florida Conference retains an outside consulting firm to calculate the liabilities associated with providing postretirement medical benefits to current and future retirees in accordance with the terms of its existing plans and contribu¬tion arrangement. The report in Exhibit 1 was prepared by AON Hewitt Consulting, based on conditions existing as of January 1, 2015.

The full report presents actuarial liabilities for the plan, as well as the applicable expense and liability amounts that would exist in the conference-reported plan financial information in accordance with the Statement of Financial Accounting Standards Nos. 106 and 132.

In addition, cash flow information is presented which projects the future claims and participant contributions for the current group of active and retired partici¬pants, along with the resulting employer costs. Cash flows, liabilities, and the net periodic post-retirement benefit costs have been calculated based on conditions existing as of the January 1, 2015 measurement date.

Please contact the Fiscal Office at 888-873-3127 if you would like to review the report in its entirety. In this report (Number 2, Exhibit 1), we summarize the information provided through the valuation. Currently there is no formal funding plan established for liabilities, although the Board of Pension and Health Benefits seeks to use any revenues over expenditures in the health insurance program to build up reserves and to underwrite this liability. We fund the annual retiree health costs through ap¬portionments and individual monthly premium equivalents.

Report 3 - Post-Retirement Medical Benefits for Retirees

Purpose of the Plan: This is a retiree health plan designed to supplement the amounts Medicare pays for some hospital, medical, and surgical services. The Plan is not designed to cover all the expenses that Medicare does not pay. You must be eligible for Medicare and enrolled in Parts A and B of Medicare in order to receive any benefits under the Plan. The Plan is self-insured by the Alabama-West Florida Conference of the United Methodist Church. This means that the Conference pays for all claims out of its own assets and does not buy an insurance policy to pay benefits under the Plan. Blue Cross is responsible for administering claims under the Plan; Blue Cross does not insure the benefits under the Plan.

Eligibility: Retirees

- All clergy who retire from active service in the Alabama-West Florida Annual Conference and are eligible for Medicare have access to the plan for themselves and their Medicare eligible spouses.
- Upon reaching age 65 and being Medicare eligible, the spouse will go on the Medicare Supplement Plan at the full Medicare Supplement premium equivalent. Once the clergy participant enters retirement status, appropriate premium equivalent reductions will be applied for both the clergy and spouse as outlined below.
- Annual conference employees who are employed with the conference at the time of their retirement and are at least age 65 at retirement have access to the plan for themselves and their Medicare eligible spouses.
- Local church lay employees who have been continuously employed within the Alabama-West Florida Conference for 20 years and are at least age 65, in retirement status, enrolled in the active insurance plan at retirement, have access to the plan for themselves and their Medicare eligible spouses. (Premium must be paid by the church on church check).

Premium Equivalent Reductions

- To be eligible for a premium equivalent reduction for themselves and their spouses, clergy and annual conference lay employees must be enrolled in the conference active insurance plan for at least 5 years prior to retirement and have 5 or more years of service in the Alabama-West Florida Conference. Years of service for clergy are as recorded by the General Board of Pension and Health Benefits. Years of service for annual conference lay employees are as recorded in their employment records. Retired local church lay employees are not eligible for premium reductions.
- Participants retiring on or before June 30, 2016 with 5 to 28 years of service will receive an 80% premium reduction for themselves and their Medicare eligible spouses.
- Participants retiring on or before June 30, 2016 with 29 to 34 years of service will receive a 2.9% premium reduction for each year of service for themselves and their Medicare eligible spouses.

- Participants retiring on or before June 30, 2016 with 35 or more years of service will receive a full premium reduction for themselves and their Medicare eligible spouses.
- Participants retiring after June 30, 2016 with 5 to 34 years of service will receive a 2.9% premium reduction for each year of service for themselves and their Medicare eligible spouses.
- Clergy members retiring after June 30, 2016 with 35 or more years of service will receive a full premium reduction for themselves and their Medicare eligible spouses.
- With respect to married individuals that are each clergy with appointments in the Alabama-West Florida Annual Conference, each such clergy must satisfy Medicare and Plan eligibility requirements and premium reductions will be applied to each such clergy and not because of their status as a spouse of a clergy.

Premium Equivalent for Appointed Retired Clergy (under age 65)
Church's Premium Payment: Equal to the premium equivalent for the active plan established annually by the Conference Board of Pension and Health Benefits.

Premium Equivalent for Appointed Retired Clergy (age 65+)
Church's Premium Payment: Equal 80% of the premium equivalent for the Medicare Supplement Plan established annually by the Conference Board of Pension and Health Benefits.

Clergy's Premium Payment: Premium equivalent minus premium reduction.

Clergy Spouse: Premium equivalent minus premium reduction.

Pastors Retiring Prior to Age 65:
Retired pastors who have not reached the age of eligibility for Medicare and have 30 or more years of service as recorded by the General Board of Pension can remain on the active plan with a premium reduction of 2.9% per service year. Their dependents may continue on the active coverage by paying the full premium equivalent established by the Conference Board of Pension and Health Benefits. When the clergy member reaches the age 65, he or she will have access to the Medicare Supplement Plan and any appropriate premium reductions. When the spouse reaches the age 65, he or she will have access to the Medicare Supplement plan and any appropriate premium reductions as well. In the case of clergy couples without dependent coverage, individual clergy persons will be eligible in their own rights and premium reductions will be applied as individuals not as spouses of a clergy.

Pastors Retiring Under the Twenty Year Rule:
Retired pastors who have not reached the age of eligibility for Medicare and have 20 or more years of service but less than 30 as recorded by the General Board of Pension can remain on the active plan but must pay the established premium equivalent for themselves and their dependents. When the clergy member reaches

the age 65, he or she will have access to the Medicare Supplement Plan and any appropriate premium reductions. When the spouse reaches the age 65, he or she will have access to the Medicare Supplement plan and any appropriate premium reductions as well

Pastors on Clergy Medical Leave:
Clergy on Clergy Medical Leave and receiving Comprehensive Protection Plan disability benefits must qualify for Social Security Disability, and elect Medicare, on or before the end of their 24th month following the receipt of Comprehensive Protection Plan disability benefits.

Once qualified for Medicare, clergy on Social Security disability have access to the Medicare Supplement Plan and any appropriate premium reductions.

Clergy on Clergy Medical Leave and receiving Comprehensive Protection Plan disability benefits who are not eligible for or choose not to elect Medicare coverage, may continue active coverage by paying the full monthly premium equivalent.

Retiree Benefit Stabilization Fund:
Contributions made by clergy to the Retiree Benefit Stabilization Fund (RBSF) remain in suspension. The RBSF will continue to be maintained for present and future use.

Report 4 – Pension

The Reverend Nancy Watson chairs the Pension sub-committee of the Conference Board of Pension and Health Benefits. The Board continues to be delighted by the fine work of the General Board of Pension and Health Benefits of the United Methodist Church. With assets exceeding $20 billion and over 91,000 active and retired participants, the General Board ranks in the top 100 pension plans in the country and is the largest faith-based not-for-profit financial service organization in the world. In addition, the General Board acts as a socially responsible investor and participates actively in shareholder advocacy, proxy voting, portfolio screening, and community investing. The General Board is the largest denominational investor in affordable housing programs for low- and moderate-income families in the nation. To date, they have allocated nearly $1 billion to affordable housing and community development investments

Many current and future retirees find that their pension benefit is derived from several different plans. While the number and variety of plans make calculating pension benefits confusing, the various plans offer a certain level of security due to the diverse ways in which retiree pensions are funded.

1. The Pre-1982 plan bases the pension payment for a retired person on the number of years served with pension credit prior to 1982 and the Past Service Rate (PSR). The Board of Pension set as its goal to offer a PSR equal to CRSP Defined Benefit

increase of 2% in future years. In 2015 the PSR is set at seven hundred thirteen dollars ($713) per service year for retired clergy and five hundred dollars ($500) for surviving spouses. For 2016 the Board proposes a past service rate of seven hundred twenty-eight dollars ($728) per service year for retired clergy. The total rate for surviving spouses is proposed to be five hundred ten dollars ($510.) The Annual Conference adjusts the pension benefits of those living in Conference provided retirement homes by a reduction of $50.00 per month for clergy and $35.00 per month for surviving spouses.

2. The Ministerial Pension Plan (MPP) was the mandatory retirement plan for clergy serving from 1982 through 2006. Under this plan, the Conference Board of Pension contributed 12% of the Denominational Average Compensation (DAC) on behalf of each eligible clergy person under appointment. Benefits at retirement are based upon specific decisions made by the retiring participant.

3. By mandate of the 2004 General Conference, beginning in January 2007, the General Board of Pension replaced the MPP with the Clergy Retirement Security Program (CRSP), which has two components – a Core Defined Benefit Plan and a Core Defined Contribution Plan. The Core Defined Benefit Plan determines a pension benefit using the following formula by multiplying 1.25% of the Denominational Average Compensation (DAC) in the year of retirement by the number of years of credited service after 2006. The Core Defined Contribution Plan determines the pension benefit from the defined contribution of 3% of the participant's plan compensation. Clergy appointed to less than full time service and Part Time Local Pastors are credited for service in increments of 25%, 50% or 75%. By mandate of the 2012 General Conference benefits under this plan stopped accruing on December 31, 2013. Participants will lose no earned benefit.

4. The 2012 General Conference modified the Clergy Retirement Security Program. The January 2014 plan retains the two components – a Core Defined Benefit Plan and a Core Defined Contribution Plan. The Core Defined Benefit Plan determines a pension benefit using the following formula by multiplying 1% of the Denominational Average Compensation (DAC) in the year of retirement by the number of years of credited service after 2013. The Core Defined Contribution (DC) Plan determines the pension benefit from the defined contribution of 2% of the participant's plan compensation. In addition the conference will match participant's voluntary personal contributions to The United Methodist Personal Investment Plan (UMPIP) up to 1% of the participants plan compensation and deposit those matching funds into the participant's CRSP DC account. Clergy appointed at not less than 75% of full time service and Part Time Local Pastors appointed at not less than 75% are required to participate in the Clergy Retirement Security Program. Clergy appointed at less than 75% are not eligible to participate in CRSP, but may, and are encouraged, to participate in the UMPIP.

5. The United Methodist Personal Investment Plan (UMPIP) is a voluntary defined-contribution plan for personal contributions and rollovers made by clergy and lay employees.

When the recommendation of the Alabama-West Florida Conference Commission on Equitable Compensation is approved and in cooperation with the cabinet, the Conference Board of Pension sets the following appointment salary service standards for 2016:

1. Elders, Provisional Members, Associates Members and Local Pastors at or greater than $ 36,500 will serve at 100% and are eligible for pension and health insurance benefits, unless appointed by the Bishop and the Cabinet to less than 75%.

2. Elders, Provisional Members, Associates Members and Local Pastors at or greater than $27,375 but less than $36,500 will serve at 75% and are eligible for pension and health insurance benefits, unless otherwise appointed by the Bishop and Cabinet to a lower percentage.

3. Elders, Provisional Members, Associates Members and Local Pastors at or greater than $18,250 but less than $27,375 will serve at 50%, unless otherwise appointed by the Bishop and Cabinet to a lower percentage, and are not eligible to participate in CRSP or the health insurance plan.

4. Elders, Provisional Members, Associates Members and Local Pastors at or greater than $9,125 but less than $18,250 will serve at 25%, unless otherwise appointed by the Bishop and Cabinet to a lower percentage, and are not eligible to participate in CRSP or the health insurance plan.

Retiring pastors may expect their pension benefits to come from multiple plans – Pre-1982 based on years of service with pension credit before January 1, 1982 and the PSR or the Defined Benefit Service Monies (DBSM) whichever provides the greater annuity payment, MPP based on defined contributions from 1982 through 2006, supplemented by PIP and UMPIP contributions, CRSP based on the number of service years between 2007 and 2013 and the DAC in the year of retirement and CRSP based on the number of service years after 2013. Because of the change in plans, it is important for participants to verify that the pre 2014 appointment information, including appointment percentages for less than full time appointments, listed in the *Journal of the Alabama-West Florida Conference* each year is correct. The Conference Board of Pension and Health Benefits will assume that the Journal information is correct unless a correction is submitted in writing and verified within the conference year in which the Journal is printed.

The Cumulative Pension and Benefit Fund served as a voluntary defined-contribution retirement plan through 2006, funded through employer contributions made on behalf of deacons (prior to 2006), diaconal ministers, and lay employees of local churches. This fund is now part of the UMPIP plan.

Information from the General Board of Pension and Health Benefits is available online at www.gbophb.org.

The Board of Pension and Health Benefits recommends that the apportionment line item for Conference Claimants Fund be set at $800,000 (11% decrease) for 2016. Since pension liabilities are tied to the Conference Average Compensation and market results of General Board of Pension plan assets, future increases in the Conference Claimants Fund line item may track with these variables and GBOPHB actuarial projections.

We call attention to paragraph 622 of The 2012 Book of Discipline of The United Methodist Church relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to the payment of the pastor's salary by the local church. The Discipline gives the church treasurer the primary responsibility for the application of proportional payment. If the church treasurer fails to do this, the pastor is then required to adjust his/her cash salary.

Report 5 – Central Conference Pension Initiative

The Alabama-West Florida Conference continues its support of the Central Conference Pension Initiative. As of December 31, 2014 churches, districts, and individuals have given over $486,000. This figure includes gifts and pledges from churches and individuals in the conference. Churches are encouraged to give at a level of $1 per member per year. Active and retired clergy are encouraged to give to their brothers and sisters in need around the world. The United Methodist Church is experiencing its greatest growth in many of the Central Conferences, where pastors labor under difficult and often dangerous conditions and retire after a lifetime of service with no income. Many are forced to beg for assistance in their retirement and often go without food several days each week. Our effort is part of an initiative across the church to respond to the plight of our retired Central Conference clergy by raising $20–25 million to establish a sustainable pension program. Many thanks for your gifts and support.

Report 6– Supplement One to the Clergy Retirement Security Program

This Supplement One is applicable to the Alabama-West Florida Conference and is effective January 1, 2007. It replaces any previously executed Addendum A (or Attachment 1) and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Clergy Retirement Security and the Comprehensive Protection Plan revised January 1, 2007.

CPP contribution base shall be the active participant's plan contribution for a plan year not to exceed 200% of the Denominational Average Compensation.
The CPP contribution rate shall be 3% of the contribution base of each active participant. [CPP Section 4.01(a).]

The CPP church contribution shall be made monthly to the plan by the Annual Conference in accordance with the Plan Document. Such CPP church contributions shall be transferred monthly from the deposit account of the Alabama-West

Florida Conference by the General Board of Pension and Health Benefits to the Comprehensive Protection Plan. The Annual Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants. The Alabama-West Florida Annual Conference Board of Pension and Health Benefits is hereby authorized, at its discretion, to arrange with The General Board of Pension and Health Benefits for active participation in CPP by persons who are eligible under special rules but not automatically included as active participants. [CPP Section 3.03. (a)]

All full and associate members appointed to Sabbatical Leave shall continue to participate in CPP, provided the Conference makes the required contribution based on 3.4% of the DAC. [Disciplinary Paragraph 350; CPP Section 3.02(a).]

All full, associate, and probationary members granted a Leave of Absence may be continued in CPP provided the Conference makes a contribution of 4.4% of the DAC. [Disciplinary Paragraph 352, CPP Section 3.02(a)] The Conference will direct bill the members who choose to continue participation.

All full, associate, and probationary members granted family leave may continue in CPP, provided the Conference makes the required contribution based on 4.4% of the DAC. [Disciplinary Paragraph 353; CPP Section 3.02(a).] The Conference will direct bill the members who choose to continue participation.

The surviving spouse benefit will be 70% of the participant's formula benefit.

Report 7– Alabama West Florida Annual Conference Comprehensive Funding Plan for Plan Year 2016

The 2012 General Conference established a requirement for Annual Conferences to develop a comprehensive funding plan to identify both liabilities and resources. The Conference Board of Pension has both developed the plan and submitted it to the General Board of Pension and Health Benefits (GBOPHB) for review.

Printed on the following page is the favorable opinion letter from GBOPHB. If you would like to see the complete plan, contact the Fiscal Office at 1-888-873-3127.

Alabama-West Florida Annual Conference

This funding plan incorporates, to the best of our understanding, the conference's obligations and funding of the benefits provided to clergy and laity, as noted below.

It is understood by the signees that defined benefit plan liabilities (Pre-82, MPP and CRSP-DB) continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the conference still has a liability (obligation) and potential future contribution due to the plan.

Report 8 – Claimants' Memorial Fund

We recommend the continuation of the Claimants' Memorial Fund, such funds being invested by this board with the interest being used for the benefits of the conference claimants. Individuals and groups are invited to make voluntary contributions in any amount as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the conference treasurer, Montgomery, with the name or names of the persons being memorialized. Families of those so memorialized will be notified that a memorial gift was received.

Report 9 – Special Appointment Pension Responsibilities

In keeping with paragraph 1506.3.a, and 4, of the 2012 Discipline, we recommend that those clergy appointed to extension ministries be approved for pension responsibility on this Annual Conference in the following full time appointments: the director of the Assembly Grounds, the director of the Mobile Inner City Mission, the director of each Wesley Foundation, the Chaplain at the United Methodist Children's Home, the Director of the Pensacola Urban Ministry and the Pensacola Hispanic Ministry provided such appointments are made as members of this Annual Conference under paragraph 344.1a(1) and 346.1 of the *2012 Book of Discipline of the United Methodist Church*. The district superintendents, clergy appointed to the Conference Connectional Ministry, Ministerial Services, and the Fiscal Offices are approved with pension responsibility on this Annual Conference.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that clergy under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 14% of the DAC as determined by the General Board of Pension and Health Benefits.

By special arrangement those clergy on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan by a personal payment of 4.4% of the DAC to the Conference Claimants Fund.

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the General Board of Global Ministries.

Report 10 – Depositories

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds as well as the General Board of Pension and Health Benefits of The United Methodist Church.

Report 11 – Pensions for Lay Employees

We strongly endorse the UMPIP and the Lay Long Term Disability Plan administered by the General Board of Pension and Health Benefits for lay employees of United Methodist local churches and agencies. In keeping with paragraph 258.2g (12) of the *2012 United Methodist Book of Discipline*, we recommend and urge our churches to use these plans provided by the General Church to provide pension equal to at least 3% of compensation and death and disability coverage for our lay persons who serve our churches.

Churches and agencies should contact the General Board of Pension and Health Benefits, 1901 Chestnut Avenue, Glenview, IL 60025, (800) 851-2201 for information on becoming plan sponsors for the UMPIP for lay employees.

Report 12 – Full Time Service as a Requirement for Pension Credit Pre-1982

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appears in paragraph 1506.3 of the 2012 Discipline.

A. Full-time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourth vote of those present and voting in the Annual Conference, on recommendation of the conference Board of Pension and Health Benefits.

B. Full-time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable compensation adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, except in cases of approved part-time service.

Report 13 – Resolutions Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the Alabama – West Florida Annual Conference

The Alabama – West Florida Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("clergypersons");

WHEREAS, the practice of the Church and of this Conference was and is to provide active clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, and disabled clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the year 2016 by each active, retired, or disabled clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson; and

THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a clergyperson rendered to this Conference or that an active, a retired, or a disabled clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the clergyperson to perform services

related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled clergyperson's pension or disability as part of his or her gross compensation.

NOTE: It should be noted that the above applies only to the clergyperson and not to the surviving spouse. The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. If you need further information concerning this exclusion, please contact your CPA or the Conference Fiscal Office.

