ARTICLE 3

RESIDENCY REQUIREMENTS

However, this does not relieve an employee from complying with all applicable contract provisions and department operational guidelines. Also, an employee whose domicile or principal place of residency is outside of Dade, Broward, or Palm Beach Counties may not be eligible for the Town sponsored medical and dental insurance.

ARTICLE 4

UNION RIGHTS

1. All employees of the Town of Davie Fire Department covered by this agreement shall have the right to join the Union to engage in lawful concerted activities for the purpose of collective negotiations of bargaining or other mutual aid for protection all free from restraint, coercion, discrimination or reprisal. The Union and its duly elected or appointed representatives shall have the right, to express or communicate to management any view, grievance, complaint or opinion, related to the conditions of compensation of public employees or their betterment. This provision shall not abridge the right of any employee to bring forth a grievance on their own behalf.
2. Nothing shall abridge the right of any duly elected or appointed representative of the Union to present views of the Union on issues which affect the welfare of its members, as long as it is clearly presented as the views of the Union and not necessarily the Town.
3. The Union will provide management with a list of all duly elected and appointed representatives.

ARTICLE 5

MANAGEMENT RIGHTS

1. The Union recognizes and agrees that the Town has and will continue to retain, whether exercised or not, the right to operate and manage its affairs in all respects except as modified or limited by this agreement; and the powers or authority which the Town has not officially abridged, delegated or modified by the express provisions of this agreement are retained by the Town. The rights of the Town, through its management officials, shall include but shall not be limited to the right to determine the organization of Town Government; to determine the purpose of each of its constituent departments; to exercise control and discretion over the organization and efficiency of operations of the Town and its Fire Department; to set standards for service to be offered to the public; to direct the employees of the Town; to determine create, and establish Town of Davie job classifications and specifications; to determine the method and means for selection for initial hire and for promotions; schedule employees in positions with the Town; to suspend, demote, discharge or take other disciplinary action against employees for just and proper-cause; to increase, reduce, change, modify or alter the composition and size of the work force, including the right to relieve employees from duties because of lack of work or funds; to determine the location, methods, means and personnel by which operations are to be conducted to establish, modify, combine or abolish positions; to change or eliminate existing methods of operation, equipment or facilities; to take whatever action(s) may be necessary to carry out the mission of the Town or its Fire Department in emergency situations. However, the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matter have the practical consequence of violating the terms and conditions of this agreement.
2. The Town has the sole authority to determine the purpose and mission of the Town, to prepare and submit budgets to be adopted by the Town Council. Those inherent managerial functions, prerogatives and policy-making rights which the Town have not expressly modified or restricted by a specific provision of this agreement are not in any way, directly or indirectly, subject to the grievance procedure contained herein.

Nothing in this article shall be construed to mean that the Fire Chief or designee or the Town Administrator or designee may not promulgate and enforce rules and regulations.

ARTICLE 9

RULES AND REGULATIONS/POLICIES

The Union recognizes the right of the Town and the Fire Rescue Department to establish rules, regulations, and policies for the safe and efficient conduct of Town business and penalties for violation of such rules, regulations, and policies provided said rules, regulations, and policies do not conflict with any provisions of the Collective Bargaining Agreement or any terms and conditions of employment. The Union shall be permitted to propose additions and changes to rules and regulations/policies at any time. The Town Administrator or designee's determination as to any such Union proposal will be final. Should any rule or regulation be in conflict with this agreement, this agreement will prevail.

ARTICLE 10

An employee shall receive full pay while on jury duty if it is a scheduled work shift. The employee will return to the Town any money received from the court for jury duty, exclusive of mileage money, while such jury duty is performed during a normal scheduled shift of duty. Should the employee be dismissed from jury duty during work hours on a normally scheduled work day, the employee shall report to work and immediately notify their immediate supervisor or if not available, the next supervisor in the chain of command. ARTICLE 11

