The official publication of the Police Benevolent and Protective Association of Illinois

Aims and Policies of the Police Benevolent and Protective Association of Illinois

1. To issue a quarterly publication known as The Policemen's Magazine.
2. To urge adequate compensation for all police officers employed in the various police departments in the state of Illinois.
3. To help in defraying the funeral expenses of all police officers dying of natural causes or those who are killed in the line of duty.
4. To act in the interest of and for the benefit of all police officers employed by police departments in the state of Illinois and for those members who have been pensioned from the same police departments and to promote their welfare.
5. To disseminate useful and helpful knowledge pertaining to law enforcement.
6. To create a cooperative spirit between the police departments and the citizens of this state.
7. To work for the expansion of the order.
8. To sponsor worthwhile youth programs for boys and girls throughout the state of Illinois.
9. To secure suitable pensions and disability remuneration and proper compensation for dependents of deceased police officers.
10. To ensure uniformity of state traffic laws and to promote general public safety.
11. To inform government officials and state legislators of the problems of law enforcement officers as related to their working conditions and salaries.
12. To defend and publicize the integrity of the vast majority of Illinois police officers who, at great personal sacrifice, are devoting their lives and careers to the noble profession of law enforcement.

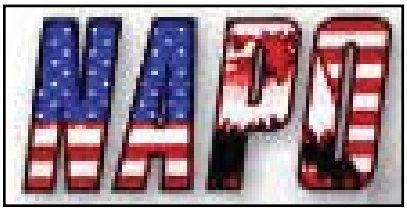
PROUD MEMBER OF NAPO



From the President

Rich Holman
President

Greetings, Well another year is about to go into the history books and what a year it has been. The election is now over, but the fight to keep our benefits is long from over. We are now faced with the lame duck session of the General Assembly and several pension reform bills. Please continue to make your phone calls and send emails to your Representatives and Senators.

I hope everyone had as much fun as I did during the 76th Convention that was held in the City of Springfield, at the Abraham Lincoln Hotel. I would like to thank everyone for their hard work and sponsorship to make this year's convention a great success.

I along with E-board member, Mark McDermott attended the 2012 Midwest States Convention which was held in Oakbrook, Illinois and co-hosted by the PB&PA, PBLC and IPA. Representatives from Iowa, Michigan, Minnesota and Ohio were present for the convention. We heard from several different groups with products and services structured for law enforcement officers. Bill Johnson, the Executive Director of NAPO also attended the meeting and discussed several topics related to the recent national elections and how they should have a somewhat positive effect on law enforcement nationwide. I would like to thank Sean Smoot and Jenny Thornley for organizing a great convention.

As I enter my final year as President of this great organization, it is my goal to provide our members with more benefits than ever before. When speaking with new prospective members the first thing they ask me is, "What does the PBPA do for me?" I explain everything the PBPA does and stands for, but they say what else, so I would like to partner and promote companies who are willing to offer benefits to our members. If you know of a company who may be willing to offer benefits to members of this organization, please let me know and I or an E-Board member will reach out to them and see if a partnership can be reached.

I hope everyone has a Merry Christmas and a Happy and Safe New Year.

Be Safe and God Bless,

Rich Holman, President

PLEASE HELP OUR BROTHER AND SISTER OFFICERS AFFECTED BY HURRICANE SANDY

As all of us in law enforcement are aware, Hurricane Sandy left a path of destruction in New Jersey, New York and other areas of the northeastern United States. Many homes flooded, were wiped out or burned to the ground. Many residents are without power or are homeless. Quite possibly it will be weeks before power is restored. There are mile-long lines at gas stations and mass transportation has been debilitated for what could be many months.
Our brothers and sisters in law enforcement are working tirelessly to aid in the relief efforts, but they need relief as well. Many of them do not have homes to go back to anymore, and yet they will continue working to try and help others affected by the catastrophe. In order to help our brothers and sisters, please consider making a donation to NAPO's Relief Fund, a 501(c)(3) program, to help these officers in their time of need. All donations are fully tax deductible, the federal EIN is 161619872 for your tax purposes, but, more importantly, you will be lending a hand to our fellow officers who sorely need it.

All donations raised through this appeal will be used to help ease the suffering in areas affected by Hurricane Sandy, and assistance from our fund is open to all law enforcement officers and their families. You do not have to be a NAPO member to get help; you just have to be part of the law enforcement family.