The 2012 Book of Discipline of the United Methodist Church **References**:

Paragraph 357. *Medical Leave Due to Medical and Disabling Conditions that Prevent Performance of Ministerial Duties*
1. When clergy who are members of an annual conference (¶ 370) are unable to perform their ministerial duties because of medical and disabling conditions, upon recommendations of the conference Board of Ordained Ministry and the conference board of pensions, and by a majority vote of the executive session of clergy members in full connection with the annual conference who are present and voting, they may be granted annual medical leave without losing their relationship to the annual conference; provided, however, that such leave may be granted or renewed upon reasonable and appropriate investigation of the case by the joint committee on clergy medical leave of the annual conference, or the party responsible for managing clergy medical leaves in accordance with the annual conference's policies, which will report its findings to the conference Board of Ordained Ministry and the conference board of pensions. This relationship may be initiated by the clergy member or cabinet with or without the consent of the clergy member through the Board of Ordained Ministry. When medical leave is given without the clergy member's consent, reasonable accommodation shall be offered whenever possible. When a clergy member is granted medical leave by the annual conference, if the medical evidence has not yet met the standards for the receipt of benefits as set forth in the Comprehensive Protection Plan, section 5.04, the conference board of pensions may authorize payment of the benefits in the amount that would otherwise be payable from the Comprehensive Protection Plan. The payments shall be made by the General Board of Pension and Health Benefits as a charge to the annual conference granting the medical leave. If payments from the Comprehensive Protection Plan are subsequently approved, the annual conference will be reimbursed for benefits already paid, not to exceed the amount otherwise payable from the Comprehensive Protection Plan. Each medical leave granted by the annual conference shall be recorded in the conference minutes.

2. When clergy who are members of an annual conference are unable to perform their ministerial duties between sessions of the annual conference on account of medical conditions, with the approval of a majority of the district superintendents, after consultation with the executive committee of the conference Board of Ordained Ministry and the executive committee of the conference board of pensions, a medical leave may be granted by the bishop for the remainder of the conference year; provided, however, that such leave may be granted upon reasonable and appropriate investigation of the case including accommodation provisions by the joint committee on clergy medical leave of the annual conference, or the party responsible for managing clergy medical leaves in accordance with the annual conference's policies, which will report its findings to the conference Board

of Ordained Ministry and the conference board of pensions. When a clergy member is granted medical leave by the bishop, if the medical evidence has not yet met the standards for receipt of benefits as set forth in the Comprehensive Protection Plan, section 5.04, the conference board of pensions may authorize payment of the benefits in the amount that would otherwise be payable from the Comprehensive Protection Plan. The payments shall be made by the General Board of Pension and Health Benefits as a charge to the annual conference granting the medical leave. If payments from the Comprehensive Protection Plan are subsequently approved, the annual conference will be reimbursed for benefits already paid, not to exceed the amount otherwise payable from the Comprehensive Protection Plan.

3. When clergy members on medical leave provide medical evidence that they have recovered sufficiently to resume ministerial duties, or are able to return through reasonable accommodation, in consultation with the appointive cabinet, upon recommendation of the joint committee on clergy medical leave or the conference relations committee, and with the approval of the executive committee of the conference Board of Ordained Ministry, they may receive an appointment from a bishop between sessions of the annual conference, thereby terminating the medical leave. Such appointment shall be reported immediately by the cabinet to the conference board of pensions and to the General Board of Pension and Health Benefits. Such termination of leave, together with the effective date, shall also be recorded in the minutes of the annual conference at its next regular session.

Paragraph 635.2(k): "Conference Board of Ordained Ministry
"The duties of the annual conference board of ordained ministry shall be...

k) To interview applicants and make recommendation concerning: (1) changes from the effective relation to a leave of absence or retirement; (2) return to the effective relation from other relations; (3) honorable location; (4) readmission of located persons and persons discontinued from probationary membership; (5) sabbatical leave; (6) medical leave; (7) appointment as a student; (8) termination; and (9) changes to or from less than full-time ministry.

"The board shall keep a record of these changes and the reason behind them and place a copy in the permanent records of the annual conference maintained by the secretary of the conference."

Paragraph 652. "…The annual conference may establish a joint committee on clergy medical leave (JCCML). If the annual conference establishes such a committee, it should be composed of at least two representatives each from the Board of Ordained Ministry and the conference board of pensions, who may be elected by those boards at the beginning of each quadrennium and at other times when vacancies occur, and a district superintendent appointed from time to time by the bishop to represent the cabinet. The joint committee shall be encouraged to include in its composition a person with a disability, preferably someone under appointment. Unless and until other members are elected, the chairperson and registrar of the Board of Ordained Ministry and the chairperson and secretary of the conference board of pensions, or others designated by them, shall be authorized

to represent their respective boards. The committee shall organize at the beginning of each quadrennium by the election of a chairperson and a secretary. If the annual conference does not establish a joint committee, the annual conference's established policy and process for managing clergy medical leave nonetheless should involve the Board of Ordained Ministry, the conference board of pension and representation from the cabinet.

The duties of the annual conference, with respect to clergy medical leave, or the joint committee on clergy medical leave, or its equivalent, shall be:

Coming Off Incapacity Leave

Among the reasons a participant will no longer receive CPP disability benefits are the following:

1. If a participant becomes disabled on or prior to the date he/she attains age 60, and is receiving disability benefits in the Conference year in which he/she attains age 65, and the disability continues, then the benefits will terminate on June 30 following the person's 65th birthday anniversary (if the final day of the regular session of such person's conference falls in the month of May or June, or, otherwise, on the last day of the month in which the closing day of such Conference session occurs) Para 5.04 d. (7) CPP Plan Document.
2. If the participant becomes disabled after age 60, and the disability continues, then the benefits will terminate on the earlier to occur of (i) June 30 following the end of a five year period from the date the disability was determined to have begun (if the final day of the regular session of such

person's Conference falls in Mayor June, or , otherwise, on the last day of the month following the end of such five-year period in which the closing day of such Conference session occurs); or (ii) June 30 following such person's retirement date (if the final day of the regular session of such person's Conference falls in Mayor June, or, otherwise, on the last day of the month in which the closing day of such Conference session occurs). Para 5.4 d. (8) CPP Plan Document.

3. If the individual provides medical evidence that they have recovered sufficiently to resume ministerial work, or are able to return through reasonable accommodations a request must be submitted to the Bishop and the Joint Committee on Clergy Medical Leave.

The JCCML, through the Conference Pension and Benefits Officer, may request a referral through the Disability Management Alternatives for the name of a physician available and competent to provide an Independent Medical Evaluation of the individual's request Because of HIPPA privacy regulations, the JCCML will request only a recommendation from the physician as to the individual's ability to resume work and will follow the physician's recommendation as to making a recommendation to the board of ordained ministry. Alternately, and at the discretion of the JCCML, the recommendation of UNUM regarding continuation of CPP Disability Benefits may form the recommendation of the JCCML to the board of ordained ministry.

Having received the recommendation from the JCCML, the Board of Ordained Ministry will conduct the interview required in paragraph 635.2 (k)

If an individual receives an appointment between sessions of annual conference, the cabinet must report the appointment immediately to the conference board of pension and the GBOPH. Such termination of medical leave, together with the effective date must also be recorded in the minutes of the annual conference at its next regular session.

Part-Time Appointments

If an individual seeks a part-time appointment in anticipation of coming off incapacity leave the following information is required:

1. The appointment cannot last longer than 12 months.
2. The written recommendation of the individual's doctor. The operative word is recommendation. That is, the doctor believes that it is in the medical best interest of the individual to begin part-time service and is encouraging and cooperating with the return to part-time service.
3. The number of hours that the individual will work.
4. When the appointment will start
5. Will the person serve a church as the only pastor or will the individual serve as an associate of a church?

REPORT 8 - Safe Sanctuaries Policy and Minimum Standards

INTRODUCTION. One mission of The Alabama-West Florida Annual Conference Board of Trustees is to support the work of the local church. At each meeting the members keep in front of them the question, "How will this action help the local church?" Our prayer is that the revised Safe Sanctuaries Policy and Minimum Standards will help the local church accomplish its ministries while ensuring the safety of our children, youth, and at-risk or vulnerable adults. We encourage clergy and laity to read this policy and make it an essential part of the operations of your local church. If you have any questions you may contact any member of the Board of Trustees.

I. **THEOLOGICAL BASIS**. The theological basis of the Safe Sanctuaries Policy & Minimum Standards (SSPMS) is grounded in the following:

A. Children are important! Jesus said, "Whoever welcomes one such child in my name welcomes me . . ." (Mark 9.37, all Scripture references are from the New Revised Standard Version). We ought to offer hospitality and protect children. Jesus said, "If any of you put a stumbling block before one of these little ones who believe in me, it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea." (Matthew 18.6; Mark 9.42).

B. *The Social Principles of The United Methodist Church* state that ". . . children must be protected from economic, physical and sexual exploitation, and abuse." Id, Paragraph (¶) 162C.

C. Members of the United Methodist Church regularly pledge commitment to demonstrating the love of Jesus Christ so that each person will be ". . . surrounded by steadfast love, . . . established in the faith, and confirmed and strengthened in the way that leads to life eternal" (Baptismal Covenant II, United Methodist Hymnal, p. 44).

D. Paragraph 2702 of The Book of Discipline of The United Methodist Church 2012 names child abuse, sexual abuse, sexual misconduct, and sexual harassment as chargeable offenses for both clergy and lay members.

II. DEFINITIONS. The following definitions shall be used in establishing, applying, and interpreting the SSPMS:

A. Abuse

1. **Physical abuse** occurs where a person intentionally causes bodily harm to a child, youth, or at-risk or vulnerable adult.

2. **Emotional abuse** occurs where a person speaks violently or cruelly to a child, youth, or at-risk or vulnerable adult, or otherwise exposes a child, youth, or at-risk or vulnerable adult to violence or emotional cruelty.

3. **Neglect** is abuse which occurs where a person endangers the health, safety, or welfare of a child, youth, or at-risk or vulnerable adult by failing to act in a reasonable manner.

4. **Sexual abuse** occurs where an adult or another older or more powerful youth has sexual contact with a child, youth, or at-risk or vulnerable adult.

B. Personnel

1. **Governing body** refers to the local church leadership approved and elected by the annual Charge Conference of the local church and in compliance with *The Book of Discipline of The United Methodist Church* 2012 (¶ 243, 244, and 247). Examples may include Church Council, Administrative Board, Board of Stewards, etc.

2. **Authority figure** is a person who is the primary leader of any youth, children, or at-risk or vulnerable adult activity and such person is required to be twenty-one (21) years of age or older.

3. **Assistant** is a person who gives help to and is directed by an **authority figure** in the course of any **youth**, **children**, or **at-risk or vulnerable adult** activity including, but not limited to, volunteers, interns, camp counselors, and Vacation Bible School workers. Such an assistant must be at least twelve (12) years of age. However, in order to count for satisfying requirements of the **two adult rule** (¶ II.C.1, below,) such assistant must be an **adult** as herein defined.

4. **Adults** are all persons who have attained the age of majority (19 years in Alabama and 18 years in Florida).

5. **Floater** is an **adult** who acts as an **assistant** to an **authority figure** to monitor covered activities or events (¶ II.C.2, below,) in order to comply with the two adult rule (¶ II.C.1, below,) when achieving such compliance by use of two non-related adults is unfeasible.

6. **Children** are all persons from infants through the fifth grade or sixth grade, as determined by each local church in order to conform with grade-level practices of its local area schools regarding classifications of elementary schools and middle or junior high schools.

7. **Youth** are all persons in the sixth-grade or seventh-grade through the twelfth-grade, as determined by each local church in order to conform with grade-level practices of its local area schools regarding classifications of middle or junior high schools and high schools.

8. **At-risk** or **vulnerable adults** are adults with physical, mental, and/or developmental impairment or disability.

C. Activities

1. **Two adult rule** is a core principle regarding the supervision required for **covered activities** and **overnight events**. This rule means that a minimum of **two adults** who are not related to each other should be utilized in all programming with **children**, **youth**, and **at-risk** or **vulnerable adults**. However, when unfeasible to staff at buildings and outdoor areas with two non-related adults, there should be at least an additional adult serving as a **floater** with visual and physical access to all areas where such programming occurs. Visual and physical access means either an open door or door with a window that provides a line of sight enabling the **floater** to see into a room or other building space and to see fully outdoor sites where **covered activities or events** take place.

2. **Covered activities or events** for purposes of this document include all church programming for **children**, **youth**, and **at-risk** or **vulnerable adults**.

3. **Overnight events** are a type of **covered activity or event** which extends through the evening and which may include summer camps, retreats, mission trips, and lock-ins.

a. **Room sharing limits** means that adults staying with young people during **overnight events** must be the same gender as the young people and that such adults must not be alone in a lodging room with a young person at any time and must not share a bed with a young person unless he/she is an immediate family member or guardian of such young person and of the same gender.

b. **Immediate family member or guardian room sharing exception** means that an immediate family member or guardian of a young person who is chaperoning an **overnight event** is permitted to share a room and bed with his/her child no matter the gender as long as no other young people are sharing the room.

4. Transportation

a. **Transportation** is a **covered activity** whenever such transportation is provided in a church-owned or leased vehicle (car, SUV, van, bus, etc.) or when a church staff member is the driver of or present in any vehicle used for such transportation. This provision shall not apply to multi-vehicle caravanning transportation. Two adults are not required to occupy each of the private vehicles in a caravan.

b. Any such transportation provided for a church-sponsored or church-hosted program of day-care, pre-school, or after-school care that is licensed under the laws of Alabama or Florida shall abide by and conform with the respective state laws and regulations, if any, applicable to such a transportation function.

III. **POLICY STATEMENT**. In covenant with all United Methodist congregations and the Alabama-West Florida Annual Conference of the United Methodist Church, we endeavor as follows:

A. We shall strive to provide for physical safety and spiritual growth of all our children, youth, and at-risk or vulnerable adults.

REPORT 9 - Conference-Wide Insurance Program (United Methodist Insurance)

In September 2006 the Board of Trustees joined United Methodist Property and Casualty Trust (PACT) by insuring all of the annual conference owned property and operations. In 2007 the Annual Conference adopted, but did not make mandatory, a resolution to establish PACT as the conference-wide insurance carrier for all of the churches and ministries of this annual conference beginning January 1, 2008.

In 2011 the denomination's top financial agency (GCFA) became the single owner of the PACT program. The General Council on Finance and Administration approved a plan to allow the United Methodist Property and Casualty Trust Company to buy out the 12 annual (regional) conferences and two general agencies that then owned the company. The new entity became United Methodist Insurance (UMI)

In 2014 forty-nine churches and agencies were insured by UMI through the Alabama-West Florida Conference.

The Conference began 2014 with a balance of $284,266.55

We received income of $83.00.

We ended 2014 with a balance of $284,349.55

We will continue to offer the UMI coverage to churches in the Alabama-West Florida Conference via the UMI partnership which began January 1, 2010, with the Church Insurance Agency Corporation (CIAC). The Church Insurance Agency Corporation is the Episcopal Church equivalent of UMI, that is, a captive that has provided ministry protection for the Episcopal churches in the US for over 100 years. CIAC will provide UMI the program administration services, including billing and endorsement changes. Their Alabama representative, Mr. William (Bill) Bullock who lives in Spanish Fort, has proven to be of benefit to the local churches of the annual conference. He can be reached at (251) 621-2041 or BBullock@cpg.org).

REPORT 10 - Minimum Insurance Requirments

The Book of Discipline 2012 Par. 2533.2 requires local church trustees to annually review and report on the adequacy of local church property and liability insurance coverage "*to ensure that the church, its properties, and its personnel are properly protected against risks*. " Since 1797, the Book of Discipline has provided that the property and assets of local churches are held in trust for the benefit of the denomination. Inadequate insurance puts local church property and assets at risk; including the denomination's trust interest therein. Therefore, Trustees of the Alabama-West Florida Conference, representing the denomination's trust interest, have adopted the following minimum insurance requirements for local churches:
COMMERCIAL PACKAGE POLICY, to include the following minimum limits:

Buildings, Organs & Contents	Insured to Replacement Value, "All Risk" Coverage			
Fine Arts	$25,000

- Bodily Injury by Accident Each accident $1,000,000
- Bodily Injury by Disease Policy limit $1,000,000

UMBRELLA POLICY (Excess Liability)
An Umbrella policy is suggested but not required

This excess policy must extend over Commercial General Liability, Pastoral Counseling, Employee Benefits Liability, Owned Auto, Hired & Non-Owned Auto and Workers Compensation. A higher per occurrence limit may be appropriate based on specific risk characteristics such as church size and/or scope of operations and ministries.

Per Occurrence Limit $1,000,000 (minimum) Aggregate $1,000,000

COMMISSION ON EQUITABLE COMPENSATION (CEC)

"It is the purpose of the commission on equitable compensation to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation; (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and (d) submitting an arrearage policy to be adopted by the annual conference." (¶625.2, 2012 *Discipline*)

The CEC assists congregations which have potential for growth to become capable of financially supporting a full-time pastor, and assure that all full-time appointed pastors in the AWF Conference receive minimum salary. The CEC recommends the **following guidelines** for all churches/charges in our conference that apply for a subsidy grant:

1. Only full-time pastors, certified by the Board of Ordained Ministry (district and conference levels as applicable), approved by the annual conference, and appointed to a church or charge are eligible for CEC a subsidy grant. No associate pastor, part-time local or supply pastor shall be eligible for a subsidy grant. The amount of equitable compensation a pastor may receive is based upon the taxable cash salary prior to any voluntary employee reductions such as a 403(b) plan or written cafeteria plan plus utility exclusions, excluding a housing allowance in lieu of a parsonage. Full-time local pastors without a parsonage must receive a housing allowance to bring their total plan compensation up to 60% of the denominational average compensation so that they will be eligible for Comprehensive Protection Plan benefits.

2. No pastor shall receive a subsidy grant from CEC when the pastor receives income from any other church source if that income plus salary from the charge is more than minimum salary. No pastor serving outside the bounds of our conference shall be eligible to receive equitable compensation.

3. For a pastor to receive an equitable compensation subsidy grant, the church/charge must pay at least **80% of minimum salary** for the year in which CEC a subsidy grant is provided, and have paid at least 50% of the previous year's apportionments. **Direct Bill** health insurance and pension payments shall be **waived** for charges upon **their initial approval** for a CEC subsidy grant, if no outstanding arrearage exists. Each succeeding year of receiving a CEC subsidy grant, churches/charges must make progress toward providing full clergy compensation according to the **following schedule** to qualify for a continued subsidy grant. Percentages listed below apply to the approved minimum salary for the calendar year in which a subsidy grant will be received:

After year 1:	**85% of minimum salary and 100% apportionments paid**
After year 2:	**90% of minimum salary, and 100% apportionments paid**
After year 3:	**90% of minimum salary, 100% apportionments, and Defined Contribution portion of Direct Bill paid**
After year 4:	**95% of minimum salary, 100% apportionments, and complete Pension portion of Direct Bill paid**

After five years of receiving a CEC subsidy grant, a church/charge may be approved for a **sixth year** of exemption from the **Health Insurance portion of the Direct Bill** if the charge is paying 100% of minimum salary, **100% of apportionments and 100% of the pension portion of the Direct Bill.**

4. Churches/charges applying for a CEC subsidy grant that are already paying above 80% of minimum salary shall be expected to make appropriate progress toward becoming self-sustaining in accord with the schedule in Paragraph 3. Churches must be willing to participate in a formal congregational development effort offered by

5. The CEC recognizes that occasionally circumstances will demand special consideration. The district superintendent of the applying church/charge should assess such cases and present rationale for a subsidy grant to the CEC. Churches/charges must be willing to participate in a formal congregational development effort offered by the annual conference.