PENSION PLAN

1. The Town agrees to amend its pension ordinances as listed below. All other provisions of the pension ordinances concerning benefits and employee contributions shall remain in full force and effect.
 - a. The definition of “earnable compensation” shall be revised to exclude payments for accrued vacation and sick leave, or PTO, in excess of the number of hours of vacation and sick leave, or PTO, an employee has accrued as of September 30, 2011.
 - b. Upon retirement, the earnable compensation for employees who were employed and in the firefighter pension plan on September 30, 2011, (as described below in this section) shall include payment for accrued vacation and sick leave, or PTO, up to the number of hours accrued as of September 30, 2011.
 - c. Except payments made at the time of retirement for employees employed and in the firefighter pension plan on September 30, 2011 (as described below in this section), payouts of accrued vacation and sick leave, or PTO occurring on or after October 1, 2011 shall not be included in earnable compensation.
 - d. For any employee who was employed and in the firefighter pension plan on September 30, 2011 and who had vacation/sick leave accruals as of that date, when that employee enters DROP, the vacation and sick leave cash-outs made by that employee over the last three (3) years before the employee’s DROP date, up to the number of hours the employee had accrued as of September 30, 2011 (not to exceed the maximum cap on any leave payouts), will then be counted as earnable compensation in that employee’s pension benefit calculation, provided the employee timely makes the applicable employee contribution to the plan that is then determined as owed for such leave accrual cash-outs, which must be made within thirty (30) days of the employee’s DROP/retirement date. In order to make the required employee contribution payments to the pension plan for those leave accrual cash-outs that will be considered earnable compensation, money shall be transferred from the employee’s Share Plan account, and if there is not sufficient funds in that account then the required employee contribution shall be paid from another appropriate employee account or other payment method mutually agreed by the Town and the IAFF. For such employees who retire and immediately separate (without entering DROP), the pension benefit calculation and related employee contributions attributable to the September 30, 2011 leave accruals shall be calculated based on the leave payouts made at the time of the employee’s separation.

e. The parties agree that the Town will implement a “Stop/Restart” effective January 1, 2012. As a result of the Stop/Restart, the Town will receive a one-time credit of \$450,000 based on a transfer from the cumulative excess of actual Ch. 175 premium tax revenues over the base amount, with interest, as of September 30, 2011. This \$450,000 credit will be applied to reduce the Town’s annual required contribution to the pension plan during the plan year beginning October 1, 2011. The \$450,000 credit will be reduced by an amount equal to the reduction in the Town’s required contribution, as determined by the plan’s actuary, resulting from implementation of plan changes required by SB 1128. In addition to the one-time credit, as a result of the Stop/Restart the adjusted base amount of Ch. 175 premium tax revenues shall be increased from \$629,968 to \$679,968 effective October 1, 2012.

f. After the Stop/Restart described in Section 1(b) above is implemented, the pension ordinance shall be amended to implement a “Share Plan” in accordance with Article 12.

2. The current 8.4% employee pension contribution rate shall be increased by .6% to 9.0% effective in the first full pay period on or after October 1, 2013.
3. Notwithstanding any provision of this Article 11, the proposed changes in Sections 1 (a) through (f) above, and the share plan provided in Article 12, will become effective on or after the Stop/Restart provided in Section 1(b), has been approved by the State of Florida Division of Retirement and properly adopted by the Town Council. In the event any of these proposed changes are not approved by the State of Florida Division of Retirement, or any other entity with relevant authority, this agreement shall be reopened to afford the parties an opportunity to maintain the intent of these provisions.

ARTICLE 12

SHARE PLAN

1. The Town will enact an ordinance creating a section of the Davie Firefighters Pension Trust establishing a Share Plan, under which any premium tax revenues received by the Town in excess of the \$679,968 “applicable frozen amount” during any plan year beginning October 1, 2012 or later shall be used to fund a supplemental benefit for plan members. The Board of Trustees shall provide rules concerning the allocation of Share Plan funds to members, except as provided below.

The Share Plan benefit shall be funded solely by premium tax revenues received by the Town pursuant to Section 175, Florida Statutes, and will not result in any additional cost to the Town. The share account of each active firefighter and DROP participant shall be credited or debited with earnings or losses based upon the amount in the share account at the close of the immediately preceding calendar year at a rate equal to the Pension Plan’s actual net rate of investment return for the preceding plan year.

The final approval regarding the actual cost of the proposed pension benefits increase lies with the State of Florida Division of Retirement which will approve the costing methodology and the components thereof.

ARTICLE 13

Other disputes or misunderstandings between the parties (which do not allege a violation of this agreement or involve the interpretation or application of this agreement) may be processed only through Step 3 of the following procedure. Step 2 If the grievance has not been satisfactorily resolved, the Union or the aggrieved employee shall present such written grievance to the Town Administrator, or designee, within ten (10) calendar days from the date of the response in Step 2. The Town Administrator, or designee, shall meet with the employee and the Union representative within fifteen (15) calendar days, from the receipt of the written grievance and render a decision within fifteen (15) calendar days, from the meeting.

Step 3 If the grievance has not been satisfactorily resolved, the Union may, within twenty (20) calendar days from receipt of the Step 2 response submit the grievance to arbitration by filing a written request for a panel of arbitrators with the Federal Mediation and Conciliation Service (FMCS) and providing the Town with a copy of such request. The Union shall have the exclusive right to proceed to arbitration on behalf of its members. The award of the arbitrator shall be final and binding on both parties.