Checks should be made out to: NAPO Relief Fund

We Are One ILLINOIS

Top political leaders have asserted they will work to pass pension reform legislation in the days ahead while the lame ducks are able to cast votes free from political reprisal. It is critical that we "clip their wings" to stop harmful pension legislation!

That is why the PBPA and our union partners in the We Are One Illinois coalition are calling on members to come to Springfield on January 3 & 4. Plan now to attend this important demonstration of our power and resolve to show the "lame ducks" and all lawmakers that we are watching.

We will not let them destroy the retirement security we have paid for and were promised!

More details about the January 3 & 4 event will be coming soon, so keep an eye on your inbox and the PBPA Facebook Page for updates. Prepare to stand up for your pension on January 3 & 4!

Dear PBPA Member,

We are pleased to have joined forces with myPHI, specialists in the development of software-based solutions related to personal health information, to provide you and your fellow officers anytime access to your personal health records. myPHI offers the peace of mind that comes from knowing you are prepared should you or a medical professional ever need immediate access to your medical information.
We have all heard stories about people in tragic accidents who were unable to answer questions put to them by emergency responders, or travelers who forgot their medications far away from home. To a lesser degree though, have you ever wanted to know when you had your last tetanus shot or needed the address and phone number of your doctor to complete a form?

Your new PBPA membership card now contains both a toll-free number and a unique QR (Quick Response) code, which is similar to a bar code. The code can be easily scanned using a smart phone or other scanning device to assist a healthcare provider or emergency responder in accessing your emergency medical information instantly anytime, anywhere. Additionally, you now have 24-hour Internet access to all the personal health information you maintain in your myPHI profile, such as vital statistics, chronic health conditions, previous surgeries, blood type, prescriptions and non-prescription medications, allergies, emergency contacts, insurance company information, organ donor status, advance directives, and lab results. A password makes this detailed information available only to you.

We care about your safety and well-being. For this reason, if you have not already done so, we urge you to set up your myPHI medical information profile as soon as possible. To get started, we suggest you gather up your prescriptions, insurance information, important medical telephone numbers, and your new PBPA myPHI membership card. Then simply go to myPHIvault.com and click on the Register Card button at the top of the home page. Follow the easy instructions to set up your personal health profile—and don't forget to write your name on your card! You'll soon be on your way knowing you're covered should you or a medical professional ever need your medical information. If you need help completing your profile, a myPHI representative will be happy to assist you. Just call 888-209-5587.
Additionally, we have arranged for a special discount on additional cards, which can be purchased for $10 each on the myPHI website. This is a savings of $9.95 off the regular website price and includes shipping and handling. For each purchase you make, be sure to enter PBPA Promotional Code PBPA0001 when you check out to get your discount.

As we are presently approaching the holiday season, feel free to pass along this code to your family and friends so they can take advantage of the special offer, too, or you may even want to consider purchasing one or more myPHI memberships yourself as a very thoughtful gift. In addition to what could be life-saving information in event of an emergency, each membership provides unlimited storage to keep medical information safe and handy, a quarterly newsletter, health education links, and round-the-clock telephonic or email support, as needed.

PBPA is happy to make myPHI available to you and will continue to seek ways to increase your safety and improve your quality of care.
Sincerely,

Sean M. Smoot

LIFETIME MEMBERSHIP

Are you nearing retirement after serving your local department for 20 years or more?

Would you like to become a lifetime member with the PB&PA of IL, but your unit is less than 20 years old?

Did you know that you can "buy-out", at half-price, the years of membership dues that you would need to reach your 20-year minimum with the Association?

For example: Adams County Sheriff's Department, Unit #155 joined the Association in 1996. If one of their officers retired now after being on that department for 20 years and having paid Association dues since 1996, he or she would only have 12 years with the PB&PA of Illinois. If he or she wanted to pay for the remaining eight years in advance to become a lifetime member and receive his/her gold card, he or she would need to pay $168 (8 years x $42 per year divided by 2). He or she also has the option to continue paying yearly dues at the full membership rate (currently $42) until such time as he or she reached the 20-year minimum and receives his/her gold card at that time.

Congratulations

John Marone, of Unit #29 Cicero. His entry was drawn from all the cards, letters and emails that we received identifying page 20as the correct page where the hidden picture could be found. A set of PBPA license plate frames was sent to him.

Check out this issue for your chance to win. See page 4 for details.

LAW ENFORCEMENT CODE OF ETHICS

As an Illinois Law Enforcement Officer ...

My fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all persons to liberty, equality and justice.