6. District superintendents are required to review all equitable compensation situations in their districts to ascertain the necessity for assistance and, whenever possible, seek to reduce the need for a CEC subsidy grant. The district superintendents shall be responsible for the accurate completion and submission of subsidy grant applications to the CEC. The secretary of the CEC shall not issue a check order for an equitable compensation subsidy grant until all criteria have been met as determined by the CEC.

The CEC recommends a **minimum salary of $36,500** for **all full-time appointed clergy** for 2016.

Equitable Compensation Disbursements for 2014

Eutaw	$ 7,380
Georgetown-Chunchula	$ 3,960
St. Matthew/Jackson Chapel	$ 3,384
Theodore First	$ 3,600
Thomaston	$ 3,384
Whistler-West Wilmer	$ 7,176
Zion Fellowship	$ 6,768
TOTAL	**$35,652**

Arrearage Policy

1. In the event that the local church treasurer becomes aware that the church will be unable to provide to the pastor full payment of a regularly scheduled payroll or housing allowance installment, or to remit to the conference treasurer full payment for regular direct billed benefit payments such as pension and health care, the church treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the pastor, the lay leader, and the chairs of S/PPRC, finance, trustees, and the administrative/church council of the impending arrearage. Upon receipt of such notice, the chair of S/PPRC and/or the pastor shall immediately (within 3 days) notify the district superintendent of the impending arrearage. It is the pastor's responsibility to keep copies of all written notifications, and to provide additional written confirmation to the district superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of pension and benefits.

2. Upon receipt of notice of an impending arrearage, the chair of S/PPRC shall immediately (within 24 hours) call a meeting of the pastor, lay leader, and chairs of finance, trustees, and the administrative/church council to discuss the financial situation and seek remedies to prevent an arrearage from occurring.

Such remedies might include:

a. drawing from invested funds,
b. an emergency appeal for special giving from the congregation,
c. emergency grants or loans from the District or Conference.

In accord with the Discipline Paragraph 624, such remedies cannot include a reduction in the pastor's compensation until the beginning of the next conference year.

3. If, after consultation among the lay leader and chairs of S/PPRC, finance, trustees, and the administrative/church council, it becomes apparent that the church may be facing a long term financial crisis, the chair of S/PPRC shall notify in writing the pastor and district superintendent that:

a. an Equitable Compensation Subsidy Grant necessary to maintain compensation for the remainder of the conference year or,
b. a change in pastoral compensation may be necessary at the beginning of the following conference year, or

c. a change in pastoral appointment as deemed necessary by the bishop and cabinet.

4. If the local church becomes delinquent in the pastor's compensation (i.e. more than 30 days delinquent), then the district superintendent shall notify the CEC, which on its own initiative may do any or all of the following, but not limited to:

a. sending a representative from CEC to meet with the local church and pastor to seek resolution of the issue.

b. developing a payment plan with the local church/charge so that the pastor receives full payment of compensation by the end of the conference year.

The district superintendent shall be invited to participate in this process.

5. If the local church is already receiving a subsidy grant from the CEC, the commission may also:

a. determine if all subsidy grant funds allocated to the church were used to pay the pastor's salary,

b. examine the original subsidy grant application to determine if the amount requested to meet minimum compensation was reduced,

c. require an outside audit of all church funds in compliance with GCFA Guidelines, (www.gcfa.org)

d. notify the district superintendent in writing of its findings and recommendations.

6. If a local church becomes delinquent in the payment of the pastor's direct billed pension and benefits (i.e., more than 30 days), then the conference treasurer shall notify the conference benefits officer, the district superintendent, and the CEC. On behalf of the conference, the benefits officer and/or district superintendent shall develop a written payment plan with the local church so that the conference receives full payment of pension and benefits by the end of the conference year.

7. Paragraph 2542.1 of the Book of Discipline makes clear that no real property on which a church building or parsonage is located shall be mortgaged to pay for the current or budgeted expenses of a local church (including arrearages), nor shall the principal proceeds of a sale of any such property be so used. This provision shall apply alike to unincorporated and incorporated local churches.

8. In extreme and unresolved circumstances, the local church and/or pastor may petition a session of the annual conference after completing the required financial audit of the church following proper procedures for assistance in payment of the arrearage not to exceed the minimum conference compensation standards. However, it is the responsibility of the local church to provide a minimum compensation for its appointed clergy (Paragraph 624, Discipline).

9. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as: treasurer's reports, charge conference reports of adopted salary and compensation, check stubs, W-2 forms, and a Certification of Payment Form signed by the pastor, S/PPRC chair, trustee chair, treasurer, and administrative/church council chair.

10. The statute of limitations for filing a claim for funds from the annual conference (i.e., notification to the district superintendent of the arrearage) for any salary arrearage is one year from the date of the initial arrearage. Once an appointment ends, the pastor no longer has claim on the local church for compensation funds (Paragraph 342.4, Discipline).

11. While verbal notifications required in Paragraph 1 of this policy provide expedient resolution to the arrearage issue, written notification to all parties must be provide within 3 days to provide a record of such notification.

Commission on Equitable Compensation

REPORT 5 - Zero-Based Budgeting

The following proposal for "zero-based" budgeting is presented by the Council on Finance and Administration (the original proposal was adopted by the Conference on June 1, 1988):

1. All program area budgets of Annual Conference boards and agencies will begin the year with a zero balance.

2. The annual budgets for program boards and agencies shall be prepared on a "zero-base." It is intended that all programs, projects and functions, old and new, be analyzed and reevaluated regularly and systematically by the CORE Team. Groups requesting budgeted funds shall be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.

3. At the end of the fiscal year, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated the "Mission and Ministry Fund."

4. The Mission and Ministry Fund shall consist of the following:
   a. Funds remaining in the CORE Team Missional Giving Fund at the end of the year;
   b. Funds which may be budgeted for the Mission and Ministry Fund
   c. Funds received from terminated activities which remain unused for those activities when transferred by the CORE Team

d. Interest earned from sources as may be provided by the Council on Finance and Administration
e. Funds from other sources that may be deposited by any board or agency or group within the Annual Conference.

REPORT 8 - Stewardship Responsibilities and Local Church Concerns

1. CFA believes that all apportionments are needed in the amounts apportioned. Furthermore, CFA believes that all churches have the capacity to pay apportionments in full. In 2013, 83.49% of apportioned funds were paid by local churches. In 2014, 85.13% of apportioned funds were paid by local churches. CFA continues to encourage all churches and all United Methodist Christians in the Alabama - West Florida Annual Conference to participate fully in our connectional ministries through generous serving, generous giving, generous living, generous leading, and generous praying. The 2016 Conference budget reflects a .07% decrease in Connectional Missional giving (apportionments.) General Church apportionments have decreased by 38,062 or 1.11%. Jurisdictional apportionments remain the same in 2016. Over-all Annual Conference Connectional Missional giving (apportionments) decreased by .40 % in 2016.

2. By action of the 2001 Annual Conference, thy 50% following schedule shall be used in setting apportionments for new churches:

1st full year	no apportionment
2nd year	25% apportioned
3R year	50% apportioned
4th year	75% apportioned
5th year & following	100% apportioned

3. Apportionments shall be made to all churches using the apportionment formula outlined in CFA Report - Formula and Allocations.

4. Local churches shall provide for the audits of local church records as provided in paragraph 258.4d of the *2012 Book of Discipline of the United Methodist Church*.

REPORT 9 - Formula and Allocations

1. In 2012 a task force was formed to evaluate the fairness of the current formula for determining conference apportionments. They reviewed formulas used in each of the Southeastern Jurisdiction Annual Conferences. The task force recommend, and the 2013 Annual Conference approved, the continued use of the current apportionment formula.

2. Therefore, the apportionments shall be developed using a formula based on financial strength of the local churches and membership of the local churches. Financial strength will be weighted 75% and professing membership will be weighted 25% in the formula. Apportionments will be determined by local church decimal applied to the amount of each budget item at the conference level.

3. The financial strength of a local church in calculating the decimal formula shall be based on all local expenditures (lines 48-57 of the Local Church Report to the Annual Conference). This eliminates all apportionments (including direct billing) and special giving from the formula. (Listing: Standing Rule No. 22)

4. The winter/spring meeting of the Council on Finance and Administration shall be the time for receiving requests from all boards and agencies for the ensuing year. All boards and agencies should be advised that they place their allocations in jeopardy when they fail to submit timely budget requests.

5. The local church will enter the Local Church Report information using the "UMC GCFA Statistical Input System" located on Alabama-West Florida Conference Web Site (www.awfumc.org) Contact the District Superintendent's office for the User Name and Password if they are not known by the church pastor. The pastor and chairperson of the Committee on Finance or the church treasurer shall review the annual local church report as being correct before its final submission. The Fiscal Office will establish a date by which it should be notified if corrections are necessary. If no corrections are identified by that date, the fiscal officer will consider the report accurate. When the new year's apportionments are run in July/August, there will be only one set of apportionments, which will be the final set. There will not be a "Trial Set" of apportionments.

REPORT 10 - District Superintendents' Compensation

In 2012 a task force was formed to study district superintendents' compensation. The task force, composed to both clergy and lay members studied many annual conferences' formulas for District Superintendent's salary. Their recommendation, approved by CFA and approved at the 2013 Annual Conference, recommend that superintendents' salaries be based on the average of the highest 25 senior pastor's salary appointed to a local church from within the conference. The 25 pastors' salaries in the formula do not include District Superintendents nor do they include clergy conference staff members. From time to time CFA may adjust its District Superintendents salary recommendation. In keeping with this salary formula, CFA recommends that the base salary of the district superintendents be $114,979, resulting in an increase of .02239%.

The base salary of the district superintendents shall be set at $114,979 for 2016 with travel expense paid on voucher from a travel pool of $92,000.The executive committee of CFA shall adjust the rate per mile, as needed, within this limit.

1. District superintendents shall receive no supplementary travel funds from district administration funds.

2. Each district shall place funds in its budget for district parsonage utilities, up to a total of $4,500, for each calendar budget year. Utilities to be included are electricity; gas, water sewage, and basic television cable or satellite services, telephone, Internet service, and trash collection.

3. The districts which provide district superintendents a housing allowance in lieu of a parsonage shall designate the housing amount in the minutes of the District Conference. This designation shall be made in advance of payment of such allowance, either upon appointment or in advance of the calendar year thereafter.

4. Each district shall place in its district administration fund an amount not to exceed $2,000 for continuing education.

REPORT 11 - Moving Guidelines and Expenses

The third Sunday following the adjournment of Annual Conference shall be the last Sunday of pastoral responsibility for each conference year. The official moving day will be Tuesday, June 23, 2015 and may be adjusted according to the needs and concerns worked out in consultation with the clergy persons, the churches and approved by the District Superintendent.

The entire June salary shall be paid to the pastor by the church from which he/she is moving. In effect 50% of the annual salary will be paid January through June; with the remaining 50% paid by the church receiving a new pastor. Health insurance contributions and/or premiums, as well as any UMPIP payments are to be deducted from the pastor's compensation for the full month of June, with the receiving church beginning such payments in July.

Upon retirement, disability, termination, or death of a minister serving within the bounds of the Annual Conference and serving a full time appointments under the provisions of Paragraph 333.1 of the *2012 Book of Discipline of the United Methodist Church*, the conference shall pay up to $2,500 for documented moving expenses to the first place of retirement, termination, or disability or the first place of dwelling for a surviving spouse. Moving expenses to be reimbursed shall not be incurred prior to retirement or termination notification to the Bishop and will be reimbursed after the move is completed.

<u>Guidelines for clergy under appointment</u>:
1. Following notification of appointment change by the district superintendent, the Chairperson of the PPRC should contact the minister to be appointed to communicate the church's policy in paying moving expenses and to discuss moving plans.

2. The receiving church is responsible for the first $3,000 of documented moving expenses and is encouraged to pay all documented expenses for the incoming ministerial family.

REPORT 12 - Annual Conference Expenses

2. The *Brochure of Reports* will contain an order blank requiring orders to be placed for the Conference Journal at $25.00 for printed regular bound and $27.00 for spiral bound, CD copies are $8.00, including the cost of mailing. (Paid upon order) Deadline for ordering will be July 31st. Orders received after the deadline will incur an additional mailing charge. Order forms will be available in other places as well. (Standing Rule 15)

3. Retired clergy and surviving spouses of clergy may receive one CD copy of the Conference Journal free, provided it is ordered using the order blank.

4. Electronic versions of the *Brochure of Reports* and the *Conference Journal* may be substituted for printed copies.

NOTES TO THE FINANCIAL STATEMENT
CONFERENCE YEAR 2014

---

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

As a custodial agency of the Alabama – West Florida Conference of the United Methodist Church (the Conference), the Council on Finance and Administration (the Council) receives certain funds of the Conference primarily from member churches and related individuals in South Alabama and West Florida. The Council disburses these funds to or on behalf of and in accordance with the direction of the various boards and agencies of the Conference.

The financial statement does not include all of the accounts of the various boards and agencies, each of which has its own governing body and maintains its own separate accounts.

Basis of Accounting

The financial statement has been prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under this method of accounting, revenues are recognized when received rather than when earned and expenses are recognized when paid rather than when incurred.

Receipts, disbursements, and transfers include transactions through January 8, 2015, which are designated for the conference year 2014.

Cash and Cash Equivalents

The Council considers all unrestricted highly liquid investments purchased with an initial maturity of three months or less to be cash equivalents.

Subsequent Events

Management has evaluated subsequent events through March 17, 2015, which is the date the financial statement was available to be issued.

2. CONCENTRATION OF CREDIT RISK

The Council maintains deposits in various financial institutions. Deposits of $250,000 or less are insured by the Federal Deposit Insurance Corporation (FDIC). Of the total balances of $6,975,502.31 at January 8, 2015, $3,747,834.05 was uninsured.

MISSION TEAM REPORTS

Circles of Transformation

The primary goal of Circles of Transformation is to move families toward self-sufficiency and away from instability, isolation and dependence.

The United Methodist Church worldwide has committed to *Ministry with the Poor* as one of four focus areas. Circles of Transformation (COT) is just that – ministry *with* the poor, not *to* the poor or *for* the poor. COT is designed to transform lives through the building of intentional relationships across socioeconomic, cultural and racial lines.

What is Circles of Transformation?
Circles of Transformation is a ministry of reconciliation, a ministry of restoration and healing. It is a transformational approach that partners community volunteers with adults wanting to make the journey out of poverty. A circle of support is created. Participants are matched with two or three community volunteers who provide encouragement, guidance and support. Time and time again, a new-found hope is born in the participants.

Employment is a primary goal of Circles of Transformation. Surprisingly, fewer than 2% of churches across the country focus on jobs as a way to help families in poverty. And yet jobs are the only way to move families toward financial self-sufficiency.

What is happening in our Conference?
The Dothan Circles of Transformation site has been underway since January of 2013, and has served as our Conference pilot site. The Dothan initiative is growing both in strength and numbers.

Other communities engaged in launching COT this year are Brewton, Eufaula, Selma, Mobile and Phenix City.

Does it work?
Participants are getting jobs, getting GED's, working on education and training goals, paying off debt, opening savings accounts, and setting important goals to build a new future story.

Listen to some of the actual words of participants who are engaged in Circles of Transformation. "Circles is a way to help you actually build a better bridge to the tomorrow that you're looking for." "I feel renewed inside every time I come to Circles of Transformation." "Circles of Transformation is a positive place where people help other people through the obstacles of life." "Circles is…where you meet good people with good and positive hearts."

How can I get involved?
Congregations interested in learning more about this process can call Laurel and Fred Blackwell, Circles of Transformation coordinators for the Conference, at 334.524.3652 or write to them at laurel@awfumc.org.

Division of Hispanic-Latino Ministries

Greetings in Christ! ¡Saludos en Cristo!

To start off, let me pose these questions: Where is your church? In what county? In what district of the Alabama-West Florida Conference? In what neighborhood? In what part of the State of Alabama or Florida?

As a way of example, let's take Okaloosa County, in the Pensacola District. It has a general population of 183,482, of which 7% is Hispanic-Latino, that is, 13,141. The true reality is that in Okaloosa Co. there are approximately 39,000 Hispanics-Latinos living and working, buying and selling, alongside you, in your same county or location. Why? The number that appears in the official census needs to be tripled to reflect the reality.

In marketing, success happens when something *different* is offered and when you are first to get in the market to offer it! Wouldn't this be a great opportunity for mission and ministry in your same community/county? Your church can offer something *different* for t*he different*! Much in the same way as you are structured to offer children's ministry, youth ministry, much in the same way you can hire someone to develop Hispanic-Latino ministries, in your own zip code. Zip Code? This reminds me that our Bishop, Bishop Paul Leeland, wrote a very inspirational and relevant article entitled, "Zip Code Missionaries", and it can be found by visiting http://www.awfumc.org/newsdetail/482176. The article includes a spanish version. Quite an eye-opener! I invite you to read it! You'll love it; it is thought-provoking, to say the least.

In our AWF Conference, there are examples of successful and fruitful churches that invested in a Hispanic-Latino pastor to do outreach to make disciples of Jesus Christ, for the transformation of the world. Just to cite a few examples: Harvest en Español in Dothan, Alabama, mother church Harvest UMC, Misión San Juan, in Clanton, mother church Clanton UMC, Casa de Dios Gateway of Heaven, mother church Richard's Memorial UMC/PUMCM, in Pensacola, FL. Casa de Dios has another extension in Mary Esther UMC, and significant outreach in the Fort Walton area. Check our website www.awfumc.org , for a list of fruitful communities of

faith, and congregations that are true and vivid examples of God in action, of mission in action, in our own zip codes, in this Godly nation.

Success comes when we shift our focus from "me" to our neighbors, when we focus, first, on the people, when we put people's interests first and foremost, and we leave our interests for last.

Wouldn't you feel tempted and gung-ho to do something different for the "different", in your church, in your communities, in your zip codes? Look at your "different" immigrants as your brothers and sisters in Christ, and blessings will start to pour in abundantly into your ministries, into your homes, into your families, in short, into your very own soul!

After all, you were once an immigrant, too!

Division of Native American Ministries

Aldersgate UMC has been a central institution in this rural Native American community for eighty years, serving as a mission church adjacent to and closely related to the local school. Our church stabilized and maintained its presence after a major split in 2004, but three years ago, the direct billing issue required that we go to a part-time pastor not residing in the community. This is the first time in over thirty years we have been without a full-time pastor, and the lack of a pastoral presence has been obvious in both the church and community. In January of 2015, a new school opened on a different site. The facility is incredible, but we are concerned about the future of the old structure, which adjoins the church property.

On the positive side, the move to part-time clergy allowed us to rebuild our financial situation. We are now fully paying our apportionments and have a more positive cash flow, and we have been blessed by some generous gifts as well. Attendance has increased, and several young families are active again in our ministries. We now have three active Sunday School classes, a youth program led by a vibrant young couple, and a mid-week Bible study, led by laity. Our annual VBS, held in partnership with MarThoma youth leaders, is a huge event that touches over 125 lives across the community. Our pastor is leaving in June, and we are praying for a new pastor who can live in the community and fit our financial situation.

In the fall of 2015 we held our 80th homecoming, with the theme, "Still Faithful After 80 Years!" That summarizes our current situation perfectly!

Despite challenges, our church is faithful and thriving, serving this community and reaching out to support the work of the United Methodist Church.