All deadlines may be extended upon mutual agreement of the Town and the Union. Deadlines shall be extended automatically upon a Town declared State of Emergency. Failure of the Town to make a decision within the time limits at each step shall be deemed a denial and the grievance may proceed to the next step

449
450 The cost for the services of arbitrator shall be borne by the losing party. Either party to
451 this agreement desiring transcripts of arbitration hearings shall be responsible for the cost
452 of such transcripts.
453

454 In the event either party claims a dispute is non-arbitrable, the arbitrator's ruling shall first

- i. Effective October 1, 2011, regular full-time employees will earn and accrue PTO immediately upon employment as follows:

	40 hours per week*		48 hours per week*	
Continuous Employment	Biweekly Accrual	Annual Amount	Biweekly Accrual	Annual Amount
Less than 5 years	6.54	170	9.23	240
Completion of 5 years	8.08	210	11.07	288
Completion of 10 years	9.62	250	12.92	336
*Leave accrual hourly factor will be applied only to regular work hours, not in excess of 40 hours per week for 40 hour-a-week employees and 48 hours per week for 48 hour-a-week employees. At no time will the hourly accrual factor be applied to earned overtime hours.				

- ii. When employee has had a break in employment, Paid Time Off accrual will be handled as outlined in the Reinstatement Policy.

- iii. Paid Time Off will not be earned by an employee during an unpaid leave of absence or when an employee has been placed in a non-pay status,(i.e., suspension)

2. Use of PTO Hours

Paid Time Off (PTO) is an employee benefit which combines traditional vacation and sick leave programs into one plan with two components. This type of program provides both employees and the Town a flexible method of scheduling time off with pay. Because of this, PTO time may be used at the employee's discretion, provided that approvals are obtained for this leave as stated in this policy. Since PTO hours will replace traditional sick and vacation time, access is unrestricted provided the employee has been employed for 180 consecutive days and has supervisor approval. Employees may be granted up to two (2) days of PTO use after 90 days of employment for their own personal illness with the approval of their Department Director. Any additional PTO usage prior to six (6) months of employment will require approval by the Department Director and Director of Human Resources. PTO may be used for items including, but not limited to:

- a. Vacation
- b. Sick Leave

- c. Absence for transaction of personal business which can not be conducted during off-duty hours.
- d. Religious holidays other than those designated by the Town of Davie.
- e. Supplement income for time loss due to work related personal illness, injury, or disability where statutory workers' compensation payments are being received. In no instance shall this combination exceed one hundred percent (100%) of the employee's regular base rate.
- f. Maternity or paternity leave purposes.
- g. Supplement income for time loss due to disability not work related, where employee is receiving disability insurance benefits/payments. In no instance shall this combination exceed one hundred percent (100%) of the employee's regular rate of pay.
- h. Absences from work not covered by other types of leave provisions established by the Town of Davies' policies.

3. Request for Paid Time Off

- a. Requests for PTO leave should be submitted in writing on the "Leave Request Form" by employees to department manager, via the employee's direct supervisor for approval, at least one (1) week prior to requested leave when possible.
- b. Departments may establish a departmental policy for operational needs which may be more restrictive or provide exceptions to the one (1) week requirement.
- c. Paid Time Off requests will be granted at the sole discretion of the Department Director or designee; however, every effort will be made to accommodate employees. Employees are responsible for maintaining a sufficient balance of PTO to cover vacations, illness, etc. If an adequate balance of PTO is not available to cover the employee's requested time off, the employee's request for time off may be denied.
- d. When PTO leave is being used for an employee's own personal illness, or the illness of a family member, employees shall notify their immediate supervisor or department manager as soon as the employee knows that they will be unable to work. Notice must be given no later than the first day of absence and preferably before the starting time for employee's scheduled shift. Employees failing to notify and report to the department within three (3) consecutive work days will be considered as having resigned (quit without notice) and employment will be terminated. Any absence not properly reported by employee, less than three (3) consecutive work days can be grounds for disciplinary action, in accordance with policy.

- e. A doctor's statement as proof of illness may be required by a department manager if leave extends beyond three (3) consecutive work days or at any other time that a department manager has reason to believe that the employee is abusing Paid Time Off. A false claim of illness, injury, or disability will be cause for dismissal.
- f. Paid Time Off may be used only as accrued, and will not be allowed in advance of leave being earned or accrued.
- g. Paid Time Off will be charged at a minimum of one-half (1/2) hour.