I WILL keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever-secret unless revelation is necessary in the performance of my duty.

I WILL NEVER act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately, without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I RECOGNIZE the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession ... law enforcement.

POLICE BENEVOLENT & PROTECTIVE ASSOCIATION OF ILLINOIS

2013 POLICE OFFICER OF THE YEAR

Help the PB&PA honor your department's top cop(s) by sending your nomination for the PB&PA Police Officer of the Year today!

This award shall be given to an individual police officer or group of officers who, in the opinion of the selection committee, are worthy of recognition for their accomplishments. In addition to the award itself, there will be two individual police officers or groups of officers selected to receive Honorable Mention Awards.

Any member of the PB&PA may nominate any certified peace officer employed full-time in any agency in Illinois for the Police Officer of the Year Award. Membership in the PB&PA is not required to be nominated or to win. The nomination simply requires a letter from a member identifying the officer(s) nominated as well as completely and accurately describing the incident(s) in which the officer(s) was (were) involved where he or she demonstrated outstanding service, exemplary job performance or heroism.

All nominations and supporting documentation must be submitted to the Executive Office of the PB&PA

no later than September 1, 2013.

The nominations should be for heroics or outstanding service that has taken place during the period of July 1, 2012, through July 1, 2013.

These awards will be presented to the recipients at the banquet on the Saturday night of the PB&PA's Annual Convention in October.

Please send nominations to:

New Pension Reform Proposal Surfaces During Veto Session

On the final day of Veto Session a group of state legislators announced a new proposal to address the Illinois public pension problem caused by the underfunding of pensions by the State of Illinois – HB 6258.

The proposal calls for reductions in the annual Cost of Living Adjustment (COLA) for both retirees and active employees participating in all of the state pension systems. It also calls for raising the retirement age, capping pensionable salary, shifting the state's pension costs to local school districts and for active employees to pay more for their pensions.

Once again the PB&PA and the other members of the We Are One labor coalition were not consulted in the development of this proposal.

Lawmakers did not vote on this proposal or move it to committee before the Veto Session ended. However, they will return to Springfield in January. . .

The We Are One coalition issued the following statement in response to the new proposal –

"We appreciate lawmakers' latest attempt to move the pension conversation forward. As we have consistently stated, the We Are One Illinois coalition stands ready to work collaboratively toward a solution.

We were not consulted in the development of this plan, but our preliminary review suggests that there are significant problems with HB 6258 that need to be worked through. The pension debt was caused by the state's failure to make actuarially adequate pension contributions, not by public employees, but like its predecessors, this proposal essentially balances the pension debt on the backs of teachers, police officers, nurses, caregivers, and other public servants both active and retired. It is also unclear at this juncture whether this proposal is constitutionally or actuarially sound.

We intend to thoroughly analyze this proposal's elements and provide a more comprehensive response in the coming weeks."

Impact Analysis - HB 6258

HB 6258 has five principal components affecting Tier 1 employees in SERS, TRS, SURS, and GARS:

1. Reduces Cost-of-living-adjustments (COLA) by capping the annual 3 percent COLA at $600 per year for employees covered by Social Security and $750 for employees not covered by Social Security;
2. Delays the COLA until the earlier of age 67 or five years after retirement;
3. Increases employee contributions by 1 percent of pay in fiscal year 2014 (effective July 1, 2013) and by an additional 1 percent of in fiscal year 2015 (July 1, 2014);
4. Increasing the retirement age by one year for employees who are at least 40 but not yet 45; by three years for employees who are 35 but not yet 40; and by five years for employees younger than 35; and

5. Capping pensionable at the greater of the Social Security taxable wage base ($113,700 effective January 1, 2013) or the employee's current rate of pay as established in a collective bargaining agreement at the time the law is adopted.

COLA Reductions

We have modeled the impact of the reduction in COLA benefits on typical system members. For purposes of this illustration, we assume that the employee retires on December 31 at the age of 60. A SERS member is assumed to have final average compensation of $60,000 after 30 years of service and a TRS member is assumed to have final average compensation of $75,000 after 27 years of service. (In the case of TRS, the age, service, and salary figures are averages for newly retired members according to the TRS 2011 CAFR). Based on these assumptions, we find that both SERS and TRS members would suffer dramatic losses in real income as their pension payments fail to keep pace with assumed long term annual inflation rates of 3 percent. The loss of purchasing power suffered by TRS participants, depicted in the chart below, is particularly troublesome because Illinois' teachers are excluded from the federal Social Security system. The real income reduction is shown in the following charts:

SERS COLA Reduction

Age	Loss of Real Income (percent)
65	13.7%
70	18.2%
75	23.0%
80	28.1%
85	33.2%
90	38.2%

TRS COLA Reduction

Age	Loss of Real Income (percent)
65	13.7%
70	19.3%
75	25.0%
80	30.7%
85	36.2%
90	41.5%

Just as significantly, the amount of pension collected over the members' first twenty years in retirement, by age 80, would be 20 percent less for a TRS member and 18 percent less for a member of SERS.