Conference Board of Church and Society

The Church and Society Conference Board brought to the 2014 Annual Conference session three resolutions, which all passed overwhelmingly, on predatory lending, Medicaid expansion, and prison reform. These resolutions were presented to the Alabama legislature and Governor and have been used by board members and partner organizations to educate legislators on the relationship between faith and these issues.

Our Alabama-West Florida board met with our North Alabama counterparts to begin a conversation about ways that we can work together. We share a state, a legislature and concern about many of the same issues. Our boards discussed focusing on one or two issues with broad support that might mobilize as many United Methodists as possible. We are also looking into beginning similar conversations with the Florida Conference board.

Our partnership with Alabama Arise remains strong. In the fall, many of our board members participated in Arise's annual meeting in which the Arise members drive the agenda for advocacy. Medicaid expansion and predatory lending will be included, and prison reform will be addressed as it becomes a central issue in the legislature.

In recent years, Church and Society has held a prayer breakfast for legislators. In 2014, we offered an event in partnership with North Alabama and Arise for legislative advocacy day. In 2015 we offered both events. Dr. Tim Thompson offered a devotion at the Legislative Prayer Breakfast at Montgomery First on March 12. The Advocacy day breakfast was held at River City Church on April 14.

Church and Society is working on providing more resources for our people to understand the issues in which the Gospel overlaps with issues of public policy. The new conference website has given us a forum to post resources on Faith and Science, and statements on issues of current concern such as predatory lending and prison reform.

Our board also participated in a tour of Draper Prison led by former Alabama Supreme Court Chief Justice Sue Bell Cobb. We were deeply disturbed by the conditions we saw there. Particularly, we were moved by the warden and chaplain's plea for help on raising funds for a new Chapel/Worship Center.

In months to come, we plan to develop a comprehensive effort to help our people provide an adequate venue for the Gospel to be proclaimed at Draper Prison.

Conference Board of Congregational Development

The Board of Congregational Development has a dual responsibility to support new church starts and serve existing churches in our conference with appropriate revitalization support.

The board administers a process for evaluation of candidates recommended by District Superintendents to pastor a new church start. Pastors who may have such an interest should discuss that with their District Superintendent. During 2014, six pastors involved in starting new churches received some salary support from the board. In addition, New Church Grants of $30,000 for The Source in Montgomery and $8,000 for the Hispanic ministry at Good News UMC in Santa Rosa Beach were awarded.

Revitalization Grants awarded during 2014 included $17,000 for Zion Fellowship in Montgomery and $10,000 for Bellview UMC in Pensacola.

As a further step to strengthen existing congregations, Rev. Daniel Pezet joined the Conference Staff in 2014 as Director of Congregational Vitality. The Office of Congregational Vitality has launched The Antioch Project. This is an initiative that helps churches enter into a new level of fruitful ministry. The Antioch Project consists of three main phases:

- Leading the local congregation through a time of prayer, reflection, and self study
- Sending a team to develop recommendations for the church to fulfill in the future
- Providing coaches to help the church fulfill its recommendations.

District Superintendents may identify local churches as candidates to participate in the Antioch Project based on specific criteria. Individual churches which may have interest in participating in The Antioch Project should contact their District Superintendent.

As a further aid in church revitalization, district offices and individual churches are supported with demographic information for their geographic area. Contact Sandy Gutting at (850) 430-4300 for assistance with this information.

This report is submitted with appreciation for the dedication and contributions by the members and staff who represent this board.

Conference Board of Discipleship

The conference Board of Discipleship was organized by the annual conference to maintain the connectional relationship between the General Board of Discipleship and the conference, district, and local church. The purpose of the Conference Board of Discipleship is to lead and assist congregations and districts in the conference in their efforts to communicate and celebrate the redeeming and reconciling love of God as revealed in Jesus Christ to persons of every age, ethnic background, and social condition; to invite persons to commit their lives to Christ and to his church; and to enable persons to live as Christian disciples in the world. This purpose aligns with the Mission of our denomination and with the Commission from Jesus, himself.

Consequently, our guiding scripture continues to be Matthew 28:19-20, "Go, then, to all peoples everywhere and make them my disciples: baptize them in the name of the Father, the Son and the Holy Spirit, and teach them to obey everything I have commanded you. And I will be with you always to the end of the age." (TEV) Falling under the prevue of our charge are the areas of worship, evangelism, stewardship, spiritual formation, education, and older adults. The following are reports from those areas:

Worship, Evangelism and Stewardship

The areas of Worship, Evangelism and Stewardship work together with a focus year on just one of the three areas. This focus is called "Seed Cast".

The first year of this planned design was 2013 when the Seed Cast focus was on the area of Evangelism. At that event 67 clergy and lay members of our annual conference participated.

This past year, 2014, the area of Stewardship hosted our seminar, "Seed Cast: Growing a Culture of Generosity" on Saturday, August 23, 2014 at Christ UMC in Mobile, Alabama. This full day event featured Dr. Clayton Smith, the Executive Pastor of Generosity for the Church of the Resurrection in the Kansas City area. There were 99 participants from across the annual conference, clergy and lay, who were equipped by Dr. Smith with healthy ways to approach stewardship by promoting generosity in our local churches.

Spiritual Formation

Spiritual Formation is "*being shaped and formed in and conformed to the image of Christ for the sake of others … and the world*," according to Dr. Robert Mulholland. Spiritual formation offerings through the Alabama/West Florida United

Methodist Church Conference provide opportunities for laity and clergy to experience transformative practices.

Academy for Spiritual Formation #34 – completed in May 2014; a new 2 year Academy will start summer of 2015; the first year is about the inward journey, how the spirit is formed and conformed within through deepening and broadening self-spiritual practices and disciplines; the second year is about how one might integrate this inward Christ image forming in and to the world. There was a 5-day academy on Celtic Spirituality August 3-9, 2014 at Camp Sumatanga. A new 5-day Academy will be in the spring of 2015 on Praying the Psalms with Roberta Bondi & Lloyd Allen.

Companions-in-Christ – This 28-week program creates experiences of intimacy with God, deepened relationships with Christ in small group communities through sharing, caring for one another, prayer, silence, and spiritual exercises. Laity and Spiritual Directors lead these classes.

Prayer Shawl Ministries – Retreats are offered at Blue Lake with worship and spiritual formation experiences and sharing of the passion of crafting and prayer. There is great fellowship among those who enjoy the Prayer Shawl focus. The attendees, when returning home, increase in communities and/or start new Prayer Shawl ministries in their local congregations.

Experiential Prayer Room/Ministries - This provides a place/space for one to intentionally slow down, turn or return to God's presence and ponder, like Mary, the things of God. The prayer stations provide many different types of prayer helping a person clear the mind, and be present to The Creator in prayer – i.e., breath prayer, Lectio Divina, praying with icons, prayer shawl knitting, centering prayer, meditation on music/hymns, prayer of examen, labyrinth, prayer beads, mandalas, etc. The invitation is not only at Annual Conference but being carried out some in the local congregations.

Labyrinth Ministry – This spiritual formational prayer ministry unites mind, body and spirit in the prayer walk. It is sometimes used in conjunction with the experiential prayer room or held as a separate event in some churches or at retreats for different groups and different ages. The churches that have permanent labyrinths are: Gulf Shores UMC, Dothan FUMC, and Dauphin Way UMC; there is also an outdoor labyrinth at Blue Lake; In 2015 Gulf Breeze UMC~Sound Side campus will complete an outdoor labyrinth in memory of a congregation member. The AWFUMC conference large canvas labyrinth housed at Cokesbury UMC in Pensacola is frequently loaned out while the smaller one, housed in the conference office is being loaned out more as others become aware of it. Both are greatly used at conference churches for day-apart retreats, stewardship campaigns, during Lent and Tapestry to name a few.

Spiritual Directors – 1) attended a 4 day retreat & reunion with guest trainer, psychotherapist, Dr. Trudy Corry Rankin in February. She taught the Spiritual Directors about Sand Play Therapy; 2) Spiritual Directors are leading Companions-in-Christ and other spiritual formation classes in their churches & districts, 3) The AWFUMC conference has 3 trained Spiritual Directors in Contemplative Outreach

Centering Prayer facilitation. They are leading Centering Prayer Introduction Workshops and follow up classes in several churches throughout the conference; 4) Spiritual Directors are available for spiritual companioning to the campers and counselors at Camp Blue Lake; 5) We have several Spiritual Directors in the conference giving individual direction with clergy and laity; also we have several who have offered retreats this year for congregations and laity.

Retreats will be available for sustaining Spiritual Directors as well as retreats for sustaining clergy and laity with Centering Prayer, Lectio Divina, and Labyrinth to name a few. Some of our Spiritual Directors have been trained to use the Enneagram as a tool when companioning directees.

District Super Sundays – Different districts invited Spiritual Directors to lead a spiritual formation informational session during their annual Super Sunday. The participants were invited to look at all the ministries as mentioned in this report and possibly include some of the spiritually forming ministries in their own churches.

Grace Note Day – September 29, 2014 the AWFUMC District Superintendents and Spiritual Directors were at Blue Lake for worshipful work. The fruits of this work created the Bishop's vision for Spiritual Formation work done by and with the Spiritual Directors, District Superintendents and the Bishop to help clergy and laity.

AWFUMC BISHOP'S VISION:

- Covenant Groups: 1) clergy; 2) laity
- Group and Individual Spiritual Direction for clergy and laity
- Spiritual Formation classes and experiences at district / church level

The Spiritual Directors are in the process of initial implementation of this vision.

Education

A group of 396 children and chaperones attended **Elementary Winter Retreat** on February 7-9, 2014 at Blue Lake Camp. The theme was "Follow Me" from Jesus' calling of the disciples in John 12:26. Our guest speaker and entertainment was Alan Root, a gifted speaker and musicians. Our rotations included the Challenge Course, Crafts and Bible Story at Dogwood, Hayride/Scavenger Hunt and Prayer Stations at Pinewood and Opening Night and closing Worship were held in Vickers Gym at Oakwood. Participants also contributed over $2400 to the "Imagine No Malaria Lenten" Project.

The Alabama-West Florida Conference **2014 Confirmation Retreat** was held February 28- March 2, 2014 at Blue Lake. There were 150 adults and youth present to "Know, Grow and Show God's Love." Activities centered on committing to Christ through prayers, presence, witness, gifts and service as well as through the sacraments. Bishop Leeland joined the group on Saturday morning as he shared with them and allowed them to ask questions. They also contributed $450 to the "Imagine No Malaria" Lenten Project.

The Alabama-West Florida Conference **2015 Confirmation Retreat** was held February 20-22 at Blue Lake. The Reverend Samantha Lewis organized the event. Bishop Leeland spoke to confirmands from around the conference about personal and social holiness and the general rules of the church. The retreat focused on the United Methodist Membership vows, committing our prayers, presence, gifts, service and witness.

Older Adults

The Older Adult Task Force, chaired by Barbara Wilder, continues to provide programing for senior adults of the conference. On January 27, 2014 they began a new annual event "**One Day**" at Blue Lake with 78 participating. On May 8-10, 2014 approximately 85 people participated in the annual Inspirit Retreat. For their second One Day event on January 10, 2015, 86 were in attendance. They hosted the **Inspirit** Older Adult Retreat on May 8-10, 2015 at Blue Lake Assembly with keynote speaker Missy Buchanan.

This report is submitted with grateful appreciation for the work done by the members of the Conference Board of Discipleship and the various committee members who have helped area chairpersons perform their mission.

Conference Board of Global Ministries

The Conference Board of Global Ministries (CBGM) has five divisions: The Division of Advance Specials, Division of Health and Relief Ministries, Division of Parish and Community Development, Division of Disaster Response Ministries, and Division of UMVIM (United Methodist Volunteers In Mission). Reports from those who lead some of these divisions are included in this brochure of reports. In 2014, one new area of focus for the Conference Board of Global Ministries has been developing the new partnership between the Alabama-West Florida Conference and the Red Bird Missionary Conference. This partnership is an updated way of understanding mission that goes beyond the traditional hammer and nails projects. This partnership encourages all participants to offer their assets to each other, and the goal is to develop a collaborative partnership which builds strong relationships over the long term and enables us to work together to make disciples of Jesus Christ for the transformation of the world in our communities and conferences of the UMC. Each AWF district is partnered with one to four churches of the Red Bird Missionary conference in which relationships are built, love and encouragement is shared, and ministry can be transformational and meaningful. If your congregation is interested in learning more about this exciting partnership, contact Susan Hunt at susan@awfumc.org or 334-356-8014.

The CBGM is also taking a closer look at the ministries included in the Advance Specials. As stewards of the guidelines (found at www.awfumc.org/advance), we will be looking more closely at how well each ministry follows them and meets our

expectations. However, we feel that all of the organizations listed within the Advance report provide quality ministry and we encourage your support through your time and resources.

The UMVIM Division continues to offer quality training for leaders of mission teams. Well-trained team leaders, and thus their teams, are more effective in ministry in the world for Christ's sake. Whether the team travels far or near, this is invaluable training for the leader to have the most well-prepared and spiritually enriched teams possible. Find more information at www.awfumc.org/umvimtraining. The UMVIM Division is also an excellent resource for planning your next mission trips, as well as offering insurance for travelers.

Mission is why the church exists. We look forward to doing our part of the overall ministry of the United Methodist church as the Conference Board of Global Ministries as we join together to "make disciples of Jesus Christ for the transformation of the world."

Respectfully submitted,
Rev. Dr. Jason Thrower, Chair
Conference Board of Global Ministries

COMMITTEE REPORTS

Commission on Archives and History (COAH)

The speaker for the 2014 Memorial Service was the Reverend Jackie Slaughter who shared a message of the joy of Resurrection, "Resurrection Love Letters," comforting the families of those clergy and clergy spouses who have passed on to

the Church Triumphant. We are grateful to her and to all who participated in the service making it a truly special remembrance of those who have faithfully served.

A main responsibility and joy for this committee is to serve the Memorial Luncheon for the families of the deceased clergy and spouses. Raleigh Wilkerson and his staff of Blue Moon Catering in Camden, Alabama catered the Memorial Luncheon. We served 129 people. The families enjoyed good food and good fellowship.

The Local Church Heritage Award for 2014 was presented to the Frisco City UMC whose pastor was the Rev. Elaine Hagenbuch. The church sustained a fire but persevered, gathering materials and memories to celebrate 100 years of serving their community. Their oldest member was present along with their pastor to receive the award. Every church has the opportunity to be recognized for this honor, so please consider nominating your church. Plan a special Heritage Sunday, take pictures, tell your stories and submit these for the award. We can all appreciate our heritage as United Methodists.

Our Conference archivist, Sharon Tucker, and her assistant, Mary Ann Pickard, along with student workers continue to receive and file records for our churches. They are available to assist any church with historical records. They are located at Huntingdon College in the library.

We encourage each church to have a church historian who will keep in touch with our Archives Center. Plan to visit Huntingdon College and speak with Sharon—she will be happy to serve and guide you.

Rev. Ed Shirley is now the Conference Historian. Our history is not only our story but also God's story at work in us and through each of our churches. May God be glorified as we preserve and share these stories.

Reverend Pamela Avery, Chair

Alabama-West Florida Conference

Historical Society President's Report

The Alabama-West Florida Historical Society is a voluntary membership organization whose mission is to promote Methodist history within the Conference. It is affiliated with the Commission on Archives and History. Anyone who is interested in studying and preserving the heritage of this Conference and local churches are welcomed and encouraged join and participate. If interested in learning about the activities and histories or other areas of the country and our Methodist churches, membership in the national organization is open to all interested parties. Part of that membership is receipt of newsletters and our Annual meetings that help to study and record the history of specific churches and areas.

A request was made of members at the last Annual Meeting for suggestions and invitations to study the history of specific churches. The Executive Board met and chose DeFuniak Springs, Florida, due to the strong tie both the town and the church had with the development of training programs for youth and children leaders of the Methodist church in New York. Greg Reynolds, member from that church, extended the invitation.

Thanks to the help of the youth and church members at DeFuniak Springs United Methodist Church, we were able to learn more about the beginnings of educational programs within the Methodist Church in the 19th Century and how that morphed into the founding of DeFuniak Springs, Florida, and the Methodist Church on the Circle around the lake. The name of this educational organization was carried over from its beginnings around Lake Chautauqua, New York, to Florida where the weather was more agreeable. We learned that the Florida Educational Association sprung from these meetings and a college was built in the town. A railroad track across the Pan Handle had been laid and multiple trains came through, daily, bringing people to attend these meetings. The meetings were housed in tents, initially, and a large hotel. Three surveyors for the railroad had discovered the beauty of the area around the lake and bought land around it to sell to northerners desiring to have winter homes and attend the Chautauqua meetings. Land was provided for the Methodist to build a church and parsonage. Other churches, also, located on the Circle with the Baptist locating two blocks off from the lake. From its small and umbel beginnings, the Florida Chautauqua expanded to include various cultural programs. A depot was expanded and by the end of the Century and the beginning of the twentieth there was a sizeable town built among the palm trees and in warmer surroundings. A large Chautauqua Assembly building housed

the meetings that could accommodate up to 4,000 people. It was large enough to support having the Methodist Annual Conference one year. Sadly, after World War I attendance dropped off and the Assembly programs faded in the early 1920's. They were revived in 1996, but the Assembly Building was unsafe to use and much renovation had to be completed before it was usable again. There are currently 17 Chautauqua Assemblies across the United States. Programs today include history, health, art, and current events plus entertainment from performers that come from across the country. The Assemblies originally lasted up to nine weeks, but those today are four days in length. The Chautauqua Assembly in DeFuniak Springs started on February 10, 1885, and after being disbanded for almost 70 years, it remains today for the general public to enjoy and learn from events and exhibits. A theme is chosen each year and Transportation - From River Travel to Space Travel was the theme for 2015. They hold these meetings every January.

A short business meeting was held during the meeting on January 24, 2015, after a great barbeque lunch provided by the Youth Program of the church. The Youth prepared the meal, served attendees, and entertained with guitar music and songs. They worked to raise money to help pay for a mission trip in the Spring. During the business meeting Dr. Bob Couch was remembered as having been a faithful member of the Historical Society and served on the Executive Board several times. He was elected secretary prior to his passing. Mary Ann Pickard, Financial Secretary, made a motion that we seek volunteers to serve on the Executive Board, then grant them the ability to elect officers for the coming year at the first meeting of the Board. This motion was passed and five members so volunteered to serve. Evaluation Forms were provided and returned to help plan for future meetings.

During Annual Conference, the Historical Society assists the Commission on Archives and History to organize, decorate for the luncheon, and generally guide and serve those the families and spouses of those ministers of the Conference who have passed on since last they met.

Committee on Episcopacy

The Conference Episcopacy Committee continued its collaboration with the Southeastern Jurisdictional (SEJ) Episcopacy Committee to establish more uniform standards and mechanisms for supporting and assessing the work of our bishops across the jurisdiction. Toward that end SEJ defined eight categories of duties for area Episcopal leadership and a survey instrument for use by the conference committees. The Alabam-West Florida (AWF) Conference Committee on Episcopacy complied with the SEJ recommendations in that all eight categories of duties were discussed with our bishop and the survey instrument was utilized.

These SEJ recommendations are intended to be support systems to the conference committees in their work with their individual bishop. Our Committee benefited

from a long established, healthy working relationship with our bishop. The benefits of working with a bishop who is conscientious are not to be underestimated.
The first survey conducted by the committee revealed our process was in need of some improvements including greater availability to all committee members and a mechanism to assure confidentiality in responding. Both of those issues were addressed and with the assistance of AWF Conference office staff an account was established with an online survey service, Survey Monkey, which enabled member responses to be confidential. These debugging processes will serve the committee well as it moves into the last year of this quadrennial and the need for our SEJ Committee on Episcopacy representatives to clearly articulate the accomplishments of the past quadrennial and our leadership needs for the next quadrennial.