4. Abuse of Paid Time Off Leave

- a. Excessive unscheduled use of Paid Time Off will be grounds for disciplinary action. When an employee's absences are such that the Town has reasonable grounds to believe that an abuse exists, the employee will be notified in writing, by their department manager, of the suspected abuse, and thereafter may be required, regardless of the duration of the absence, to submit a satisfactory doctor's certificate or affidavit indicating the specific nature of the disability and its duration to the employee's department manager before such absence may be charged against the employee's accumulated PTO balance. Reasonable grounds of abuse include a pattern of numerous one-day absences throughout the year, particularly if leave is always taken on Mondays or Fridays; frequency of absences; low/zero accumulated PTO balance; and other patterns of abuse.
- b. Further disciplinary action, up to and including termination, may be taken by the department manager when an employee's attendance continues to be unsatisfactory.
- c. Abuses in leave will be included on the employee's annual performance evaluation.

5. Carry-Over and Cash Payment of Paid Time Off

- a. It is the intent of this policy that all employees take their Paid Time Off annually for the period in which it has been earned.

- b. The maximum amount of Paid Time Off which can be carried forward from one (1) fiscal year (ending September 30th of each year) to the next is as follows; however, no employee, regardless of length of service or number of scheduled hours may cash out more than 600 hours upon a resignation from employment or more than 800 hours upon retirement of employment. (This includes leave used during the last 30 days, or at any time, to prolong a retirement/termination date).

<u>YEARS OF CONTINUOUS EMPLOYMENT</u>	<u>TOTAL HOURS 40 HR</u>	<u>TOTAL HOURS 48 HR</u>
Less than 5 years employment	300	360
Completion of 5 years	420	480
Completion of 10 years	600	660
Completion of 15 years	800	860

- c. An employee may request cash payment for portions of accrued PTO once annually from the Town in accordance with the provisions of this policy.
- d. Employees with a PTO balance over 160 hours will be eligible to receive sixty percent (60%) reimbursement of accrued PTO over the 160 hours, up to 80 hours annually, at their rate of pay at the time of the cash-out. Compensation shall be contingent upon budgetary restrictions and may be terminated by the Town Administrator through the budget process.
- e. Prior to October 1st, each qualified employee must request reimbursement in writing on the "PTO reimbursement form" to the Human Resources Department for annual reimbursement. This form must be certified and approved by the Department Director. The Human Resources Department will provide further approval. Employees approved for reimbursement will receive the additional compensation prior to the first full payroll in October.

6. Payment of Unused Paid Time Off

- a. Employees who voluntarily resign or are separated from employment in good standing will receive payment for 80% of their accrued and unused Paid Time Off at the time of separation. Employees who are eligible for and retire from the Town of Davie will receive 100% of their accrued and unused Paid Time Off at the time of their retirement. (For employees in the DROP program, please see additional provisions listed in the DROP policy). Employees dismissed for misconduct will not receive the accrued time, unless specifically recommended by the department manager and approved by the Director of

Human Resources.

- b. Employees placed on layoff status will receive 100% pay for accrued Paid Time Off up to time of the layoff.
- c. New employees who have not completed their initial twelve (12) month probationary period will not be eligible for payment of leave, upon separation.

7. Right to Contribute Paid Time Off Hours

- a. In the event that an employee's own illness or physical incapacity should continue beyond a point where his/her Paid Time Off has been exhausted, or short/long term disability does not apply, other employees may contribute accumulated PTO to said employee with the appropriate approvals.
- b. Employee contributions must be done in multiples of at least (8) hours per employee. The donation of time must be completed on the appropriate donation of time form and approved by both the Department Director and the Human Resources Director or designee.

ARTICLE 37

FMLA/ LEAVES OF ABSENCE

(FMLA) - FAMILY & MEDICAL LEAVE ACT/PERSONAL LEAVE OF ABSENCE

An employee who has worked with The Town of Davie at least twelve (12) months and who has worked at least 1250 hours in the last twelve (12) months prior to the beginning date of leave may be entitled to twelve (12) work weeks of paid/unpaid leave in any rolling twelve (12) month period under the provisions of the FMLA of 1993.

Personal Leave

Employees having satisfactorily completed their initial six (6) month probationary period may be granted up to six (6) months of personal leave without pay with approval of their Department Director and the Town Administrator or designee.

Personal leave is intended to be used for health, education, pregnancy or extenuating and/or extraordinary personal reasons.

FMLA

1. An employee who takes an extended leave for any FMLA qualifying reason may be deemed by the Town of Davie to be on FMLA for the purpose of calculating time using the rolling twelve (12) months. Failure to complete FMLA paperwork or to receive official notification of leave approval will not automatically disqualify an employee's leave from being considered FMLA. FMLA will also run concurrent to workers' compensation leave when an employee is out for a work related illness or injury.
2. Request for FMLA
 - a. Request for FMLA, paid or unpaid, shall be submitted in writing on the "Leave Request Form" to the employee's Department Director and must be approved by the Human Resources Director.
 - b. Documentation qualifying the FMLA leave must be submitted to the Human Resources Department so that approval may be granted. In the case of an employee's own personal illness or injury, the FMLA physician's certification form must be filled out by the employee's treating physician.
2. Employees must use up all of their sick leave, vacation leave, and any other applicable Town leave during the course of the FMLA. When the duration of the leave is known, with approval of the H.R. Director,

vacation, sick time, and other leave may be stretched out over the course of the entire leave in order to cover insurance benefit premiums during the twelve (12) weeks of FMLA. Use of the paid leave (i.e. sick, vacation, etc.) will apply toward the twelve (12) week entitlement and is not in addition to this entitlement.