Contribution Increases

Payroll information contained in the Financial Reports of the state retirement systems (SERS, SURS, TRS, GARS) indicates that an additional 1 percent of payroll contribution would provide

the systems, on aggregate, with $175 million in revenue each year. When the 2 percent of pay contribution increase is fully phased in, the systems will gain an additional $350 million each year from active employees.

Increase in Normal retirement Age

The increase in the normal retirement ages for relatively younger active employees effectively reduces the value of those employees' accrued retirement benefits. The SERS and TRS reduce a member's annuity at retirement by 6 percent for each year the member's age is below the normal retirement age. Using this rate, the chart below shows the loss in value stemming from the higher retirement ages proposed in HB 6258:

Age	Years Added to Retirement Age	Value Lost by Member
40 but less than 45	1	6%
35 but less than 40	3	18%
Less than 35	5	30%

Cumulative Value of Loss for Employees Under Age 45

As the chart immediately above shows, employees affected by increased retirement ages will suffer a loss in the value of their pension of up to 30% immediately upon retirement. When combined with the loss suffered due to the delayed and reduced COLA benefit, the economic reduction in the value of their retirement benefit is severe. In the case of an employee under the age of 35, the combination of the higher retirement age and COLA restrictions reduce the value of his/her pension benefit by approximately 40% by age 80. For an employee between the ages of 35 and 40 the loss of value because of the increase in the normal retirement age when combined with the COLA restriction yields a 24% loss of benefit by age 80. For an employee between the ages of 40 and 45, the reduction is 24% by age 80.

Policemen's Benevolent Labor Committee

Professional Representation for Law Enforcement Professionals

Protecting the protectors

Heading into collective bargaining without a professional negotiator and the backing of a statewide police union is like confronting an armed suspect without a weapon and back-up. Your fellow officers have good intentions, but they're no match for the experienced negotiators retained by your employer. Bargaining a fair contract requires the work of skilled negotiators and professionals trained in the arts of mediation and arbitration. You need and deserve excellent representation and with the PBLC, you'll have it.

The PBLC commitment

The PBLC is a not for profit corporation affiliated with the PB&PA. Our highly trained, specialized staff includes experienced labor representatives and in-house legal counsel, all of whom participate in continuing legal and labor education. The PBLC's board of directors, also known as the State Labor Committee, is organized by and for the rank and file and is composed solely of full time police officers.

Leading the way

The PB&PA took the lead in securing collective bargaining rights for law enforcement officers in Illinois. By helping draft the Illinois Public Labor Relations Act and then spearheading its passage, the PB&PA has been at the forefront of police labor issues. The PBLC was created to further advance the PB&PA's police representation and protection goals. Since its inception, the PBLC has led the way in preserving the rights and enforcing the collective bargaining agreements of Illinois law enforcement professionals.

Serving you is our mission

The PBLC is not concerned with making a profit at the expense of hard working police officers. That's why police officers from every corner of the state value their relationship with the PBLC. They know that they can call upon their Labor Representative or an Attorney any time a problem arises — 24 hours a day, seven days a week. We are committed to providing the best representation possible, when police officers need it. When you're at work, so is the staff of the PBLC.

Protecting your interests

Collective Bargaining:
Your bargaining unit is unique. The PBLC represents each individual bargaining unit based upon the needs, goals and expectations of that Unit. Your PBLC Labor Representative provides assistance, advice and advocacy at the bargaining table.

Contract maintenance:
Once an agreement is reached, the PBLC monitors employer/employee actions during the term of the contract to ensure compliance. Your Labor Representative takes a proactive stance by meeting periodically with both the bargaining unit and management to address concerns and prevent misunderstandings.

Interest arbitration:
If a satisfactory bargaining agreement cannot be reached, the PBLC will provide an experienced attorney to represent your bargaining unit at interest arbitration at no additional expense to the unit.