AGENCY REPORTS

Blue Lake United Methodist Assembly

The mission of Blue Lake United Methodist Assembly is to be the center of Christian hospitality and learning designed to help people affirm and expand their faith in God and service as Christian disciples. In 2014, Blue Lake saw almost 9,000 people use our camp and retreat facility for a total of 27,500 user days. That is a lot of people to come thru the gate at Blue Lake.

I have the great privilege to follow the retirement of Phyllis Murray as the new Executive Director at Blue Lake. My wife, Elaine and I are excited to be in the Alabama/ West Florida area and are blessed to be able to lead the ministry of Blue Lake United Methodist Assembly. My experience as the director of Blue Mountain United Methodist camp in Missouri for 11 years has given me many of the tools I need to run a ministry like Blue Lake. I am blessed to have a staff that love Blue Lake and give their heart and soul to the ministry. I would also like to thank Phyllis for the work she did over the last 5+ years to help make Blue Lake what it is today. We are grateful for all the parents who trust us to help in the spiritual formation of their children. We are also grateful to the many organizations, families, churches and individuals who support Blue Lake with their gifts and attendance. With the help of my Program Director, Eric Hindmon we continue to offer new and exciting programs to reach all the members of the AWF Conference. Besides our summer camp program we also have Family Camp, Marriage Enrichment Retreat, Winter Retreat, our Inner City Camps, Visually Impaired Adults Camp, NOMADS and many other Blue Lake sponsored events along with all the church retreats that we are able to partner with. It excites me to see the love and commitment to Blue Lake.

Methodist Homes Corporation

The Administration on Aging predicts that by the year 2030, almost 72 million people will be over the age of 65 in the United States, up from 40 million in 2010. It is estimated that one-half of those persons will need care in a nursing home at some point. The elders of the next generation are unlikely, however, to be content with the current nursing home system. Methodist Homes is taking steps to transform the current system, and specifically the culture of care for the aging in Alabama, creating communities and nursing homes that provide a true sense of home to our elders. You can be proud of this journey we are on, and here's why.

By and large, today's nursing homes are full of great people who care deeply about what they do, and provide excellent care. But our country developed and passed down to us a system of warehouses for the old and frail – nursing homes – where caring staff are reduced to performing assembly-line work. Although certainly not intended, good people are trapped in a deeply flawed system.

Most of us already know the current system of nursing homes in this country is broken, and that is why we fear it so. Upon admission, elders are stripped at once of privacy and home - much of what we value as human beings is gone in an instant. It is no wonder that many elders slip from a state of well-being, because they become completely disconnected from their humanity - by loss of familiar places, personal possessions and the complete loss of hopes and dreams.

Methodist Homes embraces and advocates a new culture of nursing home transformation that has emerged in recent years. In the words of a pioneer of this effort, we are "replacing the institutional culture and its environmental trappings with surroundings that foster warm, personal relationships; where small groups of elders, supported by self-led teams of employees, determine how to live and build community." It's about creating "home instead of institution, valuing person over system, and operating by self-determination and shared decision making rather than subordination."

This transformation is a process, and will require building remodeling and renovation, as well as reallocation of resources and transformation of staff processes, task assignments, and authority. It is said that only about 3% of the nation's 16,000 nursing homes have begun this process. It will not happen overnight, but Methodist Homes is committed to the change, the plans of which are already well underway at Wesley Manor in Dothan.

Together with Wesley Manor, the Epworth House (Selma), Wesley Scott Place (Pensacola), Wesley Gardens (Montgomery), Mathison Retirement Community (Panama City), and Wesley Haven Villa (Pensacola) proudly provide housing, care and comfort to more than 500 elders in the Conference. Of this number, there were 25 individuals who needed financial assistance from the Fountain of Love Fund in 2014, totaling $265,200. We deeply appreciate that you help us maintain and grow the Fountain of Love Fund by including the Fountain of Love in your missions

giving or by holding a special offering one Sunday each year. By doing this, you can ensure that Methodist Homes elders get the care they need regardless of their financial circumstances.

Thank you for supporting the Methodist Homes in the Conference, as well as the Fountain of Love. I look forward to sharing with you an exciting future in elder care.

United Methodist Children's Home (UMCH)

Brothers and Sisters in Christ,

The United Methodist Children's Home (UMCH) will enter its 125th year of operation in 2015. I believe we will look back on the year 2014 and note that it was a major turning point in the direction of UMCH. In this brief report I will highlight the vital statistics of our work in 2014 , as well as summarize the programmatic highlights and changes.

•In 2014, UMCH served 65 youth through 8 Group Homes in Alabama and Northwest Florida. UMCH also served 55 children through its therapeutic foster care program in Alabama. In addition, UMCH served 58 children through its Florida Foster Care program.

•With regard to non-residential services, UMCH served 176 families through its Family Preservation Program in Dothan and Andalusia, which represented 674 individuals. This program has a 90 plus % success rate in preventing family dissolution due to child neglect. UMCH also served 20 families through its adoption services program, representing 44 individuals.

•Of the 982 individuals served through our programs, 12 of these were young men and women in our new higher education scholarship program. This past fall, UMCH enrolled 7 young men at the University of Alabama and 5 young women at the University of North Alabama. Our young men are housed at our Tuscaloosa group home and our young women are residents of our Florence group home. 100% of the cost of their higher education is being paid for by the generosity of our United Methodist Churches and their members.

•As of June 2014 UMCH transitioned the Crestview Group Home into the Crestview Teen Center to offer services to foster parents and youth. Through the various programs, UMCH served 11 with mentoring services, and 36 within the other classes offered. By utilizing various mentoring and support programs and classes, our goal is to help youth and families reach their personal, educational, and spiritual goals.

•In July of 2014 The United Methodist Children's Home Volunteer and Mission Team set out to serve the hungry and homeless community in New York City. In partnership with Youth Services Opportunities Projects, 15 UMCH youth and staff members participated in various service projects across the city. Not only did this trip play an intricate role in expanding our youth's world views, but it taught them how to be the hands and feet of Jesus by caring for those less fortunate.

•UMCH is engaged in ongoing dialogue with several children's agencies about how to expand the scope of our work to children and families in metro-Birmingham. Previous planned renovations to the Overton Road group home have been put on hold while these planning discussions take place. We anticipate investing heavily in services for children, youth, and families in metro-Birmingham in the near future, but want to do so in a way that has maximum impact with the resources our churches and private donors have entrusted to us.

•UMCH began the pre-planning phase of strategic planning in September of 2014. The pre-planning phase began with a staff and board study of Jim Collins's book, "Good to Great" in order to create a unified framework for planning in 2015. This phase outlined 5 key areas of focus in the coming year of planning: 1. Ministries and Services 2. Facilities 3. Funding/Finances 4. Marketing/Branding 5. First Who Then What: Recruiting, Training and Retaining the Right People. In addition, a UMCH clergy advisory board was created to keep clergy in both conferences informed about UMCH's ministry and to receive sustained feedback and counsel regarding the ministry's strategic direction.

The United Methodist Children's Home is a **ministry** of the Alabama/West Florida and North Alabama Conferences of the United Methodist Church to the hurting and forgotten children of Alabama and Northwest Florida. With God's help and the support of our United Methodist churches, we are developing new and creative ways to fulfill the greatest and most ageless mission an organization could hope to have: "*To follow the example of Christ by embracing all God's children…….one child, one family at a time*."
God bless you, churches and believers of this great annual conference, for seeing the great needs of our children and responding so faithfully!

Grace and Peace,

United Methodist Connectional Federal Credit Union

Throughout the years, your Board of Directors has adopted strategies for short and long-term goals that insure the Credit Union's future development and growth. During 2014, we continued to implement those endeavors necessary to maintain growth along with a strong financial picture.

Our achievements include:
•Four $1,000.00 college scholarships were awarded to members ages 17 – 35 of the Florida, North Georgia, South Georgia and Alabama-West Florida Conferences.
•We continue to fulfill our mission of "Supporting Those Who Support the Light of Christ" through our low-cost/no-cost financial services for our churches.
•We implemented "SPRIG by CO-OP" – a smartphone, tablet and web app that allows members to make deposits, check balances, transfer money between accounts, pay loans and make person-to-person payments from virtually anywhere using the camera on their mobile device(s).
•We continued to have several very successful car loan promotions that helped members reduce their monthly payments on their current loans at other financial institutions and obtain great rates on new vehicle purchases.

In 2015, we are introducing upgrades to our Protection Plus Checking that provide members with greater value and increased security and expanding our VISA Credit Card Program to include the ability for almost all members to obtain a credit card. Lastly, look for our new theme for 2015, "Helping People Afford Life" as a part of all of our communication efforts with you. And, make sure you let other eligible family members and friends know the value of credit union membership too!

Of course, all of this could not have been achieved without our staff, my fellow board members, and other volunteers that helped make 2014 another great year for your Credit union. Most importantly, however, I want to thank you, our members, for continuing to do business with your credit union.

We're Safe. We're Secure. We Are Your Credit Union!

United Methodist Development Foundation, Inc.

The Alabama-West Florida United Methodist Foundation is your resource for endowment, investment and trustee services within the Alabama-West Florida Conference. All of our financial and advisory services are positioned around the mission of guiding and strengthening the local churches and agencies to better fund the vital ministries they offer within their communities and beyond. Information on our services can be found on our website at www.alwfumf.org.

The Foundation's services of trust accounting and investment management have continued to attract new church and donor partnerships. In 2014, eleven new accounts and excellent investment returns grew our assets under management from $74.08 million in 2013 to $78.56 million at the end of 2014. This growth then in turn increases the cash flow of income going back into local ministry opportunities and beyond. Just a few examples of the uses of these funds have been: to provide scholarships to seminary students, to establish a long-term endowment fund of support for the future, to provide for building maintenance, and to supplement travel and other expenses related to mission projects. The investment opportunities within the Foundation are unique and specific to United Methodist goals and values, unlike most retail funds. As a non-profit organization of the Church, we have been able to keep costs low and recommendations objective.

In setting up a framework for planned gifts to be made to the Church, the Foundation's "Endowment Fund Program" provides the documentation and guidelines for planned giving. This service for local churches is creating a climate of financial planning and generosity among our members. As a result, the Foundation is partnering with a company offering extensive estate planning for church members. Philanthrocorp, a Christian based organization, provides step by step guidance in estate planning solutions unique to each family. The church partnering with Philanthrocorp can be confident that their members are receiving care and competent technical guidance. Please call the Foundation office at (334)793-6820 for more information.

To better serve our partners, we have added software upgrades that will allow flexible spending policies and on-line access to account statements. Our client services will continue to be the focus in our growth and expansion. Education and communication will be enhanced with the addition of a new staff position in early 2015.

On behalf of the staff and Board of Directors, we say thank you for the opportunity to serve you. The Board of Directors unanimously endorses and recommends the following board and officers.

Lany Simmons, President
Terri Turner, Executive Director

United Methodist Development Fund

The United Methodist Development Fund for our Conference provides sources of financing for church and church organizations' building projects, renovation projects and property purchases. Loans are made possible by deposits from local churches, agencies and church members looking for both competitive rates on liquid funds and the opportunity to participate in church building and growth.

Any church or individual can invest in the United Methodist Development Fund accounts. Applications are available through the United Methodist Foundation office or on our web page, www.alwfumf.org. Interest earned on the deposits may be mailed to you as frequently as quarterly or reinvested into the same.

Loans through the Development Fund are only offered on a first mortgage basis or by assigning assets already held through the United Methodist Foundation. The Development Fund does not charge points or closing costs for establishing a loan; however there are certain normal filing requirements. The Development Fund staff works diligently to respond promptly to the needs of the church and works as a consultant to determine the financial impact on the church of the debt amount. For information on **rates and availability of funds** please call Terri Turner at (334) 793-6820.

We are saddened by the loss of long-time board member Leon Hilyer of Troy, who had served as our Board President since 1996. We appreciate the hard work of our Board of Directors and their commitment to providing the services vital to church growth in our Conference. We endorse and recommend the following board and officers.

MISSION and MINSTRIES

Alabama Rural Ministry (ARM)

The highlight of our year has been the renovation progress with Tuskegee Methodist Church into a community outreach center we call "The Hub". Check this out! Imagine a space that buzzes with daily ministry and outreach in an area hungry to experience Christ's love. Imagine families and individuals having resources to repair their homes and discover several housing options. Envision several children safely engaged in the afternoons doing homework, getting tutoring, and beaming with creative expression. See a community garden, green and growing, giving access to healthy food while building relationships. Visualize people with brokenness receiving support with areas in mental health and meeting for Christian counseling and renewal. Imagine upstart, local entrepreneurs launching their dream business and collaborating through shared office equipment and space. Consider their savings on initial overhead costs while also providing rent income to the

HUB. The possibilities are endless! Plus, this space will serve as the summer bunkhouse for ARM's youth camps. These camps host several hundred youth each summer who swarm our community with hearts, hammers, and hands ready to extend Christ's love to families and children through home repair and Christian Day Camp Ministry. See our face book page and the Tuskegee Album for pictures of the progress. More about that below...

Here are a few other **updates**:
Cycle of Service, our bicycle ride across the state last May raised over $33,000 for home repair and hosted a total of 10 riders. Part of the fundraising success was due to a large gift from Auburn UMC to help us renovate homes in Tuskegee. Several Methodist Churches between Livingston and Georgia helped out! Livingston UMC, UWA Wesley Foundation, Memorial UMC (Selma), and Tuskegee Methodist to name a few. This ride is slotted for April 24-26, 2015 and will cover 300 miles in 3 days touching 3 states.

Our Summer ministry: We hosted over 400 volunteers between our two camps in Livingston and Tuskegee. This represented 19 youth groups from across the Southeast. Together we laughed, cried, worshipped, and reached out in graceful, Christ-centered love to 19 families through home repair assistance. Sonshine Kids Day Camp continued its ministry with children and both day camps served approximately 35 kids each. Since each camp is held in a local school, our groups also engaged in community development by painting classrooms and beautifying the spaces.

Fall ministry: Make A Difference Day and our Saturday Serve Days continued to help us complete and open new homes. Our volunteers, who we like to term our "friends", came from college groups and local churches in the Auburn area. We are grateful to churches like Auburn UMC, Auburn Wesley Foundation, Beulah UMC, Cornerstone Church, Grace UMC, FUMC Opelika, Trinity UMC, and of course Tuskegee Methodist who continue to participate in these service days. And don't forget "The Shack" where director, Lisa Pierce, accompanied by board members, local pastors, and others lived in shacks to raise funds and awareness about poverty housing. Our efforts generated over $64,000!

Winter Ministry: Our MLK worship service and that National Day of Service is always a highlight in the winter months. Rev. Robert Spicer from Zion Methodist Fellowship was our worship pastor and delivered the sermon, "Transformed Noncomformists" written by Dr. King. His choir joined with three other choirs helping us all have an incredible night of worship with the Tuskegee Community. The day of serving had approximately 85 "friends" who split into several groups doing home repair, renovation at the Tuskegee Methodist, or a children's Bible camp. Spring Break groups will start arriving in March and help us move one step closer to completing homes for 3 families. We have also had six other Saturday work days this winter!

This year, we also were blessed to have a young adult missionary through Global Ministries. Rebecca (Becky) Dean came to us in March 2014 and will be with us through July 2015. She spent the first part of her missionary service in Ecuador. Becky has been an incredible blessing bringing lots of energy, compassion, and a never quit attitude. Through her work, she has helped families apply for USDA renovation grants which has given each family access to $7500 worth of renovation funds. Additionally, she has trained volunteers from Grace UMC and Livingston UMC on how to put these packets together expanding our capability and giving families an extra loving touch. We are very grateful for Becky and her wonderful service!

Behind each family, each child at day camp, and volunteer is a story. The narrative of Jesus' redemptive love and power over our brokenness and pain continues to weave its way through all we do. Our prayer is that every person is touched by Jesus and that is why we always speak in terms of extending Jesus' love. We hope you will join us in that lifestyle!

How can you plug in?

1) We can come to you! Our ministry team can come and do workshops that help you connect to low-income, broken, and the "unseen" people in your community. We can also preach a sermon lead a youth or college retreat, or help with your mission event, so just give us a shout.
2) We can help you understand the political structures in Alabama that perpetuate poverty-keep your eyes on the Alabama Housing Trust fund and the bill to better regulate pay day lenders.
3) Of course, bring a group either in the summer or for a weekend retreat to do home repair. We'll help you plan it out and cover the details.
4) Finally, you can help us renovate Tuskegee Church. We have to raise another $125,000 to get this space suitable to housing our teams, hosting other ministries, and providing incubator space for new businesses. $60,000 of that is needed before May of this year. Stay tuned for how you, your small group, or church can play a major role!

We thank all of those who have come to Tuskegee and Livingston to serve with us. We are grateful for all of our partner churches, groups, and individuals who give and also challenge and encourage us! Our vision is to eliminate poverty housing in rural Alabama and you all are instrumental in making that happen. See you all at Annual Conference. Come get filled at the snack bar and of course get your new coffee mug! Blessings to you all in your ministries!

Grace and peace,
Lisa Pierce

Mary Ellen's Hearth (Nellie Burge Community Center)

The Nellie Burge Community Center was formed in 1904 by a group of women from Court Street Methodist Church to serve the needs of underserved women with children. Since that time there have been many programs offered by the Nellie Burge Community Center but it has always served the needs of women with children.

On August 1, 2012 the Nellie Burge Community Center opened Mary Ellen's Hearth, a transitional home for homeless mothers and their children. The primary goal is to foster independence and help the residents to gain the life skills necessary to prevent future chronic homelessness, and do this in a loving Christian setting. The women and their children may live at the center for up to two years as long as they are working on independence. While living at the center they are trained in financial literacy, parenting, life skills, nutrition and adult education. They will find a job and save money so they can live self-sufficiently. Since Mary Ellen's Hearth has been opened, one family has graduated. This mother bought her own house when she left. We have several mothers that have paid off large amounts of debt including over $10,000 and some that are no longer on any government assistance.

The new program is named after Mary Ellen Bullard. She lived to serve and held every lay position imaginable within the United Methodist Church from Director of Christian Education at the local level to Executive Committee of the World Methodist Council. One of her greatest passions in Montgomery was the Nellie Burge Community Center. The Board of Directors at the Nellie Burge Community Center is proud to honor her legacy by naming our new ministry Mary Ellen's Hearth.

Mary Ellen's Hearth at Nellie Burge provides hope, help and healing to homeless women and children throughout the River Region. We offer hope by providing life skills training. We offer help by providing transitional housing. We offer healing through Christian love and support. The goal of Mary Ellen's Hearth is for the families we serve to leave us within two years...their dignity and self-respect restored...prepared for a life of independence.

Milk and Honey Outreach Ministries

Milk and Honey Outreach Ministries was established in 1992 as a children's Bible study program within a low income, inner city housing project. It soon became apparent that many of the children were having difficulty with reading and faced many other challenges that were not being addressed by the services that were being provided. By 1996, the program was incorporated as a community-based non-profit organization (501C3) and children received after school care, tutoring, mentoring, and nutrition, in addition to Christian education.

This ministry is an expression of God's love in the world and serves to bring God's healing, hope, and help to people in need. Milk and Honey has partnered with and been supported by a number of churches including Methodist, Episcopal, Presbyterian, Baptist, and the Protestant Navy Chapel as well as a number of community and governmental organizations including the City of Pensacola, United Way of Escambia County, the Department of Juvenile Justice, the Community Drug and Alcohol Commission, and the Community Action Program.