3. Leave may be requested on an intermittent basis or on a reduced work week schedule if medically necessary. The employee must provide medical certification within fifteen (15) days of the date requested. The employee must attempt to schedule their intermittent or reduced leave so as not to disrupt the organization's operations. The employee may be required to transfer temporarily to a position with equal pay and benefits that better accommodates recurring periods of leave or a reduced work schedule.
4. Upon returning from FMLA the employee is entitled to return to the same position held when the leave began or to a similar position with equivalent benefits and pay, unless the position would have been eliminated had the employee not been on leave. In such circumstances, the employee may apply for any other vacant position for which they are qualified. Should the leave continue beyond the twelve (12) workweek period, reinstatement rights are at the discretion of the Town of Davie.
5. An employee granted FMLA will continue to be covered under the Town's insurance plans under the same conditions and coverage as would have been provided if the employee had been actively employed during the leave period. An employee is not entitled to leave accruals during the period of unpaid leave. The employee will have the option of continuing health care coverage by paying for all or part of health insurance premiums for any period beyond the initial twelve (12) weeks, if granted.
6. An employee who fails to return to work on the date specified on the leave request form without receiving an extension in advance is subject to disciplinary action up to and including termination.

Personal Leave

1. Eligibility for Personal Leave

- a. Regular employees, having satisfactorily completed the initial twelve (12) month probationary period, may be granted personal leave without pay.
- b. Personal leave may be granted for a period not exceeding six (6) months, provided that the department manager deems such leave to be justified and not detrimental to the operations of the department.

2298 c. Personal leave, if approved, will run concurrent to any approved FMLA
2299 and the total leave shall not exceed six (6) months. In exceptional cases,
2300 leave may be extended, upon approval by the department director and the
2301 Director of Human Resources.

2302
2303 d. Personal leave is intended to be used for health, education, pregnancy or
2304 extenuating and/or extraordinary personal reasons.

2305
2306 2. Request for Personal Leave

2307
2308 a. Request for personal leave, without pay, shall be submitted in writing on
2309 the "Leave Request Form" to the employee's Department Director and
2310 approved by the Director of Human Resources.

2311
2312 b. Prior to requesting personal leave for medical reasons, the employee must
2313 utilize any/all accrued sick leave, vacation leave or any other applicable
2314 leave.

2315
2316 3. Benefits while on Personal Leave

2317
2318 a. Group life, health, and dental insurance coverage, for both the employee
2319 and dependents, may be continued while on approved personal leave,
2320 provided that premiums for coverage (both employee and dependents) are
2321 paid and kept current by the employee. Employees may have the right to
2322 continue these insurance benefits under the Consolidated Omnibus Budget
2323 Reconciliation Act (COBRA) of 1986. Retention of insurance benefits
2324 must be made by the employee, through the Human Resources
2325 Department.

2326
2327 b. Employees will not receive holiday pay, or earn any accrued leave or
2328 pension benefits while on personal leave without pay. In addition, the
2329 employee's anniversary date shall be adjusted to account for the duration
2330 of the leave.

2331
2332 4. Return to Regular Employment

2333
2334 a. An employee's position will be held only as set forth in the provisions of
2335 the FMLA for the first twelve (12) weeks of leave, if the employee
2336 qualifies for such leave. Employee's not granted FMLA, or whose FMLA
2337 time has expired, will no longer be guaranteed their position, but may
2338 return at the sole discretion of the Department Director if a job is still
2339 available.

2340
2341 b. Employee's granted personal leave shall contact their supervisor or
2342 department manager two (2) weeks prior to expiration of granted personal
2343 leave in order to facilitate the reinstatement process.

c. Employees that do not contact their supervisor or department manager and do not return to work upon expiration of granted personal leave will be considered absent without leave. Absence without leave for three (3) consecutive workdays is considered that the employee has resigned and will be handled as such. Absence without leave for less than three (3) days can be grounds for disciplinary action, in accordance with Town policy.

d. The Town will make a reasonable effort to return the employee to their former position or a similar position in the same classification in another department, if possible. If no opening exists, the employee may apply for any open posted positions that become available or for which they are qualified.