Grievance processing:
Through a Labor Representative and, in some cases, Legal Counsel, the PBLC provides advice and assistance to bargaining units and individual members in filing and processing grievances.

Grievance arbitration:
There are occasions in which a compromise cannot be reached amicably. If your contract provides for grievance arbitration, the PBLC will provide and experienced attorney to represent your bargaining unit or an individual member at binding grievance arbitration at no additional cost to the unit.

Unfair labor practices:
The PBLC will process all unfair labor charges against your employer and argue before the State Labor Relations Board at no additional cost the unit or its member.

Defending your rights:

Legal advice is as close as a phone call
The Legal Defense fund is a pre-paid, pre-planned legal service available to all certified PBLC members in good standing.

The Legal Defense Benefit includes:

- Representation at discipline and discharge proceedings at Arbitration or before the Police and Fire Board or Civil Service Commission.
- Representation during internal investigation interviews.
- Representation during criminal investigations and proceedings in which the criminal offense allegedly occurred during the performance of the member's official police duties.
- Initial consultation and advice in civil rights violation cases, including referral to a reputable civil rights attorney for representation at a discounted rate.
- Peace of mind in knowing that if you are accused, you have someone to turn to.

Attorney-client relationship
Any member who uses this benefit becomes the client of the individual attorney retained for representation. The PBLC will not infringe upon the attorney's independent professional judgment in rendering legal services under this plan.

Of Special Note

Legal services will not be provided under this plan if the adverse party is the Policemen's Benevolent Labor Committee or the Police Benevolent and Protective Association of Illinois.

YOU CAN HELP REACH OUR GOAL

A MATTER OF
HONOR

THE CAMPAIGN FOR THE
NATIONAL LAW ENFORCEMENT MUSEUM

In October 2006, the Police Benevolent & Protective Association of Illinois proudly announced our goal of collecting $100,000 over the next five years to show our support of the National Law Enforcement Museum to be built in Washington, D.C. The National Law Enforcement Museum will be the only one of its kind in the world; it will be the only museum dedicated to telling the stories of the Law Enforcement Community. For more information on the Museum (and also the National Police Memorial which honors are fallen brothers and sisters) please check out their website at http://www.nleomf.com.

We look forward to reaching this goal with your support. A $10 donation by each member will get us there! Please use the form below and help us honor all in the Law Enforcement Community.

In order for the PB&PA of IL to receive credit for your donation, please send all checks to the Springfield Office at 435 W. Washington St., Springfield, IL 62702.

Hobart "Curley" Rogers Scholarship Fund for the School Year 2013/2014

Section 1. The purpose of the creation of this scholarship fund is to honor the memory of Hobart "Curley" Rogers and to provide financial assistance to the children of members of our Association. The By-laws Committee was designated as the Scholarship Committee and set forth the rules and regulations which shall determine those individuals eligible for each scholarship. The mandatory minimum guidelines shall be used to determine who receives the scholarships each year as follows:

1) The scholarship fund shall commence in the year 1995. Four (4) $1,000.00 scholarships shall be issued to four eligible applicants entering or enrolled in undergraduate studies.
2) Each year thereafter, four (4) additional scholarships shall be added until a total of sixteen (16) scholarships will be awarded by the year 1998.
3) Once the sixteen (16) scholarships have been issued, the number of scholarships issued per year shall not exceed sixteen (16).
4) All applicants must be a son or daughter of a PB&PA member in good standing with the Association. The term "son or daughter" shall be defined by the Scholarship Committee. The Scholarship Committee defines "son or daughter" to include stepson, stepdaughter, foster son, foster daughter, and legal dependents of the PB&PA member. PB&PA members are not eligible for the scholarships for themselves.
5) The Scholarship Committee shall determine when all applications must be received and set forth when the award shall be issued. The application deadline is March 1 of each year. The Scholarship Committee will meet between March 15 and May 15 of each year to review applications and determine scholarship recipients. Scholarship recipients will be notified by the Scholarship Committee within two (2) weeks following the Committee meeting.
6) Scholarship applications will be made available to each local PB & PA unit.
7) Scholarship applicants **must** include an essay or personal biography of no more than three pages with their application.
8) Scholarship funding will be disbursed by semester ($500.00 per semester).
9) Upon receipt of the scholarship, all scholarship recipients must complete at least twelve (12) hours of course work per semester. Recipients failing to complete twelve (12) hours of course work per semester, or equivalent thereof, will not be issued payment for those semesters. Any recipient who fails to complete twelve (12) hours per semester, or equivalent thereof, for two (2) consecutive semesters shall have their scholarship revoked. Any recipient who fails to complete two (2) twelve (12) hour semesters within two (2) consecutive years from the date of the scholarship issuance, shall have their scholarship revoked. In either case, an alternate, selected by numerical rating and validated by the Scholarship Committee for the current year in which the revocation would take place, shall receive the remaining term of the original scholarship granted the primary recipient, provided the alternate meets all of the requirements at the time of such approval.
10) Scholarship recipients must maintain a "C" average each semester and provide the office of the Executive Director of the PB&PA with a transcript of their grades each semester to maintain their scholarship, for a maximum of four (4) consecutive years.
11) Each scholarship recipient must provide proof of school registration or enrollment prior to receiving funding.
12) Educational institutions that scholarship applicants are requesting funding for must be accredited and approved by the Scholarship Committee.
13) The Executive Board retains the right to overrule any scholarship award issued by the Scholarship Committee.
14) It is expressly understood by all scholarship recipients that he or she possesses no property interest in the scholarship and said scholarship may be revoked at any time. The Scholarship Committee shall have the authority to recommend the revocation of any scholarship at any time and for any reason whatsoever.