By providing services within the neighborhood, by consistent, trusted African American role models and dedicated volunteers, the program has become a valuable part of the lives of needy children. Our current programs include:

After-school program:
This program provides services to 35 children 4 times per week, 2-4 hours per day from August to May. Services include academic tutoring, counseling, computer training and a weekly Bible study. Volunteers help with basic reading and math skills as well homework assignments. Nutritious snacks donated by the community are also provided during Bible study. Because of the closure of the neighborhood school in our target area, we have changed the hours of operation of our after-school programs to accommodate an extra hour bus ride experienced by many of our students. Even though the children in our after-school program live in the same neighborhood within walking distance of each other, they currently attend six different elementary schools. Our efforts have been to provide consistent nurturing, support and encouragement to our students and families during these challenging times as well as academic assistance.

Summer Camp Program:
The summer camp program operates from June to August, Monday- Friday, from 8 a.m. to 3 p.m. to provide safe, fun, enriching activities in a Christ-centered atmosphere. Many of the children we serve are from low-income single-parent families and providing supervised activities during off-school hours is very important. Children are most at risk to be involved in delinquent activities during the after-school hours and school breaks. Our Summer Camp is an opportunity to make a positive difference in their lives. Weekly, an average of 35 students, ages 6-14, participate in this program that includes a daily meal provided by the Florida Impact. In June 2014, every student enrolled was impacted by the Lexica Reading Core 5 Reading and Comprehension Program. Lexia provides explicit systematic personalized learning on foundational reading skills for students of all abilities and delivers referenced performance data and analysis without interrupting the flow of instruction to administer a test. This research proven, technology based approach accelerates reading skills development, predicts students' progress, and provides data driven actions to further help each student. We also provide computer classes. Also, a large part of the program involves off-site activities and providing safe, reliable transportation is the limiting factor in the number of children served by this program. Activities include swimming, skating, bowling, weekly trips to local library, and field trips to places of local interest such as the University of West Florida Nature Trail, Naval Aviation Museum, Pensacola Historical Village, Pelicans Baseball games, and other places of local interest. We also provide ongoing Christian education and partner with local churches to provide Vacation Bible School.

Spring Break:
This program was initiated in 2003 in partnership with the Pensacola First United Methodist Church's Bishops' Initiative on Children and Poverty Task Force. Most of the children served by Milk and Honey Outreach Ministries receive free lunch at

school during the academic year and through the Summer Camp (Florida Impact) during the summer vacation. There was a need to provide a nutritious lunch during the week-long Spring Break. Similar to the Summer Camp Program, this is also an opportunity to provide a safe, nurturing place for children when they are out of school. Activities include a spiritual focus each day with scripture, music, crafts, and fellowship. In addition, we have character building workshops to deal with issues of anger management, conflict resolution, drug prevention, etc. and special arts, dance, and sports activities. An average of 35 children, ages 6-14, attend each day.

Girls Embracing a More Excellent Way (GEMS):
This program is targeted to African American girls 10-17 years old who are from a single family home and/or from a high crime neighborhood. Milk and Honey recognizes that girls with the above background need a support system to ensure successful entry into adolescence. For many of our girls, there is a family history of teen pregnancy, lack of parental involvement, peer pressure for sexual activity, inadequate positive role models, inadequate communication between children and adults, and large quantities of idle time. A pilot program was conducted in 2000 and 2001, but the program was discontinued due to a lack of funds. The pilot program showed such a need for this program is overwhelming and it was reinstated in 2004. Since then activities have included a series of Friday night workshops in which informal group sessions are held with the girls to discuss issues that they are facing each week. Through these sessions and one-on-one mentoring with positive role models from the Links, Incorporated. The members of The Links, Incorporated are influential decision makers and opinion leaders. The Links, Incorporated has attracted many distinguished women who are individual achievers and have made a difference in their communities and the world. They are business and civic leaders, role models, mentors, activists and volunteers who work towards a common vision by engaging like-minded organizations and individuals for partnership. (Our goal is to have 20 girls with 20 mentors by the end of the year). The girls will learn strategies for effective goal setting, support for a commitment to a lifestyle of sexual abstinence until marriage, appropriate methods for interacting with peers and adults, and how to identify their spiritual gifts. An annual conference is held in December to reinforce the mission of GEMS by helping the girls set high goals of self-awareness, embracing a new generation of standards, choosing a more healthy life path, and provides an opportunity for GEMS and other girls programming in the Pensacola and surrounding areas to meet each other and learn valuable information for their future.

Thanksgiving and Christmas:
Activities include every family participating in any program offered to the Kid's Club. Program provides for Thanksgiving and Christmas food baskets with all the ingredients for a traditional holiday feast including turkey, dressing, gravy, cranberries, green beans, corn, sweet potatoes, rolls, and dessert. Each meal is delivered to the household with serving utensils, aluminum pans, and table decorations. At Christmas (in partnership with other organizations and individuals) we provide new clothing for parents and other siblings (new undergarments, socks,

and t-shirts for each child); new household items (given at the parents' request); dental hygiene items (toothbrushes and toothpaste); and toys (the latest electronics and traditional dolls and trucks). At this time, we also replenish school supplies such as paper, pens and pencils, glue, folders, and organizers for the kids.

Mission u

Dothan First United Methodist Church was the site for the July 11-12, 2014 Mission u Event sponsored annually by United Methodist Women, Conference Board of Global Ministries and Conference Church and Society. Approximately 190 individuals participated.

Studies this year included The-Roma-of-Europe , led by Ruth Ann Powers; How is It With Your Soul, led by Rev. Wesley Wachob; and The Church and People With Disabilities , led by Debbie Bracewell and Harry Hodges.

A hands on component was implemented this year with Harry Hodges leading in correct way to construct ramps for homes with individuals requiring assistance. Several men and women took advantage of this half-day activity.

Individuals interested in learning about local, national and international issues are strongly encouraged to participate. We live in a global society and it is imperative that we seek to learn as much about issues impacting each of us as possible.

F. Lynn Hamric served as Dean and with the tremendous assistance of the afore named individuals as well as those attending made this one of the best Mission events ever.

We have decided to move the Mission u event around the conference in an effort to make it more accessible for some individuals who have limited travel ability. Margie Miller, Dean for the 2015—2016 event led us in these exciting mission studies: Spiritual growth: - Created for Happiness: Understanding Your Life in God; Issue study: The Church and People with Disabilities; Geographic: Latin America: People and Faith. We returned to Dothan First United Methodist Church for the 2015 Mission u Event.

United Methodist Inner City Mission

The United Methodist Inner City Mission has several ministries to serve the needs of those living in the Oakdale-Maysville Community of Mobile, Alabama. According to the most recent Federal Census, 81.2% of the households in this area have low/moderate incomes which make it the poorest community in Mobile. The Mission provides a full scope of programs to minister to the spiritual, emotional and physical needs of the community. The staff of the Mission's Community Enrichment Program oversees a day program for senior citizens who are on limited income and often times are living by themselves with no personal means of transportation. Mondays thru Thursday they are transported to the Mission for group activities including devotions, singing, ceramics, and table games. They are also taken shopping and on Wednesdays they are taken to a local church where they worship and fellowship with other senior citizens. The Community Enrichment Program and its Oakdale Community Service Club partners with Raise the Roof through Dauphin Way UMC to identify homes that are in desperate need of new roofs, painting, or repairs. Within this past year, ten homes of Oakdale-Maysville residents have benefited from this ministry. Members of Raise the Roof have been able to use the relationships established through this program to build long term ministries with those who have been served. This past summer older youth who participate in the Mission's programs at Taylor Park participated on the Raise the Roof work teams. They were able to give back to their community which has supported them through the programs at Taylor Park.

The Mission continues to staff and operate all of the programs at Taylor Park Community Center which is two blocks from the Mission. The Park is located next to Oaklawn Homes which is a 100 unit public housing facility. The Mission has a year around sports program of football, basketball, softball, and baseball for boys and girls ages four to fourteen. The teams are coached by volunteer parents and residents from the community. This past year we had the largest number of children participating in the history of the Park. Through sports the children are taught teamwork, discipline, and how to establish their priorities which are God, family, school, and sports. Volunteers play a vital role in our ministry at Taylor Park. Volunteers are tutoring our children in the After School Tutorial Program, teaching them to play percussion instruments and teaching Praise Dance Teams, arts and crafts, and participating with our children and youth on Sunday Afternoons in the Park. One group of youth painted one of our rooms and another youth group painted murals on the walls of three rooms used for tutoring at the Park. The Mission's Summer Tutorial and Enrichment Programs at Taylor Park continue to provide a safe haven for our children and youth while instilling in them the importance of staying in school and obtaining a good education. In the summer of 2014, 145 children participated in our summer programs. Six of our high school students who grew up through our programs at Taylor Park came back and volunteered for the eight weeks in the summer to assist with the younger children. The Mission took a total of 38 campers to Blue Lake for Camp Discovery. In addition to these 38, six of our high school volunteers went as "junior campers". They did an excellent job. The Mission continues to partner with the Bay Area

Food Bank's Kids's Café to provide hot meals and snacks during the After School Tutorial Program and breakfast and lunch during the Summer Tutorial and Enrichment Program.

The Mission also partners with the Drug Education Council and the Junior Achievement Program to present their curriculum to the children and youth at the park. The Mission and Pro Kids, Inc. work together to provide counseling with a licensed clinical child psychologist to help children with behavioral problems that cause them to have difficulties at school and in the community. These services make a tremendous difference in the lives of the children receiving these services. Urban Campers from Government Street Presbyterian Church and some of the participants from Raise the Roof also assist with our summer programs.

The Mission's community garden at Taylor Park is now in its third year of planting and plays an important role in our programs. Bible lessons such as the sower and the seeds and other stories from the Bible are shared with the children. During the summer of 2014, two horticulture students from Auburn University were assigned through the Bay Area Food Bank to assist with our community garden. In addition, two residents from the community have volunteered to oversee the garden.

The Mission continues to provide emergency assistance to families in need of food and medicine, or who needed assistance with utilities and rent due to unforeseen emergencies in order to prevent them from being evicted. We also provide breakfast on Mondays through Thursdays for those in our community who struggle to put food on their table. This is also an opportunity to minister to their spiritual needs.

Through all of these ministries, our mission is to love and love unconditionally those we serve as Jesus loves us. We continue to show this love through our words, actions, and deeds so others can see Christ in us. It is a wonderful thing to witness how God transforms lives when his unconditional love is shared through us with those we serve.

The ministries of the United Methodist Inner City Mission would not be possible if it were not for the support of our brothers and sisters throughout the Alabama-West Florida Conference. Please know how much we appreciate and depend on your gifts and your prayers.

Grace, peace, and prayers,
Rev. Tonny H. Algood, Director

OTHER REPORTS

Africa University

Changing Africa: Learning here. Living here. Leading here. Serving God. All the time. Everywhere.

Africa University notes and celebrates the Alabama-West Florida Conference's increased investment in the Africa University Fund (AUF) apportionment in 2014. Your support for this shared ministry of our denomination rose from 82.17% in 2013, to 84.10% in 2014. We thank all of the local congregations of the Alabama-West Florida Conference for remaining faithful and generous to Africa University. It is your generosity that keeps Africa University in the forefront of disciple-making, leadership formation, and positive change in Africa.

Student Enrollment: Full-time student enrollment at Africa University held steady in 2014 with 1,478 young men and women from 25 African countries. Angola, the Democratic Republic of Congo, Mozambique, Nigeria, and Zimbabwe accounted for the largest proportion of the students. Female students were a record 53.4% of the total enrollment in a context where women consistently lag behind men in access to higher education.

Graduation: In June 2014, 480 young people were awarded degrees from Africa University at the 20th graduation ceremony, bringing to total number of alumni to just under 5,300. Without your support, a college education would have been unattainable for the majority of these students.

Training and Research: Africa University remains a sought-after partner in addressing critical skills and capacity gaps in sub-Saharan Africa. Ongoing partnerships with the African Capacity Building Foundation (ACBF), and the World Intellectual Property Organization, (WIPO), support trailblazing academic programs in Public Sector Management and Intellectual Property. A collaboration with the Raoul Wallenberg Institute in Sweden supports a new master's degree program in Human Rights, Peace, and Development. Africa University is currently seeking approval from Zimbabwe's National Council for Higher Education for its first PhD program, which links issues of Peace, Leadership, Governance, and Development, and targets policymakers.

Leadership and Service: Africa University graduates—trained in theology, environmental studies, psychology, education, health sciences, business, and peace, leadership and governance—are answering the call to serve, heal, and uplift communities. They are helping 'the least of these' to experience God's love and care through service as Global Mission Fellows and longer-term missionaries in Africa, Europe, and Latin America. Whether in government, private enterprise, community-based organizations or in the work of the church in the Africa Central

Conferences, graduates of Africa University are trendsetters and key decision-makers. They are making a difference.

Strategic Priorities: Following a successful leadership transition in 2014, Africa University is now engaged in a vigorous review of its academic programs and service delivery. This effort is aimed at enhancing our students' potential for life-long success. Professor Munashe Furusa took the helm in July 2014 as the fourth vice chancellor in the university's 23-year history. He was formally installed in March 2015 and has put fiscal accountability, student quality of life, and support for academics, at the top of his agenda.

The steadfast support of local churches in the Alabama-West Florida Conference, and across The United Methodist Church, is vital to moving Africa University to the next level in its evolution. You, the members of the Alabama-West Florida Conference, have given life to a good work, but that work is not yet finished. For every individual who has been touched by the ministry that is Africa University, there are many others—tens of thousands, in fact—who are awaiting the miracle of an answered prayer.

Your 2014 shortfall in the asking to the AUF, $8,579.36, is more than enough to support a student for a year at Africa University. Sadly, it represents a lost opportunity to equip a young man or woman for meaningful citizenship and service.

As you gather for the 2015 Alabama-West Florida Annual Conference, we invite and urge you to set a goal of 100% support for the Africa University Fund and other shared ministries. Your gifts matter. Please remain steadfast in your efforts to invest 100% of your asking in the AUF. Thank you.

May God bless and keep you always in abundance.

Lake Junaluska Assembly, Inc.

On February 10, 2015 Lake Junaluska, the Southeastern Jurisdiction of the United Methodist Church, the United States, and the world lost a great leader. Rev. Dr. R. Wright Spears died at the age of 102. He served as a pastor to multiple churches in South Carolina and as the President of Columbia College for 26 years, a time during which he helped that institution navigate momentous social changes. Dr. Spears and his wife Mary Blue retired to Lake Junaluska in 1977

where he continued to promote social justice in all forms. Few organizations have in their history a person as influential as Dr. Spears. He had a vision for Lake Junaluska, and spent his years here quietly encouraging us all to more fully live into the Kingdom of God through our mission of Christian hospitality. Arguably the most influential person at Lake Junaluska in the last 50 years, in both formal leadership roles and quiet behind the scenes work, he understood the importance of balancing the budget while offering a great experience to our guests. He urged us to offer great programming, and at the age of 95 was instrumental in launching the Lake Junaluska Peace Conference. Dr. Spears understood that offering Christian hospitality goes beyond simply welcoming our paying customers. At our best, we are what he envisioned us to be: a place that welcomes all and provides transforming and renewing spiritual experiences and a place that pays attention to the bottom line and is operated more like a college than a church camp. We have a long way to go to be the perfect fulfillment of Wright's vision for Lake Junaluska, but we are further along that path today and more inspired to fulfill our mission "to be a place of Christian hospitality where lives are transformed through renewal of soul, mind, and body" than ever thanks to his influence.

For the third year in a row, we ended the year "in the black." We continue to accomplish this without any Operational Apportionment support from the Southeastern Jurisdiction. Lake Junaluska has embraced the new financial model that was approved by the 2008 SEJ Conference and we remain committed to always "live within our means." 2014 was a record breaking year for charitable giving. We received $1,079,994 from 1,257 individuals. This represents a 34.4% increase in total giving over 2013 and a 2.6% increase in number of donors.

We continue to refine and implement our plans for improvements to our facilities, grounds, and programs. Plans were approved in 2014 to begin an extensive renovation of The Terrace hotel, a project that will have a significant impact on the quality of the guest rooms and public spaces in that facility and will influence the level of service provided to all of our lodging guests. We completed all of the projects planned in 2013 including converting the Jones Dining Hall into a year round facility, renovating the children's playground at the Wilson Children's Building, and numerous improvements to the lake front consisting of a new boat storage area along with a boat dock and fishing pier just to the north of the swimming pool and a beautiful meditation garden to the south. We are working diligently to refine and improve our existing programming for youth and adults and continually seek to implement new innovative programs that align with our mission.

As a member of the United Methodist Church within the Southeastern Jurisdiction we want you to know that "your" asset, Lake Junaluska, is doing very well. You can be very proud of this important organization within the jurisdiction and the larger United Methodist Church. We are striving to be good stewards of the resources with which you have entrusted us and to carry on the legacy of Dr. Wright Spears.

If you haven't already, please pick up a copy of our 2015 program, *Discover Lake Junaluska*. Peruse its pages to read about the impact of our programs, to learn about new projects we are working on, and to familiarize yourself with our calendar of events. We do hope you can come and visit us this year for a conference, a retreat, or a vacation to be transformed and renewed in soul, mind, and body.

Schools of Theology

Candler

For 100 years, **Candler School of Theology** at Emory University has prepared *real* people to make a *real* difference in the *real* world. Since our founding in 1914, more than 10,000 students have graduated from Candler, where they have been shaped as Christian leaders who put faith and love into action, transforming the world in the name of Jesus Christ. Here, students are challenged academically, encouraged spiritually, and immersed in Christian service from the first day they arrive on campus. This unique approach ensures that our graduates are ready to serve wherever God leads.

One of 13 official seminaries of The United Methodist Church, Candler is grounded in the Christian faith and shaped by the Wesleyan tradition. We are one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a rich context for study. Our location in the city of Atlanta offers a learning environment that reflects the highly diverse communities of the 21st century world. There is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

During the 2014-2015 academic year, Candler celebrated its Centennial, marking our 100th anniversary with a series of commemorative events highlighting memories of the past and visions for the future. The yearlong celebration began in the fall of 2014 with the dedication of the final phase of our new LEED-certified building and the premiere of *Religion and Reason Joined: Candler at 100*, a new book on our history. The commemoration continued through the spring of 2015 with guest lectures, exhibits, and "Prophetic Voices," a major academic conference addressing the challenges and opportunities facing theology in the 21st century.

Not only has Candler expanded its physical space this year—we have expanded degree offerings as well. In response to the changing needs of the church, Candler introduced five new degrees to equip Christian leaders: the Doctor of Ministry, the Master of Religious Leadership, the Master of Religion and Public Life, and two dual degrees with social work and development practice.

Candler's student body reflects the diversity and breadth of the Christian faithful. Our enrollment stands at 447, with 320 seeking the Master of Divinity, 43 the Master of Theological Studies, 14 the Master of Religious Life, 20 the Master of Theology, 29 the Doctor of Ministry, 10 the Doctor of Theology, and 11 enrolled as Non-Degree students. The student body is 52 percent women, 35 percent people of color (U.S.), and the median age of the entering class is 27. Students represent 42 denominations, with nearly half identifying as United Methodist.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries in the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

Duke

The academic year 2014–2015 has been an exciting year as we continue to engage with the church, academy, and society on important ecclesial and cultural issues. The heart of our work remains the preparation of men and women for Christian ministry and leadership within the church. As part of that mission, our initiatives, centers, and programs continue to be a vital resource for us to extend the good news of God's invitation into all spheres of a complex and hungry world. Far from being an ivory tower, Duke Divinity School is a place where faculty, students, and staff are eager to use the training for ministry in order to serve others and serve as a light to the world.