5. No leave of absence without pay will be granted to permit an employee to work at another job or conduct a business.

Maternity Leave

When a fire department member becomes pregnant and reaches their second trimester, they may request a non hazardous re-assignment. The Town of Davie will make every reasonable attempt to provide a light duty capacity position. Only in the case where it has a significant operational impact as determined by the Town, shall the light duty re-assignment be denied. A member that is eligible for FMLA may request a leave of absence during pregnancy or after delivery. Leave time taken shall be agreed upon by the Fire Department and the member requesting, i.e. vacation, sick or leave without pay. While on leave, the pregnant member will retain active status. All of the members rights and privileges will be protected in accordance with the Family and Medical Leave Act. All members shall provide a written release from attending physician stating that she is physically able to return to work.

 - October 1, 2013: 2.5% COLA increase
2. In addition, The Town agrees to keep the current step plan in place for all employees for the duration of this agreement, except that a new step will be added at the bottom of the pay plan for certified Firefighters, which shall be the entry level step for employees hired on or after October 1, 2011. A copy of the step plan is attached as Exhibit A to this contract. The Town agrees to raise the steps on October 1, 2013, in the amount of the cost of living increase as listed above.
3. During the term of the 2011-2014 contract, advancement through the step plan shall be as follows:
 - a. During Fiscal Year 2012 (i.e., October 1, 2011 through September 30, 2012) there shall be no step increases for any employees. The parties also agree, however, that if any employee is given a step increase between October 1, 2011, and the date this Agreement is ratified, that such step increase(s) will be rescinded as of the ratification date of this Agreement and shall later be reinstated in 2014 as provided in paragraph 3.c.i, below, unless the employee has reached the top of the plan before April 1, 2014.

2512 satisfactory or better on this next evaluation, an increase will be granted at that time,

2539 due to that employee, then the promoted employee will be advanced the step in the pay
2540 grade for the lower position before the applicable promotional pay increase is applied.

ARTICLE 47

PAYROLL ERRORS

1. Any error in an employee's payroll check of \$250.00 or more shall be brought to the attention of the Fire Chief or his designee. ARTICLE 49

DRUG-FREE AND ALCOHOL-FREE WORKPLACE POLICY

1. The Town and the Union recognize that employee substance and alcohol abuse is a serious problem and has an adverse impact on Town government, the image of Town employees, the general health, welfare, and safety of Town employees, and the general public at large. Accordingly, the Town and the Union agree to the following drug-free and alcohol-free workplace policy that meets the Federal Drug Free workplace Act and the Florida Drug-Free Workplace program. All current and future applicants and employees are covered by this policy and, as a condition of employment, are required to abide by the terms of this policy. Random testing may be conducted pursuant to this Article and Article 50. Because of state or federal laws and regulations, certain employees may be subject to additional requirements.
2. Unlawful manufacture, distribution, dispensation, selling or attempting to sell, purchase, possession or use of any controlled substances is prohibited both on duty and while off duty. Controlled substances include, but are not limited to amphetamines, barbiturates, cocaine, heroin, morphine, PCP, marijuana, hashish, and any other controlled substance listed in Schedules I through V of Section 202 of the Controlled Substance Act, 21 U.S.C. 812. Possession of unauthorized drug paraphernalia while on Town property is also prohibited.
3. While the Town understands employees and applicants under a physician's care may be required to use prescription drugs, use of said drugs that is not in accordance with the prescription and/or manufacturer's recommendations or any other abuse of prescribed medications will be dealt with on a case by case basis.
4. When employees have reason to know that the use of a particular medication may limit or impair their ability to perform their job -- e.g., based upon a doctor's advice or a warning label on prescription medication -- they should so notify their supervisor.
5. All employees are prohibited from using, possessing, distributing, dispensing, manufacturing, or purchasing alcohol while on duty, while on Town property, or on any work site. Consumption of alcoholic beverage(s) while on duty, including lunch and break periods, is strictly prohibited. Employees are also prohibited from using or abusing alcohol off duty to the extent that such use or abuse tends to have an adverse effect on job performance or otherwise have an adverse affect on the Town's image or relationship with other employees or the public. Further, possession of alcoholic beverage(s) on Town property (inside lockers, in Town vehicles, etc.) is prohibited. This would exclude off-duty Town sponsored events such as picnics or Town parties and other exceptional circumstances (approved in advance in writing by the Town Administrator or designee), such as paramedics who possess alcohol for legitimate use. However, this does not relieve the employee

from the responsibility of using moderation and judgment in the use of alcohol at all times.