Section 2. The Executive Board may, in its discretion, create guidelines for and award additional scholarships, provided that the scholarship committee shall set forth rules and regulations which shall determine those individuals eligible for each scholarship.

Mail to or fax to:
PB & PA of IL
435 W. Washington Street
Springfield, IL 62702
FAX: (217) 523-7677

The grants must be used for a youth-oriented program sponsored by the local unit such as athletic sponsorship, educational programs, etc. The specific type of program must be listed on the application.

At the 1992 Convention, the State Executive Board made a recommendation that the Youth Grant should not be used in conjunction with an agency-sponsored program. The Board felt that the intent of the grant is to provide assistance to the local PB & PA Unit sponsored programs, and not to subsidize a program that is administered by a governmental agency.

At the 1996 Convention, held in Champaign, a resolution was passed by the delegates present, which raised the amount of the grants. The resolution stated that local units could apply for a youth grant requesting up to $1,000.

If you have sent your request in, please double check with the Springfield office. The master file will be kept at the office in Springfield and will than be brought to the Convention for review by the Executive Board.

All applications must be returned to the address above by September 15, 2013. If you have any questions or comments, please feel free to contact me or the Executive office in Springfield at 800-303-4531 x206.

PBPA Executive Board Policy
Regarding the Payment of Death Benefits

Adopted - January 28, 2006

1. Member death benefits shall be paid to the member's designated beneficiary, or in the event no beneficiary is designated, to the member's estate in the following amounts:
    a. Members 70 years of age or over shall be paid a benefit amount of five hundred dollars ($500).
    b. Members under the age of 70 shall be paid a benefit amount of one thousand dollars ($1,000).
    c. Members under the age of 70 killed as the result of an accident shall be paid a benefit amount of two thousand dollars ($2,000).
    d. Members killed in the line of duty shall be paid a benefit amount of three thousand dollars ($3,000).
    e. No benefit shall be paid when a member's death is caused by suicide.

2. All claims for a member death benefit must be made within 1 year of the member's date of death. In cases where an actual date of death cannot be determined, claims must be received within 1 year of the date of a judicial finding of presumption of death. Claims not made within this time limitation shall not be paid.

3. Except in cases where the Executive Board determines that exigent circumstances exist which justify immediate payment of a member death benefit the following payment policy shall apply. All claims received by the Financial Secretary on or after January 1 and on or before June 30 shall be paid in the following month of July. All claims received by the Financial Secretary on or after July 1 and on or before December 31 shall be paid in the following month of January.

Information needed to claim death benefit

The following items need to be sent to the PB&PA office at:

435 W. Washington Street
Springfield, IL 62702

SECURITY AGREEMENT AND PLEDGE By signing this application, I agree that all VISA advances under this card account are secured by all shares and deposits in all joint and individual accounts I have with ISPFCU now and in the future. I authorize ISPFCU to the extent permitted by applicable law, to apply the balance in these accounts to pay any amounts due on this account when I am in default without further notice. Shares and deposits in an Individual Retirement Account and any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest I have given in my shares and deposits. Additionally, I understand that collateral purchased with this credit card account will secure this account and property securing other loans will also secure this account.