Duke Initiatives in Theology and the Arts (DITA) recognizes that the arts shape the imagination of a community and provide the forms through which many people most directly and compellingly encounter the message of the gospel. On Palm Sunday, Duke Chapel hosted the American premiere of the new *St Luke Passion*, written by the eminent Scottish composer James MacMillan. The work was commissioned by Duke Divinity School in conjunction with the Netherlands Radio Philharmonic Orchestra and the City of Birmingham (U.K.) Symphony Orchestra. During the process of composing the piece, MacMillan met several times with a group of theologians and biblical scholars from Duke Divinity School and the University of Cambridge to reflect on the shape and meaning of Luke's narrative. In addition to this stunning choral work, DITA has sponsored lectures by visiting scholars and hosted the first artist-in-residence, Malcolm Guite.

The newest of our initiatives, Theology, Medicine, and Culture, builds on the extraordinary faculty resources offered by four physicians who hold joint faculty

appointments in the Medical School and the Divinity School at Duke. Working together with other members of the faculty who share an interest in healthcare and medical ethics, they are developing a range of programs that seek to clarify and strengthen Christian witness and action in the complex world of healthcare. One program, Walking Together, sponsors conferences that address care of the mentally ill in faith communities. Another, Reimagining Medicine, will gather health professionals at a summer conference to consider proposals for the ways in which local communities might draw on Christian perspectives to shape the delivery of medical care.

The Center for Reconciliation (CFR) celebrated its 10th anniversary this year, and this has been a time of transition for the center. Co-founder Chris Rice accepted a role with the Mennonite Central Committee in Korea, and he will retain his connection to Duke as senior fellow for Northeast Asia. In that role he will coordinate the emerging work of the Christian Forum for Reconciliation in Northeast Asia, which will be modeled on the successful development of the Great Lakes Initiative (GLI) in East Africa. Duke has helped to support the GLI for the past seven years, and this year full leadership transitioned to local African leaders. The Divinity School has received a major gift commitment to endow a faculty position that will also serve as director of the CFR, and a search has begun to fill that position. In the coming years we intend to strengthen our emphasis on issues of racial reconciliation in local contexts.

Leadership Education at Duke Divinity (LEADD) draws inspiration both from the Christian theological tradition and from the best recent studies and practices of leadership and entrepreneurship. In partnership with the Lake Institute, this year LEADD offered an executive certificate in religious fundraising. LEADD also offers a program for denominational and institutional leaders, Foundations in Christian Leadership. *Faith & Leadership*, the online magazine published by LEADD, continues to reach over 300,000 readers and provide a resource for theological reflection and "traditioned innovation" for all in ministry.

Their continued excellent work was recognized again this year with awards from the Associated Church Press "Best of the Christian Press" contest.

The Center for Studies in the Wesleyan Tradition has been a source of internationally acclaimed research and support for Methodist and Wesleyan studies since 1979. This center offers courses for both Course of Study and Divinity students, provides access to outstanding research resources for students and scholars of the broad Wesleyan tradition, and supports the production of critical editions of the texts of John and Charles Wesley in print and online formats. The center also sponsors the Summer Wesley Seminar, led by professors Randy Maddox and Richard Heitzenrater, which invites application from scholars to spend an intensive residency at the Divinity School to facilitate their study of Wesleyan heritage.

In addition to our major initiatives, Duke Divinity School has a number of other programs that extend the good news of God's salvation to disparate parts of our society. Our program in prison ministry sends divinity students into prisons in order to take classes alongside people who are incarcerated. The certificate in prison studies provides students with the opportunity to engage specifically with people in prison and the system that imprisons them in the context of theological education and formation for ministry. Thriving Rural Communities, a partnership between Duke Divinity School, The Duke Endowment, and the North Carolina and Western North Carolina Conferences of The United Methodist Church, helps divinity students, pastors, laity, districts, and conferences cultivate and strengthen Christian leadership and United Methodist congregations in rural North Carolina. The Duke Youth Academy for Christian Formation continues to offer high-school students an opportunity for intensive theological engagement and practice.

Several of our faculty were recognized this year for their scholarship and interdisciplinary expertise. Willie Jennings, associate professor of theology and black church studies, was given the prestigious 2015 Louisville Grawemeyer Award in Religion for his book, *The Christian Imagination: Theology and the Origins of Race*. The Grawemeyer Award in Religion, an annual $100,000 prize that honors and promotes insights into the study of religion, is given jointly by the University of Louisville and Louisville Presbyterian Theological Seminary. Norman Wirzba, professor of theology and ecology, was named a Henry Luce III Fellow for 2014-15, and he also received a major Sabbatical grant for Researchers from the Louisville Institute. These awards are supporting his current work on two book projects: *From Nature to Creation: Christian Life in a Postnatural Age*, and *Creation, Creatureliness, and Creativity: An Essay on the Human Place in the World*. Jennie Grillo, assistant professor of Old Testament, received a 2014 Manfred Lautenschlaeger Award for Theological Promise and a W. F. Albright Institute of Archeological Research fellowship to conduct research in Israel. Maria Doerfler, assistant professor of the history of Christianity in late antiquity, was named a visiting research fellow at New York University's Institute for the study of the Ancient World. Curtis Freeman, research professor of theology and director of the Baptist House of Studies, was appointed the chair the Baptist delegation in a five-year international dialogue between the Baptist World Alliance and the World Methodist Council. Richard Payne, Esther Colliflower Professor of Medicine and Divinity, was named to the Interagency Pain Research Coordinating Committee of the National Institutes of Health by the U.S. Secretary of Health and Human Services. This is a federal advisory committee that supports pain research and promotes collaboration across the government to improve understanding of pain and pain-related treatments.

We continue to welcome students from a range of backgrounds who are called to serve God and the church. In 2014, our total enrollment was 656 students: 462 are enrolled in the M.Div. degree program; 36 in the M.T.S.; 12 in the Th.M.; 45 in the Th.D.; 54 in the D.Min.; 24 in the M.A.C.P.; 15 in the M.A.C.S.; and 3 who are special students. Thirty-nine percent of our students are United Methodist, with an additional 4 percent from other Wesleyan traditions, and 46 percent of our

M.Div. students are United Methodist. Fourteen percent of all students are Baptist, 8 percent are Anglican or Episcopal, 3 percent are Roman Catholic, 7 percent are Presbyterian or Reformed, with the remaining 9 percent from other denominations or nondenominational churches.

In addition to the ongoing excellent academic and field education work done by students each year, several students had notable achievements. Two of the top three prizes in the Student Essays in Christian Wisdom competition sponsored by The Living Church magazine were claimed by Divinity School students: Kevin Rose M.Div.'16 won second place and John Zambenini M.Div.'15 won third place. Second-year M.Div. student Jacob Drake was selected to present a paper the Oxford University Byzantine Society international Graduate Conference held in Oxford, England. Michelle Wolfe M.Div.'14 was awarded a fellowship by FASPE (Fellowships at Auschwitz for the Study of Professional Ethics) to participate in a two-week program in New York, Germany, and Poland for an intensive study of contemporary ethics. Four divinity students, part of a research group in American religious history, were among the winners of grants for research projects using the Religion in North Carolina digital collection. Other students did exemplary work in organizing conferences for ministry to the sexually abused and issues in pastoral care for military veterans.

We remain deeply grateful for the relationships among the United Methodist Church, this Annual Conference, and Duke Divinity School. We look forward to working with you in the task of preparing men and women for Christian ministry. To learn more about Duke Divinity School, please visit our website at www.divinity.duke.edu.

Garrett-Evangelical Theological Seminary

Greetings from Garrett-Evangelical!

Early in the calendar year, I met with various constituencies of Garrett-Evangelical Theological Seminary, including alums, faculty, staff, trustees, and students regarding their hopes and concerns for the school.

As a result, we began the 2014-2015 academic year with the following priorities:
•To prepare and equip our graduates as public theologians,
•To nurture a more diverse community at Garrett-Evangelical so that the entire community develops cultural competency,
•To value and promote inclusivity at Garrett-Evangelical, and
•To construct a sustainable model for theological education.

Public Theology
This year we launched a Public Theology Lecture Series to help the Garrett-Evangelical community understand more about the intersection of theological perspectives and shared values held in the public arena as persons in ministry work with others toward the common good and the wellbeing of all persons and creation.

The lecture series included:
•October 15, 2014: Rev. Janet Wolf, Director of Haley Farm and Nonviolent Organizing for the Children's Defense Fund, lectured on various Children's Defense Fund programs including restorative justice, mass incarceration, cradle to prison pipeline, and freedom schools.
•December 3, 2014: Dr. Mark Lewis Taylor, Maxwell M. Upton Professor of Theology and Culture at Princeton Theological Seminary considered structures of the global orders and everyday living which public theologians may claim to engage and where "the powers and principalities" are always in contestation in "public" life.

In the fall, we will offer a course, "Public Theology in the City," taught by Dr. David Frenchak, former president of Seminary Consortium for Urban Pastoral Education (SCUPE). The class will collaborate with the mayor's office in Evanston on an anti-violence initiative. Dr. Frenchak will also provide a Public Theology lecture this spring.

Cultural Competency & Inclusivity
As part of the commitment to nurturing a more diverse community, we welcomed a new Vice President for Academic Affairs, Dr. Luis R. Rivera, our first Latino Academic Dean. Our current ethnic/racial profile is:
•20% black; 6% Asian; 3% Hispanic/Latino; and 54% White; 14% International
•More than 33 religious traditions, four continents, 15 countries and 36 states are represented in the student body
•232 students are United Methodist with 25 additional students from other Pan-Methodist denominations

Consistent attention to issues of inclusivity, justice, and grace within the seminary setting are critical for preparing future leaders to enter an increasingly diverse world. To respond to these concerns, Garrett-Evangelical will offer a number of Circle of Trust conversations this spring for trustees, faculty, staff, and students. Our goals are: 1) to provide safe space to discuss difficult topics, 2) to reduce any gap between stated values and actual behavior, both personally for participants and institutionally; and 3) to update our 1997 statements of inclusivity.

Sustainable Theological Education
Garrett-Evangelical is beginning work on a Sustainable Theological Education Model for the school. We are guided by a commitment to generational stewardship of our resources and to maintaining a thriving seminary for the future. We will attend to the areas of business, academics programs, and external programs.

Our priority continues to be making seminary education affordable. To this end we award more than $2.5 million in scholarship aid to students each year and we lead all United Methodist seminaries in the Dollars for Scholars program with 45 recipients. In October, the seminary publicly launched The Final Lap of its $100 million Forging Our Future campaign, and announced that $88 million has been received to date. Much has already been accomplished, but more remains to be done (expanding the number of new leadership scholarships from 80 to 100, renovating Sherman apartments, endowing several more faculty positions, continuing to grow the unrestricted endowment), gifts for any of these goals are always welcome.

Thank you for your continued interest in our work. We are dedicated to serving The United Methodist Church and the church at large. For more information about Garrett-Evangelical and our work, I encourage you to visit our website, www.garrett.edu, and to visit us on campus.

Cordially,
Lallene J. Rector, President

About Us
Garrett-Evangelical is the result of the interweaving of three institutions:
•Garrett Biblical Institute, the first Methodist seminary in the Midwest, was established in 1853 by largely the same church people who founded Northwestern University.
•Chicago Training School, established in 1885, was an important force for women in ministry and for developing service agencies throughout Chicago. Chicago Training School merged with Garrett Biblical Institute in 1934.
•Evangelical Theological Seminary, located in Naperville and founded as a seminary of the Evangelical Church (later the Evangelical United Brethren) in 1873, joined with Garrett Theological Seminary in 1974 to form Garrett-Evangelical Theological Seminary.

Iliff School of Theology

Greetings from the Iliff School of Theology in Denver, Colorado. We wish you blessings as together we continue the work of strengthening the Church and offering a compassionate presence to the World.

The Iliff School of Theology's commitment to the Wesleyan tradition of providing intellectually alive and spiritually grounded theological education for our students continues. From Tanzania to Texas, Denver to Delhi, Missouri to Mexico, Iliff

students and graduates are holding constructive tension with the human condition as it is and courageously standing with those who seek justice.

This past year saw one of Iliff's largest enrollments since its founding by the United Methodist Church in 1892 - 333 students, 60% female and 40% male, 35% Methodist – all actively engaged in both the classroom and a host of ministry contexts. Some are leading congregations toward revitalization while others are doing ministry by establishing new forms of community.

Interest in online and hybrid classes continues to grow from across the nation in our Journey MDIV Program - one of the first to bring quality theological education online. As a concerted move by Iliff to reduce student debt and grow the ability of students to lead financially sound, engaged communities, many MDIV students are also participating in the Spiritually-Integrated Financial Resiliency Program, funded by a $250,000 grant from the Lilly Endowment.

We welcomed participants to our first Spanish-Speaking Local Pastors Licensing School hosted in partnership with the Rocky Mountain Conference and participated in healing events for commemoration of the Sand Creek Massacre. In addition, Iliff students participated in an immersion trip to Africa University and are planning an additional experience this year. We look forward to continuing these vital relationships.

Iliff created numerous events for area clergy and supporters. Via forums on leadership, policing, the role of faith in world events, and more, campus speakers included: Amy Goodman, Garry Kasparov, and the Rev. Dr. Rebecca Chopp, this year's Jameson Jones Preacher. Bridging theological education to new arenas was further cultivated through Iliff's Authentic Engagement™ Program with trainings for civic and non-profit groups. Our efforts were duly noted by McCormick Theological Seminary's Center for Faith and Service when we were named as one of the nation's "Seminaries That Change the World."

We continue to look to the future with courageous theological imagination. We are grateful for our denominational connection.

Perkins

Perkins School of Theology celebrates our vital connections with the Alabama West-Florida Annual Conference. We are proud to have two Alabama-West Florida students currently enrolled in our Doctor of Ministry program. We also are pleased to begin offering our Certification in Spiritual Direction Program in a neighboring conference in fall 2015. The North Alabama location will make it

easier for interested students from the Alabama West-Florida Conference to pursue certification in spiritual direction without traveling to our Dallas campus.

Total enrollment at Perkins exceeds 400 students, of which approximately two-thirds are United Methodist and more than one-third are ethnic minority students. Master's degree programs comprise approximately 51% female and 49% male students. The D.Min. program includes students from southern Asia taking classes in Singapore and Dallas. Our Ph.D. program comprises 30 active students, including two Latino Ph.D. students supported through a grant from the Luce Foundation to Perkins' Center for the Study of Latino/Christianity and Religions.

Dr. Jack Levison (Ph.D., Duke, 1985) joined the Perkins faculty as the third appointee to the W.J.A. Power Chair of Biblical Hebrew and Old Testament Interpretation. Dr. John Martin, new director of Development, came to Perkins after serving as president of Roberts Wesleyan College in Rochester, New York. Following a nationwide search, a senior scholar and teacher eligible for appointment to the Lois Craddock Perkins Chair in Homiletics is expected to join the Perkins faculty in fall 2015.

Perkins restructured its Master of Divinity degree, effective spring 2015, enabling full-time students to complete the program in three years and reducing overall cost of the degree. The M.Div. now requires 73 term hours of academic credit, including the nine-hour internship.

A new "Master of Arts in Ministry" (M.A.M.) degree has replaced the C.M.M. The M.A.M. offers five tracks: two previously-existing tracks in Christian Education and Urban Ministry, and new tracks in Theology and Social Justice, Christian Spirituality, and Evangelism and Mission.

A $2.5 million gift to SMU will establish the new Susanna Wesley Centennial Chair in Practical Theology at Perkins.

Perkins thanks our many colleagues, friends, and alumni/ae across the connection for generous support in many ways, including referrals of prospective students, as we continue our vital mission of preparing women and men for faithful leadership in Christian ministry.

Grace and Peace,

Rev. Nathan Atwood summed up Rev. Cecil's life very nicely.

> *Kent Cecil was a good man, a true Christian, someone gifted in the art of friendship. He had quiet courage, a ready smile, and a huge heart. Kent's feet were made of clay – he was not a perfect person as none of us are. But his beautiful heart empowered him to make this world a better place in quiet and meaningful ways.*
>
> *He was a loving and devoted husband and father, Kent was proud of his daughters and they were the light of his life, the apple of his eye, his pride and joy. He clearly gave much of his heart and spirit to them and so much of what made him special reflects in the special people that he helped make them become.*
>
> *His grandchildren were everything to him. As his health failed, Kent struggled to find joy in many of the things that always gave him joy before. But his grandchildren gave him joy when nothing else did. Kent Cecil was devoted to Jesus Christ.*
>
> *He expressed his devotion to his Savior through loving, humble service to Christ's Church and through his relationships in the work and the community. He was a mailman, and he would pray over every home as he delivered the mail on his route. He loved his co-workers and they loved him.*

Kent was a tremendously gifted listener. He was able to make others feel heard because he was authentically interested in others and their stories. As a pastor, Kent was able to disciple people through listening them into the Kingdom.

Before Kent became pastor, the First UMC of Tuskegee was a big, beautiful building with a small, elderly congregation and a challenging history. The congregation was made up of just over a half dozen regular attendees, all white in a primarily "African-American" community. The church door would be locked as soon as the last member entered for worship on Sunday morning.

Under Kent's leadership, a miracle occurred in that church. He led them to repent of their role in the racial conflict of the Civil rights movement and their support of segregation. The congregation sent out a letter of apology to every home in the county. They hosted a community wide service of repentance and reconciliation. The service was packed. It was a great community event, complete with the "Three Mo' Tenors". It was a day Kent took tremendous pride in. It helped heal something deeply broken in the soul of Tuskegee.

Tuskegee First UMC became a multi-racial congregation after that. After Kent's health declined and he chose to retire, Kent's successor was African-American, and the congregation went on a charge with Bowen UMC, an African-American congregation.

Tuskegee First's parsonage became a center for mission. Alabama Rural Ministries uses it to house short-term mission teams that serve in the community. Education facilities that had been shuttered for decades are now full of community programming. ARM also partners with the Tuskegee Wesley Foundation to activate students in community service. Today Tuskegee First UMC is at the center of all kinds of activity and partnerships that are offering hope and life to the area. None of this could have been possible if not for Kent Cecil's courage, love, humility, and willingness to attempt the impossible when no one else cared about Tuskegee.

Today, Kent's struggle has ended. He struggled mightily against the limitations of his own body. And yet, he loved deeply and he worked at it every day. He did what he could. And what he did was A LOT. He lived a fruitful life for the Kingdom of God. Only God knows the fruit his life produced. This story about Kent is just one. You have your own story. Each of us knows only part of the great treasure he was. Only God knows the fullness of the difference he made.

His wife remembers him as one of the strongest, most courageous men she has ever known. With the myriad of medical issues he faced during his lifetime he was always confident God was always with us and would never ask us to endure more than we were able. With God always making up the difference when we didn't measure up to the task, we were able to continue life and ministry using those difficult times as great periods of growth. His life, to his family and to many that were impacted by his example, helped to demonstrate the wonderful life changing effect of having believed in the power of our resurrected Lord. He was

not without his faults and failures but he was one that at the end of his life I feel God said to him as he entered the Church Triumphant, "Well done my good and faithful son"!

Lora Mae Holmes was born in Cottonwood, Alabama on June 18, 1916. She was the daughter of W.L. Holmes and Carla Gabrilla Fears Holmes. She grew up in a Christian family and daily lived out her Christian beliefs.