6. Being under the influence of alcohol and/or drugs while on duty, including lunch and break periods, is prohibited. "Under the influence" shall mean use or abuse of those amounts of drugs, alcohol, or controlled substances which test at levels which meet or exceed those set forth in Section 12 of this Article or for those substances when no level is established in Section 12, which meet or exceed applicable federal or state limits.
7. The Town shall require an employee to submit to drug and/or alcohol testing whenever it has reasonable suspicion that an employee is in violation of this policy. Random testing may be conducted as provided in this Article and in Article 50 of this collective bargaining agreement or in order to comply with a federal or state law or regulation.
8. For the purposes of reasonable suspicion drug/alcohol testing, "reasonable suspicion" includes, but is not limited to, the following:
 - A. Observable phenomena while at work, such as direct observation of drug use of the physical symptoms or manifestations of being under the influence of a drug, controlled substance or alcohol;
 - B. Abnormal conduct or erratic behavior while at work or a general deterioration in work performance;
 - C. A report of an employee using drugs, controlled substances or alcohol, provided by a reliable and credible source;
 - D. Evidence that an individual has tampered with a test administered under this Article during his employment with the Town;
 - E. Evidence that an employee has, during his employment, violated the provisions of section 2, above.
 - F. If there is a discrepancy with the medication/narcotic inventory (i.e. lost, missing or a vial/carpujet is tampered with) that occurs on an employees shift

It is agreed that at least two (2) supervisors must agree that there is reasonable suspicion to require an employee to submit to testing under this Article. The employee will be ordered to submit to the drug and/or alcohol test by the Fire Chief or designee. The supervisors who confirm that there is reasonable suspicion to require an employee to submit to testing will reduce to writing the basis for their determination(s) by the end of their shift.

2660 9. Any employee who tests positive for alcohol and/or controlled substances, or who
2661 refuses to submit to testing, refuses to sign a consent form, fails to appear for testing,
2662 fails to cooperate and/or successfully complete rehabilitation programs and any
2663 required after-care programs, or tampers with the test specimen may be subject to
2664 disciplinary action, up to and including termination.
2665

2666 10. Testing for drugs or illegal substances shall be done through a blood and/or urine
2667 analysis, intoxalysis, hair analysis, or other state or federally approved testing
2668 method. Testing for alcohol will be done through a blood analysis or through an
2669 intoxalyzer. Blood samples shall be taken to test for alcohol and/or drugs or other
2670 substances where it is generally accepted by medical and/or toxicological experts
2671 that testing for such substance is insufficiently accurate through urine samples or
2672 where testing of the substances through blood samples provides substantially greater
2673 accuracy. Urine samples shall be collected under supervision of the medical
2674 laboratory personnel in the following manner:
2675

2676 A. Urine sample collection will be unwitnessed unless there is reason to believe
2677 that a particular individual may alter or substitute the specimen to be provided.
2678

2679 B. Employees may inspect the container to be utilized for collection of the urine
2680 sample and may request a substitute container.
2681

2682 C. Employees may observe the labeling, sealing, and packaging for routing of
2683 their urine samples by laboratory personnel.
2684

2685 D. The laboratory shall maintain a record of the "chain of custody" or urine
2686 specimens.
2687

2688 In the event a urine specimen is tested as positive under the drug testing screen, as
2689 specified below, a portion of that sample shall be subjected to gas
2690 chromatography/mass spectrophotometry [GC/MS] testing. If the GC/MS
2691 confirmation test also is positive, the employee may request a portion of the urine
2692 sample to be supplied to a qualified laboratory for independent analysis, the cost of
2693 which will be paid by the employee.
2694

2695 11. Drugs, their metabolites, alcohol and other substances for which the Town will
2696 screen an employee's urine and/or blood sample include, but are not limited to the
2697 following: alcohol, amphetamines, barbiturates, benzodiazepines, cocaine
2698 metabolites (benzoylecgonine), marijuana metabolites (delta-9-tetrahydro-
2699 cannabinol-9- carboxylic acid), methaqualone, methadone, opiates, and
2700 phencyclidine, and propoxyphene. All testing shall be done by a state or federally
2701 approved laboratory with expertise in toxicology testing and methodology. All
2702 positive test results shall be evaluated by a certified toxicologist. All samples which
2703 test positive on a screening test shall be confirmed by gas chromatography/mass
2704 spectrophotometry [GC/MS]. Employees shall be required to document their legal
2705 drug and/or substance use, as required by the laboratory. Test results shall be treated

with the same confidentiality as other medical records (except that they may be released to the Town, the Union [if applicable], in any proceedings held regarding any disciplinary action on account of a positive drug test result, and to any governmental agency).

The levels used for employee drug tests, as presently set forth below, will be changed from time to time to remain consistent with those levels set forth under the applicable rules promulgated by the Florida Drug-Free Workplace Act (i.e., Rule 59A-24, Fla. Admin. Code), as amended from time to time. Those drug test standard levels presently are as follows:

Drug/Metabolite Test	Screening Test	Confirmation
Amphetamines	1000 NG/ML	500 NG/ML
Barbiturates	300 NG/ML	150 NG/ML
Benzodiazepines	300 NG/ML	150 NG/ML
Cocaine	300 NG/ML	150 NG/ML
Marijuana	50 NG/ML	15 NG/ML
Methaqualone	300 NG/ML	150 NG/ML
Opiates	300 NG/ML	300 NG/ML
Phencyclidine	25 NG/ML	25 NG/ML
Propoxyphene	300 NG/ML	150 NG/ML

An employee will be considered to test positive for alcohol at the level equal to or exceeding 0.04g%.

Other drugs and substances listed in Schedule I through V of Section 202 of the Controlled Substance Act, 21 U.S.C. 812 may be tested for the Town. In any event, they will be tested according to the levels contained in state statutes or regulations, and, if none exist, at levels according to generally accepted toxicology standards.

12. Each employee shall have the right to challenge the Town's adherence to the contractual requirements of drug testing set forth herein in the same manner that the employee may grieve any managerial decision.
13. The Town, in its discretion, may discipline an employee for drug and/or alcohol use/abuse and/or the Town may offer rehabilitation to the employee. It is recognized that the Town must make its determination as to whether to discipline and/or attempt to rehabilitate an individual who tests positive for being under the influence of alcohol, drugs or illegal substances on a case-by-case basis. If the Union believes the Town has acted arbitrarily and capriciously in its determination of whether to recommend rehabilitation of an employee, the Union may grieve the Town's decision. In the event the Town offers to rehabilitate an employee, the Town may place the employee on administrative leave without pay. If the employee so elects, the employee will be permitted to utilize accrued leave during his or her period of rehabilitation. An employee who fails to complete the entire rehabilitation

program, including follow-up care, may be terminated. Also, in the event the Town elects to rehabilitate an employee, the Town is only obligated to offer rehabilitation to an employee one time and future “relapses” may be dealt with by immediate termination.

14. If the Town offers an employee the opportunity to enter into a drug or alcohol rehabilitation program, the Town may require the employee to execute any and all appropriate consent/release forms so that the Town can certify that the employee is enrolled in the program, is completing it, has completed it successfully, and/or is attending any after-care program. The Town may require an employee to submit to random testing for up to two (2) years after the employee returns to work. All counseling or treatment provided for in this policy is to be at the employee’s expense, however nothing shall preclude the employee from submitting his or her expenses for reimbursement in accordance with any appropriate medical plan sponsored by the Town.
15. It is the responsibility of each employee who observes or has knowledge of another employee in a condition which the employee is or appears to be impaired in the performance of his or her job duties or who presents a hazard to the safety and welfare of others or is otherwise in violation of this policy, to promptly report the fact to his or her immediate supervisor. Any employee who, in good faith based on reasonable suspicion, reports an alleged violation of this policy, or any supervisory or managerial employee who investigates or takes action in good faith based on reasonable suspicion, shall not be harassed, retaliated against, or discriminated against in any way for making reports or participating in any investigation or action based thereon.
16. Any employee who is convicted of a criminal drug statute violation, or of any law involving driving a motor vehicle while intoxicated on or off the job may be subject to immediate disciplinary action, up to and including termination. As used herein, the term “convicted” means a plea of guilty, a plea of “nolo contendere,” or a finding of guilty (regardless of whether adjudication is withheld) by any judicial body charged with the responsibility to determine violations of federal, Florida or any other state criminal drug statute or law concerning driving while intoxicated.
17. Any employee who is arrested, charged and/or convicted of a criminal drug statute violation, or of any law concerning driving while intoxicated on or off the job must so notify the Town’s Fire Chief, in writing, no later than five (5) calendar days following such arrest, charge or conviction. It is the responsibility of the Town to notify any federal agency with which the Town has a contract or grant as a condition of employment involving any employee convicted of any criminal drug statute for a violation occurring in the workplace within ten (10) days after receiving notice by the employee or by any other party.
18. Pursuant to an on-going drug and alcohol awareness program, the Town will periodically inform employees, formally and/or informally, of the dangers of drug

and alcohol abuse in the workplace, the Town's policy of maintaining a drug-free and alcohol-free workplace, available drug and alcohol counseling, rehabilitation and assistance programs, and that violation of the Town's policy may result in disciplinary action, up to and including termination.

19. This policy will be posted in all fire stations and issued to all employees for placement in their employee manual.

20. An employee who refuses drug or alcohol testing may be subject to disciplinary action up to and including termination.

Said employee will not be told that his or her name had been selected until the next day on which the employee is on duty. If the selected employee is not tested on the next day on which the employee is on duty, the employee will not be tested on this occasion. The employee may be randomly selected for testing on another occasion.