She was an excellent student in school and won the Spelling Bee contest on many occasions. She helped her daddy farm and her mother with housework. She graduated from Cottonwood Schools in June of 1934.

She was seventeen when she married Jacob Columbus Guy on January 6, 1934. They lived with her parents and helped on the farm. Nine months after marrying Jake, her mother died. Her daddy asked Lora and Jake to remain with him and help raise Lora's brothers ages eight and eleven. So Lora became the "woman of the house" and was responsible for cooking, washing and ironing, dishwashing, child care/guidance as well as helping on the farm. She faced life with courage and provided a loving atmosphere in the home. Two years later, her daddy married again and she and Jake moved to a rented farm. They grew cotton, peanuts and corn. They had four children over the next nine years. Lara taught herself to sew and was able to sew all the children's clothes.

In 1943 Jake was called to preach and Lora accepted it as God's call to her to be a preacher's wife. Jake began pastoring in Baptist churches but in 1949 he joined the Methodist Denomination. Lora helped Jake with his theology courses for the next nine years which helped him to get "fully connected" with the Methodist Church in 1958. Together they served churches as a "team". Rev. They won many to Christ and nurtured them in their spiritual journey. They led their fellow Christians to fulfill the great commandments of Christ; to love God and one another. Together, they were the "hands and feet" of Christ to a lost and broken world.

We want to let the world know of the contributions that **Rev. Lowell Hale** made to his family, the United Methodist Church and the United States Air force. Where does one begin to tell such a story?

Rev. Hale left this earthly realm on Saturday August 23, 2014. Reverend Lowell Hale was preceded in death by his siblings and parents. We feel joy knowing that the Hale clan can once again fellowship together as they did as a family in Sylacauga, Alabama.

Rev. Hale was born the fifth child of Ralph Hale, Sr. and Johnsie McAfee Hale on December 4, 1936 in Sylacauga, Alabama. He actually arrived late on the 3rd of December. The story goes that the doctor did not arrive until December 4th to complete the birth certificate! Birthday celebrations vacillated between the two dates.

Rev. Hale and his family operated several family businesses including a dry cleaning delivery. Lowell was a trained lifeguard and provided this service for his local community swimming pool. The family attended two churches in Sylacauga,

St. Thomas Methodist Church and Pleasant Hill Baptist Church.

He left Sylacauga, Alabama after graduating from East Highland High School in 1956. From there his journey took him to Tuskegee Institute where he studied and graduated with a Bachelor of Science degree in Industrial Education. Rev. Hale studied and graduated from The Interdenominational Theological Center and Gammon Seminary in Atlanta, Georgia with a Master of Divinity. In San Francisco, California he studied for his Doctor of Ministry. Lowell was a member of Alpha Phi Alpha Fraternity, Theta Theta Lambda Chapter.

A love story began when he met Martha Lee Jones in Vincent, Alabama. They wed and began their family with daughter Pamelar Denise in 1961. Rev. Hale was called to the ministry at an early age. After graduation from Gammon Theological Seminary at the Interdenominational Center in Atlanta, Georgia he and Martha moved the family to Tuskegee, Alabama upon graduation from seminary in 1968. He pastured Bowen United Methodist Church until 1972. He also served in the Army for five years.

The Selma March occurred during these years and Rev. Hale heeded the call of Dr. Martin Luther King for clergy to come stand and march for civil rights movement. He marched side by side with other fellow clergy. There were plans to attend the 50 year Anniversary of the Selma march in 2015. Martha and friends attended in his stead. Rev. Hale was a well-known United Methodist minister in the local Tuskegee community, yet he was called to minister to the world as a member of the armed forces.

Rev. Hale began his active duty Air Force military career as a Chaplain with the rank of Captain with his first assignment to Matha AFB in Sacramento, California. From California, his Air Force duty tours took him to Colorado, Florida, Missouri and Michigan stateside. His overseas assignments consisted of Korea, Turkey and Germany. The foreign assignments allowed the family to visit many countries of the world including the United Kingdom, France, Greece, Italy and many stops in the Holy Land. He spread the gospel wherever he was stationed and often reached across denominations for joint religious ceremonies. He attained the rank of Lt. Colonel and retired from uniformed service in 1993.

He and Martha retired to the city where their small family began, Atlanta, Georgia. Rev. Hale heard the call to return to civilian ministry with the Alabama West Florida Conference of the United Methodist Church as the pastor of Metropolitan United Methodist Church in Montgomery, Alabama. He continued in service to this church until 2003. Rev. Hale then opted to stay closer to home as an assistant pastor at the Fayetteville First United Methodist Church in Fayetteville, Georgia in 2009. Despite the leaps in bounds our society has made in race relations, there was some who did not feel Lowell should pastor in this predominately White church. The senior minister welcomed him and the congregation was won over by Rev. Hale's demeanor of love for all. His preaching of the gospel and sharing God's word was for all to hear. He never allowed anyone or any reason to stand

between him and the delivery of the Lord's message. His words were truly color blind. He helped others to evolve and to welcome all into God's house.
Lowell and Martha enjoyed their retirement years with travel, gardening, biking, attending family reunions, theatre and meals out on the town. Rev. Hale was not one to miss a meal and had a passion for anything chocolate.

As a man of the cloth, he would offer advice when asked, but allowed people to choose their path. He liked to read and watch historical documentaries on television.

Pam always knew she could count on her Dad if the going got tough, yet he taught her to be self-sufficient. His calling to the ministry inspired her to follow her dream to become a Veterinarian. As both are professions of passion! There were times in her life in which she had to make hard decisions; she would often ask herself, "What would Lowell do?" or W.W.L.D Her parents instilled in her a sense of duty to self and family. They were the "parent-thesis" of her life, always surrounding her with love and security while providing the proper punctuations as her story unfolded. Lowell never coddled Pam but demonstrated what family love, loyalty to wife and child should look like. He never left Martha or Pam feeling unsupported in any aspect of their lives. He modeled a good husband and created a safe, secure family home wherever that may have been. Now this doesn't mean he didn't challenge Pam or help to reset her path when she strayed. Pam learned early on that when Dad spoke, one listened! Yet, he moved on quickly and held no grudges.

Lowell encouraged Martha to continue her desire to become a registered nurse through the years of the many military change of stations! He even took care of Pam as a seven year old, braiding hair and getting her off to school while Martha continued courses in Atlanta, Georgia as they moved to Tuskegee. Martha also remained in the United States for six months to finish her Bachelor of Science degree in Nursing while Lowell moved to his next assignment in Germany. He never stood in the way of her passion! Rev. Hale welcomed his son-8in-law Charles Baker, Jr. into the family with ease, creating a warm environment for his new nuclear family. He and chuck often held father to son conversations.

Rev. Lowell Hale was the last surviving patriarch of an extended family of many nieces and nephews who often called upon him for counsel. He lived his life on his terms until his last days. A reverent man, he was not boastful or proud. His quiet demeanor belied the fiery sermons he delivered. His messages spoke to the everyday person and provided guidance to wayward souls. Rev. Hale was called home to the lord that he had served for over seven decades. While we miss him every day, we are comforted in the knowledge that he is a true believer and rests with the loving Father in heaven as his reward as a good and faithful servant.

On April 16, 1965 **Margie Lee Whitehead** married Ralph Franklin Armstrong. This union brought a new family consisting of Rev. Armstrong's four children and Mrs. Armstrong's two children.

Rev. Jordan was a graduate of Andersonville Theological Seminary and also attended the University of Alabama.

On July 12, 1975 he married Frankie McCall. The wedding took place in Brewton, Alabama. Together they had one son, Virgle Chadwick born on July 10, 1979.

Rev. Jordan joined the church in Cedar Hill, Alabama. He was licensed to preach in 1989. Appointments he served were:

1988	Fidelis	1998	Columbia/Mt. Zion
1989	May Creek/Dixie-Douglas Chapel	2000	Cedar Hill
1990	Kinston	2002	Wesley Chapel
1993	Baker	2004	Medical Leave
1995	Castleberry		

At the time of his death Rev. and Mrs. Jordan were living in Brewton, Alabama. He died on August 9, 2014 after an extended illness. His funeral service was held on August 12, 2014 at Carver's Funeral Home chapel. Rev. Stevie Cooper and Rev. Ron Headley officiated. Burial followed in Glory Hill Cemetery. He is survived by his wife of thirty-nine years, Frankie McCall Jordan; one son, Chad Jordan and his wife Lindsey; a sister Barbara Jordan; three grandchildren, Jason Jordan, Samuel Connor Jordan and Hailey Elizabeth Jordan.

His wife remembers that Jerry enrolled at the University of Alabama and was accepted into the pre-med program at an early stage. He was set to attend medical school when he heeded God's call on his life to become a minister of the Gospel. Early on he worked as a new car salesman, a furniture salesman, and in retail management positions while accepting every opportunity afforded him to preach.

The next job was as an Ad Valorem Tax Appraiser with a private appraisal firm in Brewton. This was a position that allowed him to use his mathematical and analytical thought processes more than any other had and was a position he enjoyed. He left that firm to take his last job. He was Chief Mapper and Appraiser for the Escambia County, Alabama Commission for seventeen and one-half years.

Jerry was gifted with being fair and impartial in any situation causing him to be a born "peacemaker". This was a gift that served him well as a pastor. He spent much time working to repair breaches in the churches he pastured. Many of the churches we were sent to needed these gifts in one form or another and God used these gifts. To give an example of Jerry's nature, the funeral home publishes its obituaries on their website so that persons unable to attend the funeral services can leave personal messages for the family. It seemed that close friends to casual acquaintances dubbed Jerry the "Gentle Giant". He was a large man at 6'4" but he had a sweet kind spirit that he projected to everyone. I have long since lost count of the number of complete strangers that approached him to ask if he was a minister as they suspected.

When it came to education, especially Math and Science he was super intelligent perhaps to a fault. Our son had problems in high school geometry class. Jerry tried to help him but he was so far over Chad's head with his explanations and tips that we ended up hiring a tutor.

Jerry put his intelligence to work in his job at the courthouse and developed a new formula for the appraisal of small rural acreage tracts that was published in the July/Sugust 1993 edition of Assessment Digest. This is a publication of the International Association of Assessing Officers. He was also invited to speak at the IAAO International Conference in Washington D.C.

Jerry loved his God, his family and his church. He still preached and taught as often as he was physically able during the time he was on medical leave. Being without a church to minister in left him feeling incomplete but he filled his time

studying Eschatology. He planned to write a book expounding on the topic in laymen's terms. He studied and worked to this end but did not get to bring this dream to fruition before God called him home.

He is survived by his wife, Joan; one son, Brek Lovelace; three sisters, Judy, Nancy and Gloria and many nieces and nephews.

Ted had a dramatic conversion in his life as a young man and he never got over it. He loved the Lord deeply and always looked for opportunities to share Jesus with anyone who would chat with him. No matter where he spoke, no matter the size of the audience, he would never close without a call to fully dedicate your life to Christ. To honor his life today, will you take the challenge to never close your sermon without asking people to make a deeper commitment to Jesus Christ? That is what Ted would have done.

Lorrie Anne Nichols, age fifty-six of Saegertown, Pennsylvania joined her Savior in heaven. Lorrie was born the eldest of three children in McKeesport, Pennsylvania on July 9, 1958.

She attended Clairton High School and later Cairnbrook High School, where she became homecoming queen. At a young age she quickly became known as the woman with "the biggest heart and the sweetest smile", which she carried with her throughout the rest of her life. Every person she came in contact with was blessed by her joy, smile, and uplifting spirit. She attended the Nursing program at Crawford County Technical School in Meadville, Pennsylvania, and after receiving her LPN certification, continued in the nursing field, with her most recent employment at Stairways Behavioral Health.

Lorrie was known for opening up her heart and home to others in the realm of foster parent, host parent to exchange students, and in any other way she deemed fit. The two things she held most dear to her heart were her faith and her family (and her family pretty much meant everyone). She never hesitated to say "I love you" or "let's pray", and often greeted anyone who entered her home with a warm hug and food. A recent favorite quote of hers was, "The happiest days of my life were when my children were born; the second happiest was when my grandbaby was born." She was dearly loved by her family and friends.

Lorrie Ann Nichols was married to Rev. Freddie Nichols. At the time of her death in an automobile accident they were living in Saegertown, Pennsylvania.

Rev. Nichols served at the following appointments in the Alabama West Florida Conference:

1988	Pittsview	2002	Assoc. Director Connectional Ministries

1991	Samson-Corner Creek	2008	Montgomery, St. Luke
1995	Theodore	2010	Parker
1999	Milton, First	2011	Medical Leave

She is survived by her husband, Freddie Nichols; three sons: Daniel Hazen and wife Lymari, Ryan Hazen and Jacob Hazen; two daughters: Heather Hazen Womer and her husband Brian, and Rachael Hazen; her parents: Robert and Beverly Pollick; two brothers: Robert Pollick and wife Linda, and Jeffrey Pollick; four nieces: Jackie Pollick, Ashleigh Pollick, Haliegh Pollick, Maddie Pollick; nephew, Stephen Pollick; and grandson, Benson Hazen, as well as several other extended loved ones.

Funeral Services for Mrs. Nichols were held on July 17, 2014 at the Van Matre Family Funeral Home in Edinboro, Pennsylvania with Pastor Paul Macosko of McLane Church officiating. The Committal Service followed at Venango Cemetery.

Paul Richard Parker was born in Dothan, Alabama on March 5, 1954. He was the son of Clarence and Jo Parker. He graduated from Pensacola High School in June, 1972. He attended Auburn University receiving the B.S. Building Science in 1977.

Paul Parker and Laura Lambert were married in Atlanta, Georgia on May 18, 1996. They became a family together with Paul's sons: Tyler, born in 1985, and Andrew, born in 1988.

Paul enjoyed a career in construction management specializing in healthcare. Since 1990, he was a principal and consultant in CM Associates. He used his knowledge and experience in construction to lead many mission teams over the years building Methodist Churches in Costa Rica. Of all the hats he wore, though, his favorite was that of father. His friends and family will remember him for his expansive spirit and enthusiasm for living life to its fullest.

As a minister's husband he served with Rev. Parker in the North Georgia Conference of the United Methodist Church. Rev. Laura Parker is presently an associate at the First United Methodist Church in Fairhope, Alabama.

At the time of his death he and Rev. Parker were living in Fairhope, Alabama. He died April 9, 2015 after a battle with cancer. Memorial Services were held on April 12, 2015 at Fairhope United Methodist Church in Fairhope, Alabama. Pastors officiating were Rev. Mike McKnight and Rev. Banks Brazell; Rev. Parker delivered the eulogy. Mr. Parker is survived by his sons, Tyler Parker of Fairhope, Alabama, and Andrew Parker, of Miami, Florida, and his brother, John (Linda) Parker of Orange Beach, Alabama. He is preceded in death by his parents and a brother, David Parker.

Rev. Parker's mother, Ann Lambert, who Paul loved dearly, wrote this on the evening of Paul's death: Our Paul slipped the bonds of this earth this evening to dwell with God. Laura and the boys were with him. There are no words to describe the sorrow tonight. Maybe tomorrow when the sun comes up, I can make

sense of it all. He loved Life! He saw beauty and promise in every day, and his greatest gift was wanting to share it with you. If he discovered a new restaurant, he wanted to take you, if he discovered a new anything, he wanted to share it so you would have the same pleasure. One thing he loved was to watch the sunset on the bay, and to share it with his loved ones, Lord, help us to realize he is seeing the wonders of Heaven and is waiting to share them with us.

James Benjamin Perry was born on December 19, 1934 in Roanoke, Alabama. He was the son of James and Martha Williamson Perry. He graduated from Five Points High School in chambers County, Alabama in 1953.

Before entering the ministry Rev. Perry worked at a beauty supply store in Mobile, Alabama for twenty-five years. He was also a printer for twenty-five years. He served in the United States Army for six years.

Rev. Perry joined the Sage Avenue United Methodist Church in Mobile, Alabama on June 10, 1979. He was licensed to preach from Walnut Creek on June 1, 1981. He was admitted into the Alabama-West Florida Conference and on May 30, 1988 was ordained deacon. Appointments he served were:

1981	Walnut Creek	1992	Trinity (Weoka)
1982	Sunflower	1993	Brent
1983	Uniontown	2001	Retired, supplying Uriah/Mineola
1986	Beatrice	2007	Retired
1990	Plantersville	2009	Retired, supplying Lisman Charge

At the time of his death Rev. and Mrs. Perry were living in Demopolis, Alabama. He died on August 16, 2014 due to complications involved in open heart surgery. His memorial service was held on August 18, 2014 at Demopolis First United Methodist Church with Rev. David Willis and Rev. Gary Perry officiating. He is survived by his wife, Bess Stockton Perry; daughters, Kathy (Randy) Morgan of Demopolis, Tammy Brown of Mobile, and Melissa Zorn of Lakeland, Florida; sons, Jason (Janna) Perry of Spanish Fort, Jimmy (Brenda) Perry of Fairhope, Shane (Vickey) Perry of Spanish Fort; brothers, John Thomas Perry and Gary Perry of Opelika; eighteen grandchildren and seven great-grandchildren.

James Benjamin Perry was born at home, as was the custom of the day, with his grandmother, aunts and family friends attending his mother. Jim's parents were sharecroppers with his dad picking up odd jobs whenever they became available. Being a child of the Depression Era, Jim knew what it was to do without many of the material possessions we think of as necessities of life. One thing that he did not know about was the lack of loving parents. Both of them did without many of the things they needed in life to make sure Jim and his siblings had what they needed. Even though the family did not have many material possessions they were rich in love for each other and for their extended family and neighbors. Jim learned from his parent's example how to live out Jesus' commandment to care for the least and lowliest. It was the trait that would mark his life until he breathed his last breath.

Jim was a bright and fun loving person all his life. Jim had a brilliant mind that served him well in school and throughout his life. He was never pretentious or overbearing about his intellect but preferred to quietly use his abilities to improve the world around him. Jim chose to be a printer as his life's work and became among the best in the business. Later in life he moved on to other endeavors in business. Jim made the decision to make Jesus Christ the Lord of his life.

Like everything else Jim did, he gave his all to serve the Master when he surrendered his life to him. Jim loved the Lord with all his heart, soul, mind and every fiber of his being. When Jim became a pastor in the Alabama West Florida Conference of the United Methodist Church he received the mantle of "Brother Jim" from his colleagues and parishioners. He had many mantles during his life but his most cherished was Brother Jim. He was the shepherd of every congregation that he served. He not only served the congregation that he was appointed to but the members of the community that surrounded his appointment. If there was a jail in the community Jim was there. If there was a nursing home in the community Jim was there. Wherever people were in need Jim was there. He inspired many of his parishioners to answer the call to full-time ministry. He served as a mentor and advisor for many of his colleagues. True to his nature and calling Jim was a shepherd to the end. As he went for his last surgery while his heart was failing Jim was ministering to the staff of Princeton Baptist Medical Center. He stopped only when his heart failed him totally and he stepped into eternity with his Master.

We are all better people because of Brother Jim. He loved his family dearly. Bes, Kathy, Tammy, Jimmy, Shane, Jason and Melissa you can all be proud to have the privilege of carrying on the legacy your husband and dad passed on for you. As Brother Jim honored his parents by living the legacy passed on to him and siblings you can honor him by living the legacy he passed to you!

His life was truly an example of God's redeeming love and grace. Paul said it best in 2 Timothy 4:7-8, "I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day – and not only to me, but also to all who have longed for his appearing."
